Boone,Rose M. Cothren,Kevin C. Neece,Jaclyn S. Parrish,2021-02-19 Dr David K Naugle is widely regarded as a leading thinker in the area of Christian worldview formation As Distinguished University Professor Emeritus at Dallas Baptist University he has drawn accolades and admiration This collection in his honor demonstrates that intellectual pursuits are inherently spiritual that no area of life is separate from the lordship of Christ and that true Christian faith is in fact the deep fulfillment of the human experience On topics ranging from linguistics to gardening and everything in between these essays represent the depth and breadth of the idea that all goodness is God s goodness all truth is God s truth and all beauty is God s beauty **The Love of Learning and the Desire for God** Jean Leclercq (O.S.B.),1962 This Monastic Moment John De Gruchy,2023-09-28 Kairos is used in the New Testament to signify a pivotal moment in history a critical time of judgement and opportunity where chaos must be faced and one must change their ways before it becomes irreparable Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice **Building the Christian Academy** Arthur Frank Holmes,2001 Until Relatively Recently the history of higher education in the West was the story of a Christian academic tradition that played a major role in both intellectual history and the history of the church Over the last one hundred years however we have witnessed the progressive secularization of higher education George Marsden goes so far as to suggest that the American university has lost its soul But what was that putatively Christian soul Precisely what in the Christian tradition has now been lost And what should we know about that tradition as a condition of practical wisdom for the present *Loving Through Enmity* Marvin E. Wickware, Jr.,2025-05-20 Wickware responds to the failure of Christian antiracist work to translate love of the enemy into societal transformation Centering a structural idea of enmity he explains how love of the enemy involves embracing our need for those whose interests are opposed to ours under white supremacy engaging in mutual aid and committing to accountability When Children Love to Learn Elaine Cooper,2004-04-07 They re hallmarks of childhood The endless why questions The desire to touch and taste everything The curiosity and the observations It can t be denied children have an inherent desire to know Teachers and parents can either encourage this natural inquisitiveness or squelch it There is joy in the classroom when children learn not to take a test not to get a grade not to compete with each other and not to please their parents or their

teachers but because they want to know about the world around them Both Christian educators and parents will find proven help in creating a positive learning atmosphere through methods pioneered by Charlotte Mason that show how to develop a child's natural love of learning The professional educators administrators and Mason supporters contributing to this volume give useful applications that work in a variety of educational settings from Christian schools to homeschools A practical follow up to Crossway's *For the Children's Sake* this book follows a tradition of giving serious thought to what education is so that children will be learning for life and for everlasting life

Painful pleasures Christopher Vaccaro, 2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life Saint's Lives and mystical treatises provide evidence of failed sadism and empowering masochism Literary culture in the form of epics and courtly tales preserve stories of eroticised power These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core
