Hutt,2023-08-08 Schooling has become less about learning and more about the scramble for good grades high test scores and spotless transcripts No one is happy about this least of all students But what can be done Off the Mark explains how we got into this predicament why our reforms haven t worked and how we can reorient our system to advance learning **For the Love of Learning** Jenny Sockey,2002-06 **For the Love of Learning** Tim Bilham,2013-11-11 Edited collection featuring essays from exceptional National Teaching Fellows Presents the cutting edge of pedagogical thinking on the most important topics in higher education today including student engagement assessment internationalisation and employability Destined to become a must read guide for anyone involved in higher education *For the Love of Learning* Kristin Phillips,2022-08-16 An illuminating and refreshing memoir about a year in the life of an elementary school principal outlining the joys and challenges for teachers and students of education today Outside of home children spend more time at school than anywhere and teachers play an important role in their young lives Teachers inspire nudge support and help students through many difficulties both academic and developmental And yet we almost never hear about what s really happening in school Kristin Phillips taught grade school for years before becoming a principal helping to guide not just students but also staff through better learning Here she takes us through a school year from the excitement of fall through the long days of winter and into the renewed energy that comes with spring Through her eyes we experience the increasingly complex education system children with disruptive behaviours teachers attempting new practices some more successfully than others and even parents who need a little help parenting As she walks us through this year we re introduced to the many problems that she faced but also those of the students and teachers she worked with What s the best way to address bullying in the classroom and school yard What do you do with a five year old who won t stop cursing in class And importantly how do we ensure all students are learning And these are just the concerns Phillips faced during school hours At home she reckoned with her own family s problems Recently divorced Phillips shares the ups and many downs of parenting three teenagers one of whom at times suffers from debilitating mental health issues With the realities of Covid 19 the importance of schools and their vital role for children and all of society has never been clearer Phillips takes us into the classrooms hallways and principal s office revealing the innovations happening in our schools and also the areas where

education can do better With honesty and compassion Phillips gives a human face to the very real challenges educators work to overcome one year and one student at a time **The Quest for Mark's Sources** Thomas P. Nelligan,2015-07-07 The question of the relationship between the Gospel of Mark and letters of Paul has been ever present in New Testament scholarship but has never been fully explored This monograph seeks to probe further into this question through an examination of the literary relationship between sections of Mark and 1 Corinthians Nelligan explores the context of these texts in Greco Roman and Jewish literature adopting the view that New Testament authors use imitation with a sophisticated use of literary sources as a major technique in their composition He proposes a new set of criteria for judging literary dependence that builds upon and advances those already promoted by biblical scholars Sections of Mark and 1 Corinthians are then compared and analyzed including the Eucharist accounts given in both texts By analyzing and comparing sections of Mark and 1 Corinthians most notably the account of the Eucharist in both texts Nelligan argues Mark used 1 Corinthians as a literary source and that this was done using well established literary techniques used in the wider Greco Roman and Jewish literary world **For the Love of Thy Mother and Father** Raynaldo Salvace,2010-02 How many people have asked themselves and others Why are there so many people so angry enraged and with so much hate for group of people that are not as them that they go out and hurt kill some of them when they come across one of them Why are there so many men abusing hurting and killing their wife their children and other people Are we only blind to our own rights that we are not giving other people the right they deserve and should get Why are there so many young girls getting pregnant and when they have their babies they abandon them or kill them Why are there so many young women becoming prostitutes Why are there so many boys and girls born different than others Here you will find the answer to many questions that the teachers don t teach in school churches or the people who goes door to door preaching don t tell them Here you will read about why there is so much anger hate rage many young boys and girls failing in life mothers destroying the lives of their children and why so many men are destroying so many lives After you read this book you will see life very different be a better parent Understand why there are so many people angry enraged full of hate what happened to those men who committed so terrible crimes and why they did it **A Touch of Class** Carol Vanderheyden,2003 We always have time for the things we put first Most people get ahead during the time that others waste Successful people try practice and wander down blind alleys They pay their dues but don t give up These are just a few of the thousands of quotes I have collected and used to inspire and challenge hundreds of students and educators during my thirty year teaching career I have compiled these quotes along with historical quotes and documents into a comprehensive book entitled A Touch of Class This book is meant to be a tool and an asset to any classroom instructor I envision this book as a resource for classroom banners and wall charts In an era of cultural changes and a need or quest for teachers to find tools to enhance character building in our young people I believe using meaningful quotes to teach life lessons was met with personal success in my classroom It is my desire to inspire other teachers to use

quotes as part of their daily routine classroom experience It will help alleviate behavioral problems in the classroom and aid our children s growth toward good citizenship Many interesting spontaneous and enlightening discussions may follow as students share their interpretations The art of deciphering quotes and writing interpretations is a classy way to start your day hence the title A Touch of Class A Touch of Class is divided into three sections designed for educators of all grade levels Section 1 A Wealth of Wisdom for Teachers Includes topics like discipline and motivation Section 2 The Making of a Great Nation Includes historical quotes and documents Section 3 Earth s Wonders and Resources Includes quotes related to scientific topics This treasure of quotes is designed to be a continuous source of strength encouragement joy and enrichment through your teaching career

Apuleius' Platonism Richard Fletcher, 2014-07-17 Apuleius of Madauros writing in the latter half of the second century CE in Roman North Africa is best known to us today for his Latin fiction the *Metamorphoses* aka The Golden Ass about a man who turned into a donkey and back again However he was also a Platonic philosopher who even though many of his writings are lost wrote a range of rhetorical and philosophical works which survive to this day This book examines these works to reveal how Apuleius Platonism is a result of his impersonation of philosophy that is a rhetorically powerful methodological tool that allows him to speak on behalf of Plato and his philosophy This book is the first exploration of the full scope of his idiosyncratic brand of Platonism across his multifarious literary corpus and is a major contribution to the study of the dynamic between literature and philosophy in antiquity and beyond
