Love and Success, and Other Essays Karl Stern, 1977-01-01 *The Myth of Romantic Love and Other Essays* Michael Novak, 2017-07-28 Written by noted Catholic philosopher Michael Novak the selections in *The Myth of Romantic Love and Other Essays* highlight the arc of his intellectual career Collectively demonstrating the fundamental unity of Novak's work the sixteen essays in this book span a broad range of political economic and social topics The selections offer clarity of thinking for the sake of concrete ends For example *The Myth of Romantic Love* the chapter from which the title of this work is drawn sharply distinguishes the love that popular culture portrays from the true Christian vision of love And *The Family out of Favor* argues if things go well with the family life is worth living when the family falters life falls apart Thus true Christian love manifest in marriage and family life is a greater resource for civilized society than any other institution Although this collection shows that Novak's viewpoints did evolve over time he remains a thinker that is clearly rooted in the ancient and medieval Catholic tradition From his discussions of gender relations to economics culture and politics his perspective honors the primacy of man and his immediate experience and thereby ultimately glorifies the Creator Novak's writing will infuriate some readers and inspire many others but both comrades in arms and intellectual opponents will find the clarity and intensity of his writings undeniable *Successful Essay Writing for Senior High School, College and University* Barry Spurr, 2005 Following a history of Chinese calligraphy going all the way back to the pictographic beginnings of Chinese writing more than 4 000 years ago the author explains the basic construction of individual characters and the ways in which calligraphy is used by Chinese artists including calligraphic seals and inscriptions on paintings *The Unknown* Karen Horney Karen Horney, MD M.D., Karen Horney, 2000-01-01 Contains previously unpublished and uncollected works of Karen Horney **My 1980s & Other Essays** Wayne Koestenbaum, 2024-05-01 Wayne Koestenbaum returns with a zesty and hyper literate collection of personal and critical essays on the 1980s including essays on major cultural figures such as Andy Warhol and Brigitte Bardot Wayne Koestenbaum has been described as an impossible lovechild from a late night drunken three way between Joan Didion Roland Barthes and Susan Sontag Bidoun In *My 1980s and Other Essays* a collection of extravagant range and style he rises to the challenge of that improbable description *My 1980s and Other Essays* opens with a series of manifestos or perhaps more appropriately a series of impassioned disclosures intellectual and personal It then proceeds to wrestle with a series of major cultural figures the author's own lodestars and lodestones literary John Ashbery Roberto Bolaño James Schuyler artistic Diane Arbus Cindy Sherman Andy Warhol and simply iconic Brigitte Bardot Cary Grant Lana Turner And then there is the personal the voice the style the flair that is unquestionably Koestenbaum It amounts to a kind of intellectual autobiography that culminates in a string of passionate calls to creativity arguments in favor of detail and nuance and attention a defense of pleasure hunger and desire in culture and experience Koestenbaum is perched on the cusp of being a true public intellectual his venues are more mainstream than academic his style is eye

catching his prose unfailingly witty and passionate his interests profoundly wide ranging and popular My 1980s should be the book that pushes Koestenbaum off that cusp and truly into the public eye **National Library of Medicine Current**

Literary Education and Other Essays Joseph Epstein, 2014-06-01 Who invented the personal essay That is hard to say The ancient Roman philosopher and cynical power broker Seneca The 16th century French philosopher Montaigne certainly brought it to a peak of perfection There were many 19th century masters not so many after that Who is the greatest living essayist writing in English That requires no debate at all It is unquestionably Joseph Epstein He is not only the best living essayist he is right up there in the company of Seneca and Montaigne but one of our own living in our era and dealing with our pleasures and travails Epstein is penetrating

He is witty He has a magic touch with words that hard to define but immediately recognizable quality called style Above all he is impossible to put down Epstein reads omnivorously and brings us the best of what he reads passages that we would never have found on our own How easy it is today in the digital age drowning in emails and other ephemera to forget the simple delight of reading for no intended purpose Like any master essayist however this one brings us more than the shared experience of a lifetime of reading He brings us himself alternately scolding and charming sparkling and deep buoyant and sad zany and wise rebellious and conservative bookworm and sports fan clever and everyman debunker and preservationist deep into high culture deep into low culture curious fresh and settled in his ways This is the friend we all wish we could have the ideal humane companion who is completely comfortable in his own human skin Like Plutarch he gives us life teaching by example but with a wry smile and such a sure hand that we hardly notice the instruction It is pure pleasure **100**
