A Love Beyond Words Sherryl Woods, 2009-06-01 Rescuing Allie Matthews from the rubble of her home should have

been all in a day's work for Ricky Wilder. But her quiet intensity sparked his protective instincts and unexpectedly the sexy Latino invited Allie to stay with him during her home's renovations. Soon the feisty beauty had Ricky rethinking his bachelor ways. Yet how could he prove his love when he couldn't find the words? Vulnerable Allie preferred her life predictable and risk-free until Ricky stormed her heart and coaxed her out of her cautious world. Living with Ricky set Allie spinning in an emotional whirlwind but could she trust her love to a man who lived his whole life on the edge? *Love Beyond the Grave* Hans Holzer, 2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind. To some they are inseparable when the body dies so does the mind. But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body. These people accept the existence of the spirit as the eternal factor of human life believing that this part of man does not die when the body dies but continues its existence beyond death. According to Dr. Hans Holzer, author of *Love Beyond the Grave* and many other books on the spiritual world, we already have a wealth of hard evidence regarding this next state of existence. Strong emotions are considered essential in order to make contact with someone from the spiritual world. We usually equate such emotions with anger or with crimes of passion. Dr. Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in *Love Beyond the Grave* he gives many examples of such relationships including Sally and the Highwayman, The Case of the Spurned Lover, The Strange Case of the Psychic Callgirl, The Ghostly Bedmate, and The Affair. Death Could Not Stop This is an extraordinary collection of twenty-one cases of love beyond the grave, all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy. **Love Beyond the Scroll** Victor Lane, 2025-09-16 In an era where constant notifications fight for our focus, maintaining a long-distance relationship can feel like an impossible challenge. The attention economy has rewired how we connect, often leaving couples stretched thin between devotion and distraction. But with the right rituals, distance doesn't have to mean disconnection. *Love Beyond the Scroll* offers a blueprint for building closeness across miles, screens, and busy lives. Blending psychology, practical exercises, and modern communication strategies, this guide empowers couples to design rituals that foster intimacy, trust, and emotional security even when time zones and tech interruptions get in the way. You'll discover how to create meaningful touchpoints that go far beyond generic texts, establish rituals that actually stick, and balance independence with deep connection. Whether you're newly apart or seasoned at managing distance, this book shows how to keep passion alive, reduce conflict, and build a future worth waiting for. Don't just survive long distance; thrive in it. Turn distractions into opportunities and make your love the anchor that holds strong, no matter the miles. *Love Beyond the Curve* Kate Patrick, BookStrand Rubenesque Romance HEA Charlotte Hamilton has just moved to Memphis to begin a new job at St. Jude's Children's Research Hospital.
