

A stylized illustration in a graphic, geometric style. The background is composed of large, angular shapes in shades of blue and red. In the upper left, a large red shape with diagonal blue lines suggests a sail or a wing. Below it, a dark silhouette of a person is shown swimming or floating in a blue area with horizontal lines. The person's arms are extended forward, and their legs are bent. The overall composition is dynamic and abstract.

Love & Eroticism Mike Featherstone, 1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism

Love Erotici **Erotic Love in Sociology, Philosophy and Literature** Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day *Erotic Love in Sociology Philosophy and Literature* shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life *Erotic Love in Sociology Philosophy and Literature* recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

The Mechanics of Divine Foreknowledge and Providence T. Ryan Byerly, 2014-08-28 How exactly could God achieve infallible foreknowledge of every future event including the free actions of human persons How could God exercise careful providence over these same events Byerly offers a novel response

to these important questions by contending that God exercises providence and achieves foreknowledge by ordering the times. The first part of the book defends the importance of the above questions. After characterizing the contemporary freedom foreknowledge debate, Byerly argues that it has focused too narrowly on a certain argument for theological fatalism which attempts to show that the existence of infallible divine foreknowledge poses a unique threat to the existence of creaturely libertarian freedom. Byerly contends, however, that bare existence of infallible divine foreknowledge cannot threaten freedom in this way; at most the mechanics whereby this foreknowledge is achieved might so threaten human freedom. In the second part of the book, Byerly develops a model for understanding the mechanics whereby infallible foreknowledge is achieved that would not threaten creaturely libertarian freedom. According to the model, God infallibly foreknows every future event because God has placed the times that constitute the history of the world in primitive earlier than relations to one another. After defending the consistency of this model of the mechanics of divine foreknowledge with creaturely libertarian freedom, the author applies it to divine providence more generally. A novel defense of concurrentism is the result. **Committed**

Elizabeth Gilbert, 2010-01-05. The #1 New York Times bestselling follow-up to *Eat Pray Love*, an intimate and erudite celebration of love from the author of *Big Magic* and *City of Girls*. At the end of her bestselling memoir *Eat Pray Love*, Elizabeth Gilbert fell in love with Felipe, a Brazilian-born man of Australian citizenship who'd been living in Indonesia when they met. Resettling in America, the couple swore eternal fidelity to each other but also swore to never ever under any circumstances get legally married. Both were survivors of previous bad divorces. Enough said. But providence intervened one day in the form of the United States government, which after unexpectedly detaining Felipe at an American border crossing gave the couple a choice: they could either get married or Felipe would never be allowed to enter the country again. Having been effectively sentenced to wed, Gilbert tackled her fears of marriage by delving into this topic completely, trying with all her might to discover through historical research, interviews, and much personal reflection what this stubbornly enduring old institution actually is. Told with Gilbert's trademark wit, intelligence, and compassion, *Committed* attempts to turn on all the lights when it comes to matrimony, frankly examining questions of compatibility, infatuation, fidelity, family, tradition, social expectations, divorce risks, and humbling responsibilities. Gilbert's memoir is ultimately a clear-eyed celebration of love with all the complexity and consequence that real love in the real world actually entails. New Beginnings Lily

Bernard, 2018-03-17. *New Beginnings* is a captivating take on *Pride and Prejudice* wherein Wickham's back story is developed as a counterpoint to the classic tale of love and courtship. A heartbroken Wickham leaves Pemberley swearing revenge on Fitzwilliam Darcy and everyone he cares about. Darcy is in Hertfordshire helping Bingley and falling in love with Elizabeth Bennet. The happy couple is walking to Longbourn to receive Mr. Bennet's permission and blessing when Darcy receives an urgent express which will change their lives. Can Darcy and Elizabeth find happiness when Wickham has threatened to destroy them? Can Elizabeth find happiness without Darcy in her life? These questions and many more will be answered in *New*
