immigrated to America to join her aunt The only asset she had when she left home was her strong faith in God to carry her through the great world she was destined to conquer Through God s grace she found a job in a prestigious firm in Los Angeles She s incredibly brilliant courageous and not intimidated by what s ahead of her These are some of the tools which Emily used to reach her greatest success in becoming the chief quality technical consultant of the Finance Circuit Optimum Company Luke a very handsome and intelligent young man was a general manager of the firm to which Emily reported for duty His success in running his department is due to his never daunting leadership He is greatly admired and respected by the people under his management Because of his good judgment and influence he eventually got promoted to executive vice president of the company There was an instant connection between him and Emily ever since they met Over the years of working together they found strength in one another including lifting each other s spirit when things became grim at work As time went on their friendship developed into a romantic relationship As their love for each other grew deeper they relied more and more on the Lord s guidance Luke s visit to Emily s home in the Philippines and meeting her family became the pivotal point in his quest for happiness and peace Most of all Emily s world may be as far away from Luke s world but the world they live in is totally in God s hands Although there is a disparity between Luke s and Emily s world it really didn t matter to them for their deep love for each other will ultimately prevail because love knows no bounds **The Color of Life**

Laura A. Fisher,2010-04-23 The Color of Life Blood and Tears is a collection of poems by Laura A Fisher that were written between the years of 2008 2009 It has two chapters In the first chapter the poems speak about different aspects of life It speaks of life s structure genuine happiness love slavery and many other things In the second chapter the poems speak about the painful aspects of life It speaks of heartache sadness instability slavery death and many other things This book is part of my personal collection other books include Life Love and Letting Go and In the Heart of a Glass Knight **Love** Zia

Oboodiyat,2020-09-02 Book Delisted **Greater Love Has No Man** Rita Leonty-Favreau,2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate

When Courtney Willard sets out to manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope **Emotions of Love** R. L. Canham,2013-07 Emotions of Love presents a poetry collection about love confusion and the challenging decisions one has to make in life Each verse considers what is right for each of us at any particular moment in our lives There are no true answers in this poetry only author R L Canham s explanations of his emotions and explorations of how he feels Perhaps you ve felt the same or been in similar situations When Canham began writing poetry he wanted simply to say I love you to someone special He did so and the lady in question loved his poems as time went on however some things changed as all things do He turned to poetry to explore life and the challenges that each of us face From the beauty of love to the pain of the last goodbye Canham captures the thoughts and feelings that shape our world Our Life To hold her hand to walk with her To see her smile to hear her laugh To kiss her with such desire To hold her in my arms to feel her warmth To fall asleep in each other s arms To share the wonder of what life will bring us To know one day that our hearts are one To live and love like no other To know at last that fate has won *Truth's Pathway to Peace and Happiness* John A. time in Kosair Children s Hospital until he walked out of his braces A lot of years have passed then one day when he was nineteen he began to write about his childhood He soon after that decided to write more He discovered that he had a special gift from God So he began to write about all of his pathways and lifestyles Throughout his life everything that happened to his life he wrote into a poem all of his love and all of his broken heart He decided one day for all of his babies to come to life So he decided to write a book where everybody in the world can not only enjoy the poem but also can relate to it Sometimes when something makes it to the news he writes about the situations and puts it into a poem After forty years of writing he decides the time has finally arrived for the world to be introduced to all of his poetry He realized that he has a great God gift and is blessed to have many people who have so much love and respect to his poetry *God's Love Knows No Limits* Tylia L. Flores,2024-12-21 Have you ever felt different Like you don t quite fit in This book is about discovering that even when we feel different God loves us just the way we are Inside you ll meet amazing people from the Bible who faced challenges and yet showed incredible faith You ll hear about the shepherd who went to great lengths to find his one lost sheep showing us how much God cares about each and every one of us no matter what You ll learn about Zacchaeus a small man with a big heart who showed everyone that faith comes in all sizes And you ll see how Jesus always showed kindness and compassion to everyone He met especially those who were struggling This book isn t just about stories it s about understanding that God s love is a big warm blanket that wraps around us all It s a love that welcomes everyone celebrates our differences and makes us feel safe and loved It s about learning to love and accept others just as God loves and accepts us We ll explore how everyone has special gifts and talents and how these gifts make our world a more interesting and beautiful place Get ready for heartwarming stories beautiful pictures and a powerful message about God s boundless love for you Remember you are special you are loved and you are wonderfully made Let s open our hearts and discover the joy of belonging **The Commandments in the New Testament Gospels** Bea Baldrige,2015-01-30 The Commandments in the New Testament Gospels is about how Christians are supposed to live under Jesus commandments For many years I have noticed many people who are confused about how Christians are supposed to live But are the Ten Commandments in the New Testament And should we follow them We need to question which parts of the Bible are written to us which parts are written for us and which parts are for our moral guidance Most of all we need to go back to the first century and see how the followers of Jesus lived We need to learn the customs at that time the idioms of their speech We need to be aware of what the first century political climate was like in order to understand the New Testament The Book of Hebrews talks a lot about the Order of Melchizedek What is that order This book will explore this along with one core question What is the secret that believers have been missing all these years about what God expects from us Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are Journey Beyond Linear Time Raphael Jara,2016-11-28 What would it be like to transcend the limitations on planet earth How intriguing would it be to experience

life through a higher mind with significantly broader experiences than you ever imagined Journey Beyond Linear Time reveals that heaven is neither up there nor out there somewhere Instead it is right here where we stand The author has walked on this earth in pure spirit multiple times in this incarnation He has seen inside others and recognized their scars their pain and the troubles they bore He has had divine experiences right here on earth which most would consider out of this world And he has been inside the massive and expansive energy field we refer to as God He states that it exists it is substantive and it is where we come from The author of Journey Beyond Linear Time Raphael Jara was born spiritually awake and is now sharing some of his own extraordinary experiences here on earth He takes the reader on a journey through our earthly indulgence in simple mind and opens the pathway for us to realize who we truly are And that realization will bring us to the truth of our existence and the reason for which we take this journey to the denseness of planet earth He states A profound truth is that we are multidimensional beings having a human experience with the ability to transform ourselves from our limiting human capacity into our divine essence with capabilities beyond the imagined And with this higher level of consciousness we can then live our lives through truth and not through the unconsciousness that appeases the simple mind Our capability far transcends our human limitations for we are the expressions of the universal self **Forever Love** Kathy Brocks,2010-08-09 Forever Love is a collection of poems about different types of love It s about how we make mistakes in choices and how there is always a way out Forever Love is about finding that good thing and staying faithful and how betrayal hurts and goes beyond ourselves Love is kind builds up and is endless with nurture **A Study of the Twelve Apostles** Glenn Cummings,2009 This book will give the reader a better understanding and appreciation for the twelve apostles It is biblically based and includes many scriptural references We learn from this study that God uses ordinary average men to accomplish great things for Him These disciples had their faults and failures their strengths and weaknesses their victories and defeats just like we do They were special men chosen by our Lord Jesus Christ Love Larry Cochran,2017-02-12 Love is not a topic that people look at when it comes to war and warfare but it really should be The Christian is commanded to love God and their neighbor but too many have thrown away this weapon in hopes of fighting with the same tools the world uses That is a big mistake when it is not just a weapon Love is an essential proof of salvation and it is the entire journey of the Christian *Seeing Is Believing* Parveen Smith,2007-11-27 A journey into the mysterious and spiritual world of Angels One woman s account of angelic experiences and the way that it inspired her and changed her life *RHAPSODY OF LOVE:Rediscovering Your Inner Harmony Through Love and Meditation* Layo Obidike,2024-02-29 RHAPSODY OF LOVE Rediscovering Your Inner Harmony Through Love and Meditation Layo Obidike LO Publications *Purpose To Love* Yulli Bouza,2019-01-28 Sometimes the love created in our minds by society culture or family systems serve no purpose in our relationships This book will challenge the internal and external realities of love formed by society culture and family systems Seeing love with a different perception will change how you will experience love with purpose

The Book of L. O. T.: The Book of Love, Obedience, and Truth Dr. Carrie M. Burks, 2016-06-07 There is a cost to walk with an anointing such as that of Prophetess Minister Teacher and Evangelist Carrie Machell Burks Recognizing Truth the infallible uncensored undeniable Word of God and surrendering your life your very existence your finite mind to walk in Obedience to what the Truth says allows you to Love unconditionally as Christ has loved the church Author Carrie Machell Burks from a child to adulthood is not perfect but indeed has walked a surrendered life in submission to her heavenly Father She is one that has answered the call wherever it may take or cost her to herald the Word of Truth As you read this work experience love afresh from the Father the Son and the Holy Spirit Allow it to re member you in your spirit soul and body Choose daily to become more of a doer than just a hearer of the Word the Truth Vanessa Washington Slater **Precepts for a Godly Courtship** Phaedra H. McLaughlin, 2015-08-07 Finding love is not an easy task for anyone especially when we live in a hyper sexualized world As Christians we are supposed to be in the world but not of it So why then do we approach dating in the same manner as the world Precepts for a Godly Courtship is written to help guide you on your path to finding the love God has for you according to His Word With the help of the Holy Spirit McLaughlin writes with honesty and candor as she weaves her personal experiences together with Scripture and Godly wisdom addressing the issues that face Christians today who are seeking love Whether you are a single adult seeking to equip yourself for dating a member of a Christian book club or ministry a newly engaged couple or want to sow this book as a gift into someone s life your views on contemporary dating will be challenged Read it today *Out of the Ashes Rises the Sequoia Tree* Farangiss Sedaghatpour, 2018-01-23 The journey of our lives brings us to many unknown painful fearful places and yet its in these places that has the possibility of connecting us to our divine purpose and is where we come to know pure love Out of the Ashes Rises the Sequoia Tree is the authors journey through the most painful and fearful time of her life her beloved husbands death It is what she has come to know to be true how to embrace the pain and allow the pain to unleash hidden qualities of the soul Its to know pain but also know love to know loss but also know being renewed to know darkness but also know surrender Its the integration of these seemingly opposite forces in our lives and ultimately its transcendence
