Making Love to Roget's Wife (c) Ronald Koertge, 1997 In plain unpretentious language with brutal honesty Ron Koertge can meld violence love human ugliness joy and modern depravity into a short lyric that makes us laugh out loud or socks us in the gut His images arrive in giant clown shoes cigars the size of Florida the plastic man s counter length arms or neatly packaged in carefully observed detail as he writes of the black little hearts of ants or an ape s dark and leathery breast Through every poem there runs a constant and sincere humanity a voice that laughs at itself often goads us a bit but always stuns and

enlightens us when we discover something of ourselves gambling with the crowd at the racetrack driving from the parking lot of the Mexican restaurant or shambling with the distraught parent leaving the hospital In *Making Love to Roget's Wife* Ron Koertge offers his best work from twenty three years and a dozen earlier collections With twenty five new poems and over eighty from previous books this selection reawakens us to the presence of a superbly honed comic voice **I Love Dick** Chris Kraus, 2016-07-22 A self described failed filmmaker falls obsessively in love with her theorist husband's colleague a manifesto for a new kind of feminism and the power of first person narration In *I Love Dick* published in 1997 Chris Kraus author of *Aliens Anorexia Torpor* and *Video Green* boldly tore away the veil that separates fiction from reality and privacy from self expression It's no wonder that *I Love Dick* instantly elicited violent controversies and attracted a host of passionate admirers The story is gripping enough in 1994 a married failed independent filmmaker turning forty falls in love with a well known theorist and endeavors to seduce him with the help of her husband But when the theorist refuses to answer her letters the husband and wife continue the correspondence for each other instead imagining the fling the wife wishes to have with Dick What follows is a breathless pursuit that takes the woman across America and away from her husband and far beyond her original infatuation into a discovery of the transformative power of first person narrative *I Love Dick* is a manifesto for a new kind of feminist who isn't afraid to burn through her own narcissism in order to assume responsibility for herself and for all the injustice in world and it's a book you won't put down until the author's final heroic acts of self revelation and transformation *They Called Us Love* Deborah Meroff, 2018-10-18 Going to Africa would cost April everything She went anyway From a young age April Holden was diagnosed with chronic health problems that restricted what she could and could not do Growing up in St Helens Merseyside April was a frail child who knew pain and resistance her whole life But at just seven years old she came to faith and was convinced that God had called her to leave her home behind and move to Africa When in university she was finally old enough to apply to work with street children in Africa but was turned down That didn't stop her Nothing would After training to become a teacher April applied again to leave the UK behind and serve God in Africa This time she got a step closer to her calling she was sent to Egypt for training Soon after her chance came She transferred to one of the most tumultuous war torn regions of North Africa There she set up homes for boys scarred by war fleeing violence seeking safety There she God do the impossible and offer a beacon of hope in an area of conflict and fear She also saw her own life thrust into danger as political shifts had turned many of the population against anyone who looked like her like the American forces that were now invading After escapes that were too close for comfort April returned to the UK But her work wasn't finished yet A remarkable story of one woman's complete faith in God *They Called Us Love* is a moving and powerful real life story of mission and ministry *Standing In The Shadows Of Love* Nina Corbett, 2005 Ashley Taylor is determined to have a baby whether she finds Mr Right or not while her best friend Maya finally breaks off her long term relationship with her controlling boyfriend and revels in her newfound freedom *Tales of Travel, Life and Love* George

part of God's creation design from before sin entered this world. While departing from cognitive neuropsychology and the latest learning from science, this seminar furthers the idea that race relations are not to be understood by sociology and science but by Bible and Christian beliefs. If you want to learn a non-CRT critical race theory approach to race relations while risking being again convicted of the need to reach out to the other in gospel love, enter into dialogue with the author by reading his book and let us pray together. If you want to keep it safe and your intercultural relationships as they are in a tongue-in-cheek way, the author advises to stay away from this book. *Looking for a Love Story* Louise Shaffer, 2010. Shaffer's warm, wonderfully inspiring novel follows a woman who has lost her way but just might discover who she's meant to be.
