

A serene sunset over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is a deep blue-grey, with white foam from the waves visible. In the foreground, dark, jagged rocks are partially submerged, with waves crashing against them. The overall mood is peaceful and contemplative.

Love is a verb. Love – the feeling – is the fruit of love the verb or our loving actions. So love her. Sacrifice. Listen to her. Empathize. Appreciate. Affirm her.

Love Is A Verb Loving On Purpose:

Love Is a Verb! Patricia Anderson, 2006-01-01 Are you looking for love and don't understand it? Would you like to maximize love's power in a relationship? Maybe you need healing from a past relationship or are uncertain about a current relationship. Do you ever ask, "Do I know what love is?" Am I demonstrating love? This book is helpful for readers in all walks of life and contains more answers than questions. Love is a Verb dispels common misconceptions about love. Explains why it is a mistake to attribute only feelings to love. Observes the world's definition of love and why we operate in conditional, transactional and perception-based love. Takes you past the most significant barrier to love: fear. Teaches you how to love God, yourself and others.

BulletProof Your Marriage Margaret McCracken, 2015-09-10 Is a genuinely happy marriage attainable? Are there any solutions to the issues of separation and divorce? Can we face the pressures which subtly seduce us away from the priority of marriage? Margaret McCracken believes the answer is a resounding yes. With empathy, humour, sensitivity and practical wisdom, Bulletproof Your Marriage gives powerful insights into a marriage that will withstand the test of time. If you desire a home filled with contentment, peace and some much-needed fun, this resource will inspire you to rekindle the wonder and beauty of a loving marriage relationship. Without judgement, Margaret works her way through some of the core issues that too often turn God's intentions for marriage into a battlefield. This book brings strength and hope into marriages, giving failing marriages a fighting chance and offering good marriages the tools to become even greater.

How to Be an Adult in Love David Richo, 2014-01-07 We were made to love and be loved. Loving ourselves and others is in our genetic code. It's nothing other than the purpose of our lives, but knowing that doesn't make it easy to do. We may find it a challenge to love ourselves. We may have a hard time letting love in from others. We're often afraid of getting hurt. It is also sometimes scary for us to share love with those around us, and love that isn't shared leaves us feeling flat and unfulfilled. David Richo provides the tools here for learning how to love in evolved adult ways, beginning with getting past the barriers that keep us from loving ourselves, then showing how we can learn to open to love others. He provides wisdom from Buddhism, psychology and a range of spiritual traditions, along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives. He then leads us on to love's inevitable outcome: developing a heart that loves universally and indiscriminately. This transcendent and unconditional love isn't just for a heroic few. Dave shows it's everyone's magnificent calling.
