Love Letters A Little Anthology Of Passion:

Love Letters Michelle Lovric, 2001-12-07 Shoppers just can't resist. They scan the beautiful covers of our Little Books and feel compelled to pick up at least one of these miniature treasures. That certainly helps account for the four and a half million Little Books we sell annually. These miniature volumes make such wonderful gifts with their range of topics, pleasing designs, and unique ability to convey the very essence of their subjects. They are colorful, creative, and a delight to give and receive. The Fall 2001 list includes a profusion of selections. We're offering choices that cover everything from warm relationships to hard-nosed business advice. Chris Shea's two Little Books display the best of both parenting and grandparenting. Parenting also gets a decidedly humorous touch in Jim Dale's look at Jewish mothers, while Michael Cader has fun with mothers, fathers, and everyone getting older in his hilarious diminutive tomes. Our Little Book list also reflects a variety of women's interests. Cate Holly's teen spin on friends, moms, and sisters. Michelle Lovric's letters between women and among lovers, and Laura Boswell's outstanding collection of quotations regarding business. This beautiful book of words between women celebrates the many ages and stages in women's lives. Includes miniature envelopes with letter inserts. *Love Letters* Michelle Lovric, 1994. A romantic interactive gift book with facsimiles of real letters and quotations from five centuries of real-life love letters. These are arranged thematically, tracing the natural history of romantic love from the first Revelation to full-fired Passion with Adoration, Propositions, Hesitation, and Supplication along the way, followed by Possession, Celebration, Felicitations, and Domestication. The experience of opening a real love letter for the first time is recreated; envelopes and packets contain facsimiles of real love letters from eloquent lovers. Textured papers, Victorian paintings, lithographs, and line drawings complement the design. *Love Letters* Michelle Janning, 2018-06-14. In today's world of Tinder and texting, do we write and save love letters anymore? Are we more likely to save a screenshot of a text exchange or a box of paper letters from a lover? How might these different ways to store a love letter make us feel? Sociologist Michelle Janning's *Love Letters: Saving Romance in the Digital Age* offers a new twist on the study of love letters: what people do with them and whether digital or paper format matters. Through stories, a rich review of past research, and her own survey findings, Janning uncovers whether and how people from different groups, including gender and age, approach their love letter curatorial practices in an era when digitization of communication is nearly ubiquitous. She investigates the importance of space and time, showing how our connection to the material world and our attraction to nostalgia matter in actions as seemingly small and private as saving, storing, stumbling upon, or even burning a love letter. Janning provides a framework for understanding why someone may prefer digital or paper love letters and what that preference says about a person's access and attachment to powerful cultural values such as individualization, taking time in a hectic world, longevity, privacy, and keeping cherished things in a safe place. Ultimately, Janning contends the cultural values that tell us how romantic love should be defined are more powerful than the format our love letters take. *Hearts Entwined: A Valentine's Anthology* Karina Prasad, *Hearts Entwined*

Oxford Anthology of the Brazilian Short Story K. David Jackson, 2006-08-31. The Oxford Anthology of the Brazilian Short Story contains a selection of short stories by the best known authors in Brazilian literature from the late nineteenth century to the present. With few exceptions, these stories have appeared in English translation, although widely separated in time and often published in obscure journals. Here they are united in a coherent edition representing Brazil's modern, vibrant literature and culture. J. M. Machado de Assis, who first perfected the genre, wrote at least sixty stories considered to be masterpieces of world literature. Ten of his stories are included here and are accompanied by strong and diverse representations of the contemporary story in Brazil, featuring nine stories by Clarice Lispector and seven by João Guimarães Rosa. The remaining 34 authors include Mário de Andrade, Graciliano Ramos, Osman Lins, Dalton Trevisan, and other major names whose stories in translation exhibit profound artistry. The anthology is divided into four major periods: Tropical Belle Époque, Modernism, Modernism at Mid-Century, and Contemporary Views. There is a general introduction to Brazilian literary culture and introductions to each of the four sections, with descriptions of the authors and a general bibliography on Brazil and Brazilian literature in English. It includes stories of innovation: Mário de Andrade's psychological suspense, Graciliano Ramos's satire and perversion, Dalton Trevisan's altered realities and perceptions, Murilo Rubião's repression and sexuality, Hilda Hilst's myth, Nílkida Pinheiro's urban life, Lygia Fagundes Telles's Rubem Fonseca's oral tale, Jorge Amado's Rachel de Queiroz, and other overarching themes and issues of Brazilian culture. The anthology concludes with a haunting story set in the opera theater in Manaus by one of Brazil's most recently successful writers, Milton Hatoum.
