A Grandmother's Love Sherita Brown, 2024-12-11 Around the world in many cultures there are grandparents who raise their grandkids These grandparents have stepped into the role of parents stepping up when their grandchildren needed them the most sometimes when the children s parents are unable or unwilling to do so A Grandmother s Love seeks to let them know that they are not alone and to communicate to

grandchildren that they are blessings to their grandparents hearts Author Sherita Brown describes three Colorado grandmothers herself among them who have stood in the gap for one another helping raise their grandchildren together Grandparents take pride in passing down wisdom and knowledge can find joy in learning from younger perspectives and are valuable to their grandkids futures and their lives Sometimes grandparents may feel robbed of their roles because they must take over disciplining the child as the parent should But in this way they can grant their grandchildren better lives better education and the opportunity to fulfill their dreams This inspirational personal narrative of grandmotherly love shares one woman s family history and offers connection to grandparents raising their grandchildren *Love Letters to Miscarried Moms* Samantha Evans,2011-01-14 The word miscarriage in today s culture is a dirty word rarely discussed and grossly misunderstood Yet one out of four pregnancies ends in this tragedy Where are these women Samantha wondered after her miscarriage Slowly quietly women began to approach her but Ive had a miscarriage too was all they could offer Samantha realized that she had unwittingly become a member in an underground secret society of women who suffer alone in silence Love Letters is the story of her journey the same journey that each mother who miscarries begrudgingly embarks on the excitement of pregnancy the overwhelming unfathomable devastation and loss the grotesque details that no one speaks of the uphill road toward hope and freedom and the Savior who walks beside her every step of the way Though she stumbles she will not fall for the Lord upholds her with His right hand Psalm 37:24 *Questions Where Are You?* Susanna Newton,2013-02-06 Prayers were sought for a mate who would love her as much as she had him Reluctant to go to the not so nice scene of the bar theme told God he would have to place him on her lap had not anticipated this man to be the one who could make her life miserable Taking away the little monies she received from an accident her struggles in life was nothing compared to the hell she was to face Sure there was a brief period of happiness but hell was soon placed at her feet leaving her to ask the question had her prayers been answered by God or Satan himself **Super Granny** Sally Wendkos Olds,2009 And there s something for even the most computer savvy kid along with more traditional forms of entertainment including treasure hunts dress up and crafts Many of the ideas encourage reading and writing but always with fun in mind such as creating a blog or a family cookbook Handy icons help Grandma pinpoint those projects that suit her pocketbook energy level and interests there s even one for long distance grandmothers seeking to connect with their grandkids **Catalogue of Copyright Entries ...** Library of Congress.
