of the Bible Duane L. Christensen, 2020-09-22 This landmark work represents an imaginative and important new analysis of the basic development of the Scriptures through the centuries Christensen explores the overall unity of the entire Bible not just as a collection of sixty six or seventy two individual books nor just as the Old and New Testaments but as a single literary work that comprises today's Christian Bible He shows how it emerged over the course of centuries in distinct stages The Hebrew Scriptures or Old Testament developed in three steps from the formation of the Pentateuch and Prophets that took place up to the time of Josiah in the seventh century B C E followed by the production of the Deuteronomic Canon during and following the Exile and then the completion of the whole Hebrew Canon as we now have it This was followed by a second major phase the development of the Apostolic writings to be added to the First Testament as a Second or New Testament After tracing the growth of the Bible in these stages Christensen examines the structure and literary art of each major section from the Pentateuch Torah to the New Testament

Revelations of the Divine Plan of the Ages Basil Hewitt, 2007-12 Chalk is a fictional story about a young man born in the coalmine country of rural Kentucky He was born in 1863 to an English father and Cherokee Indian mother Hard time and hard work filled his younger years When his parents were both gone he followed a life of managing horses doing blacksmith work and eventually found a good job on a Mississippi river boat His experience led him to become a trail boss on a Texas bound wagon train In Texas he found his life's calling got married and became a local peace officer At the same time he started ranching His love and skills with horses and his honest life style he practiced found favor with the Military and he became a horse supplier for the Calvary He was later drafted into military duty and rose rapidly in rank mustering out as a decorated Colonel As an author I used information to write the story that was handed down by my father and my wife's family My family had Cherokee roots and the stories my grandmother told me were very real She was born in 1847 endured the Civil war aftermath and saw the First World War take the lives of many fine young men My father and his brothers were in Pershing's Army and the stories they brought home were never forgotten These times were difficult for everyone and need to be remembered The lessons they contain are the real essence of how our country was able to grow to a major work power and leader in the cause for peace As a first time author this work is an

attempt to remind everyone that our nation has learned a lot but still has a lot more to learn A great nation will always see another opportunity to improve This is the American tradition *Anglo-American Encyclopedia* ,1910 *Golden day, Scripture stories* Henry William Dulcken,1881 **The Spirit of Acceleration** Tobe Momah, MD,2019-10-21 As many have had their hope deferred and their hearts sickened as a result The Spirit of Acceleration offers a rekindling of that hope The Spirit of Acceleration does in seconds or minutes what would normally take months or years to accomplish Wherever the Spirit of Acceleration dawns God quickens things up These last days are not a time for despair but a time for delight demonstration and deliverance According to apostle Peter it will be a time of refreshing and restitution of all things Acts 3 1921 This book espouses fundamental principles that guarantee speed and strength for the last day church before Jesus returns In this book God teaches believers to work with wisdom so they can be backed up by kingdom wealth and accomplish God s end time agenda The last day Spirit of Acceleration is God s last push to close the age and herald the return of the Lord Jesus Christ Only a church militant and on the move however can eject the enemy and get victory in life It takes speed to shine in life and going to manifest his glory God has saved the best for the last A glory that is unprecedented is about to shine forth from the church and it will herald his coming and be characterized by unusual speed and uncommon glory That is why in Romans 9 2830 the Bible says He will finish the work and cut it short in righteousness because a short work will the Lord make upon the earth so that the Gentiles which followed not after righteousness have attained to righteousness even the righteousness which is of faith
