Love Relations Normality And Pathology:

Love Relations Otto F. Kernberg, 1998-01-01 Internationally renowned psychoanalytic theorist and clinician Dr Otto Kernberg here examines the success and failure of sexual love in couples from adolescence to old age Dr Kernberg considers both normal and pathological relationships including the role of narcissism masochism and aggression in each The result expands the boundaries of our current understanding of love relations

Good Feelings Salman Akhtar, 2018-03-21 This tightly edited volume opens a new vista in psychoanalysis by focusing upon positive and life enhancing emotions and attitudes The realms it covers include love friendship enthusiasm courage tact resilience and forgiveness among others Seminal papers on these topics have existed but remain scattered throughout the psychoanalytic literature This book brings them together in a harmonious gestalt It is more than an anthology however Each paper is followed by a freshly written commentary that critically evaluates the paper and brings it in consonance with up to date contemporary psychoanalytic knowledge Issues of development adaptation psychopathology and analytic technique as these pertain to the positive dimension of affective experience are elucidated The book also deals with the broader and overarching issue of the goodness that accompanies causes and is enhanced by the positive emotions in consideration here Thus the ever elusive and puzzling issue of psychoanalytic morality finds a place in the discourse with all its rich and complex theoretical and technical implications

The Language of Emotions Salman Akhtar, Harold P. Blum, 2005-01-04 This book is about affect its origins development and uses and how it is viewed in a clinical setting The authors track and further develop the recent major changes in the understanding of affect From its roots in childhood development to its cross cultural aspects affect remains clinically relevant in issues such as aggression and forgiveness

The Tenacity of the Couple-Norm Sasha Roseneil, Isabel Crowhurst, Tone Hellesund, Ana Cristina Santos, Mariya Stoilova, 2020-11-05 The Tenacity of the Couple Norm explores the ongoing strength and insidious grip of couple normativity across changing landscapes of law policy and everyday life in four contrasting national contexts the UK Bulgaria Norway and Portugal By investigating how the couple norm is lived and experienced how it has changed over time and how it varies between places and social groups this book provides a detailed analysis of changing intimate citizenship regimes in Europe and makes a major intervention in understandings of the contemporary condition of personal life The authors develop the feminist concept of intimate citizenship and propose the new concept of intimate citizenship regime offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades Against the backdrop of processes of depatriarchalization liberalization pluralization and homonormalization the ongoing potency of the couple norm becomes ever clearer

How to Talk to a Narcissist Joan Jutta Lachkar, 2008-04-03 Much has been written about narcissism addressing not only its theoretical aspects its psychodynamics and the defense mechanisms within the spectrum of various kinds of narcissists Yet little if anything has been written about how to actually communicate with one or what Lachkar refers to as

the Language of Empathology This book focuses on specific communication styles in addressing patients with severe narcissistic personality pathology which can be extremely beneficial to mental health professionals who are often inundated with technical terms rather than offered a practical guide on how to actually talk to a narcissist How to Talk to a Narcissist is designed to be a guide useful to both beginning and seasoned practitioners The book is recommended to all clinicians treating individuals couples groups within the scope of various narcissistic personality disorders The book has many applications including use as a textbook for universities clinics graduate courses and analytic training institutes People in business partnerships commercial sales and human resources will also find the approach to communicating with a narcissist most valuable

Cold War Freud Dagmar Herzog, 2017 This book provides a panoramic history of psychoanalysis at its zenith as human nature was rethought in the wake of war and the global transformations that followed

The Internal World and Attachment Geoff Goodman, 2013-06-17 How asks Geoff Goodman in The Internal World and Attachment can we progress further in integrating the fruits of attachment research with the accumulated clinical wisdom of psychoanalytic theorizing about the internal world of object representations The key he answers is to look more closely at the basic assumptions of each body of theory especially those assumptions whether embedded or explicit that bear on the formation of psychic structure Drawing on Kernberg's insights into the affective and instinctual substrata of psychic organizations Goodman proposes that insecure attachment categories can be correlated with particular constellations of self and object representations Such convergences provide a springboard to further theoretical explanations most especially to the relations between attachment and adult sexual behavior Indeed one outstanding feature of Goodman's proposals is the light they cast on various forms and meanings of sexual psychopathology as he delineates how both promiscuity and retreats from sexual intimacy can be differentially interpreted depending on the patient's pattern of attachment Destined to provoke lively debate The Internal World and Attachment is a powerfully informative attempt to go beyond the researcher's view of attachment as a motivational system For Goodman attachment is informed by an internal logic that reflects fantasies and defense and an appreciation of the interaction of attachment pattern with various constellations of self and object representations can deepen our understanding of the internal world in clinically consequential ways Keeping his eye resolutely on the clinical texture of attachment observations and the clinical phenomenology expressive of internal object relations Goodman provides the reader with an experience near basis for viewing two influential bodies of knowledge as complementary avenues for apprehending the internal meaning of externally observable behavior

Besides Family Salman Akhtar, April Fallon, Rama Rao Gogineni, 2023-06-22 Collectively authored by psychoanalytic colleagues of multiple nationalities ages genders religious origins and meta theoretical persuasions Besides Family goes far beyond the usual orbit of parents and siblings Casting a wide net the contributors look at a number of key figures who may affect an individual's psychic development and functioning Each character receives a full chapter which highlights both the beneficial and adverse possibilities within these

relationships The book opens with a chapter on nannies tracing the centuries old history in the West and focusing on four renowned psychoanalysts Sigmund Freud Sandor Ferenczi John Bowlby and Wilfred Bion Next comes a discussion of neighbours using material from religious texts fiction and poetry This is followed by a chapter on childhood playmates and friends which examines the nature of friendship and how it develops across the lifespan School teachers come next using literature on teacher student relationships synthesised with psychoanalytic developmental theory Clergy is the next subject of discussion blending Judeo Christian religious customs with psychoanalytic developmental theory The developmental significance of adolescent peers is examined next using a blend of neurophysiology endocrine studies behavioral observations social cultural vectors and psychoanalytic insights A discussion of lovers and the myriad ways in which romantic relationships mirror early development is the penultimate chapter The book ends on the role of mentors and the evolution of the mentor mentee relationship taking into account the impact of age race and gender The authors integrate material from history anthropology sociology religion literature and film studies alongside vignettes from clinical practice and day to day life to bring theory to life This fascinating exploration is essential reading for practising clinicians and trainees to broaden their understanding of the impact of the wide network that surrounds us all

Family and Couple Psychoanalysis Elizabeth Palacios, David E. Scharff, 2018-05-08 This book explores family interaction and family psychoanalysis from varying standpoints used around the world It illustrates these with extensive clinical cases discussed from varying perspectives The book is the first in a series of volumes from the International Psychoanalytical Association's Working Group on Family and Couple Psychoanalysis drawn from its ongoing research into comparative theories and methods of working analytically with families and couples and with varying types of family structure It also applies lessons from family psychoanalysis to analytic theory and to the practice of individual psychoanalysis

How to Talk to a Borderline Joan Lachkar, 2011-01-07 In How to Talk to a Borderline Joan Lachkar introduces Borderline Personality Disorder BPD and outlines the challenges and difficulties it presents to clinicians She expands current understanding of BPD by outlining eight different kinds of borderline personality disorders and how each of these requires specific communication techniques and methods Case examples are offered throughout the text and in some cases describe the kinds of partners borderlines attract This book offers new approaches to communicating working with and treating borderline personality disorders while integrating more contemporary treatment methods

Common Complaints in Couple Therapy Joan Lachkar, 2014-05-09 Marriage and couple therapists see clients with broken relationships and bonds all the time those who were once madly in love can grow indifferent people change and couples go into sessions feeling depressed traumatized and sometimes abused by their partners Joan Lachkar examines the vicissitudes of love relations by taking into account aspects of aggression cruelty sadism envy and other primitive defenses lurking in the shadows of love and intimacy Each chapter revolves around a specific situational conflict with guidelines and treatment suggestions offered to the therapist Numerous vignettes and detailed

descriptions of theoretical technique methodology and diagnostic distinctions are included throughout the book to help readers see theory in action The theoretical concepts drawn on include psychoanalysis object relations self psychology attachment theory DBT mindfulness and others with a heavy emphasis on listening and non verbal and verbal communication throughout

Self Within Marriage Richard M. Zeitner, 2012-02-27 Self Within Marriage combines the theoretical orientations of object relations theory self psychology and systems theory as a way of understanding and working with couples and individuals whose relationship and emotional difficulties have centered on the common conundrum of balancing individuality and intimacy Based on detailed case examples and couple therapy techniques Self Within Marriage provides individual and couple therapists with a refreshing new framework for working with clients and for helping them understand who they are as individuals and as partners

Hate-work David W. Augsburger, 2004-01-01 Using stories case histories and correlating perspectives from psychology sociology and theology Augsburger explains how hate functions He also makes an argument for the moral imperative of moving from hate to justice and mercy in our dealings with one another

The Americanization of Narcissism Elizabeth Lunbeck, 2014-03-10 American social critics in the 1970s seized on narcissism as the sickness of the age But they missed the psychoanalytic breakthrough that championed it as the wellspring of ambition creativity and empathy Elizabeth Lunbeck's history opens a new view on the central questions faced by the self struggling amid the crosscurrents of modernity

More About Couples on the Couch Shelley Nathans, 2022-10-25 Following the critically acclaimed *Couples on the Couch* this volume offers further compelling ideas about couple psychotherapy from a psychoanalytic perspective The book well represents the foundational basis of the Tavistock model and draws deeply from the work of Freud Klein Bion Meltzer and the contemporary Kleinians while expanding the theoretical model by featuring ideas about couple relationships written from a variety of psychoanalytic frameworks These additional frameworks include Winnicottian Theory Fairbairn's Object Relations Theory Link Theory Self Psychology Attachment Theory Mentalization Theory and Contemporary Relational Theory This rich array of theoretical models presented with exemplifying clinical material results in a diverse assembly of papers that offer the reader an in depth and complex view of a psychoanalytic approach to understanding and working with the dynamics of couple relationships With clear clinical guidance this book will be invaluable for all psychoanalysts and psychotherapists working with couples

Family Identity Vittorio Cigoli, Eugenia Scabini, 2007-05-15 The audience for this book is researchers and students in family studies developmental psychology social psychology and clinical psychology The primary family themes are gender generations and lineage faith hope and justice gifts duties and d

The Sexual Century Ethel Spector Person, 1999-01-01 Over the course of the past century sexual liberation has transformed the way in which most of us regard our bodies and live our sexual lives Now a preeminent psychoanalytic theoretician on sex and gender discusses what has gone into this unquiet revolution the roles played by sexologists and

psychoanalysts antibiotics and birth control the liberation movements and Freud's insight that sex has as much to do with the mind as with the genitals In this collection of new and previously published papers Ethel Person writes of the centrality of sexuality to our identity She describes the role of fantasy in desire its different expression in the sexes and the way in which desire is inevitably intertwined with power Her classic papers on transvestism transsexualism and cross dressing homosexuals written with Lionel Ovesey help us to understand how gender and sex develop in all of us The public acceptance of the transsexual says Person is emblematic of the profound scientific and intellectual shifts that have taken place in the past hundred years The way that sex and gender develop and are experienced and expressed is the result not only of nature and nurture but also of the cultural zeitgeist its unspoken values and biases
