Marly Minchin

Love Storm:

Lovestorm Judith E. French, 2014-02-20 Lady Elizabeth Sommersett is the pampered beautiful daughter of a powerful earl. But when she is shipwrecked on her way to an arranged marriage her future seems over until she is rescued by a magnificent warrior. Elizabeth had no idea a man could be as strong yet tender, not to mention breathtaking as Cain Dare. But even more shocking is Cain's announcement that she now belongs to him; that she is his gift from the sea. Nor is Elizabeth prepared that in place of her comfortable life she may have gained a passion she never knew possible. 135 000 Words

Rosie's LOVES TORM Down Under! Marly Minchin, 2014-02 This story is filled with thrilling suspense and intrigue but sets the stage for a truly romantic tale. At the tender age of twenty years Rosemary Kate Geddes moves to Queensland. She settles well into the Gold Coast lifestyle where she meets, falls in love with, and marries Antonio Gervasio. Throughout their very lusty romantic relationship the tale takes this poor girl from Liverpool Sydney to running wealthy corporations in swanky Surfers Paradise. She develops a strong passion for power, money, and control, and she gets it. She loses the love of her life Tommy, their son, and her own good state of health. Although this book is fictionalized, it is based on some true life events; all the characters and names, however, are in no way connected to any living or deceased persons. **ag_pe** Hollace M. Metzger, 2019-02-02 A volume of Love for Lovers. In the spirit of Saint Valentine's Day and dedicated to the author's mother and father on the event of their 50th wedding anniversary, **ag_pe** simply love promises to be a unique edition fully revealing Metzger's profound romantic side woven throughout and extracted from her six books to date. Often transcribed directly from the eyes and experience of who many have called a romantic existentialist, Metzger's contemporary perspective is often infused with the sentiment of the troubadour, reflecting that of Chaucer's 14th Century shift of the religious holiday to a day for romance and courtly love. Comprised of her more positive, hopeful, and courtly poems, **ag_pe** simply love exhibits Metzger's fervent belief in, and infallible hope for, the preservation of romantic love in society, spanning 15 years of traveling, observing, and living among different cultures.

Lovestorm Jennifer Taylor, 2012-07-16 For Better or Worse. Do you really imagine that people are going to believe that this marriage is for real? Helen was facing a no-win scenario: she could either marry Jacob Hunt or find herself and her father out on the street. The question was why did Jacob want to marry her? He'd hated her and her family all those years ago. Now the local bad boy had made good, and Jacob was in a position to dictate terms. The answer was obvious: Jacob was settling old scores. And unfortunately for her, Jacob believed that marriage was for life.

Stripped: Depeche Mode Jonathan Miller, 2009-11-05 An electrifying new biography about the four Essex lads who became award winning stadium superstars and champions of synth pop Jonathan Miller's groundbreaking book features in depth interviews with founder member Vince Clarke and producers Gareth Jones and Mark Bell and contains never before seen interviews with the band members themselves With additional input from Gary Human Howard Jones and Thomas Dolby this is a unique portrait of a band that almost lost control when their lives went off the rails and lead singer Dave Gahan's heroin addiction nearly killed him In the end Depeche Mode not only survived they triumphed racking up a staggering 40 million plus album sales on the way This is their amazing story told in full for the first time Born out of the post punk backlash in the early 80's Depeche Mode took their name from a phrase in a French style magazine and became the definitive international synth pop group Vince Clarke Andy Fletcher and Martin Gore had started out as an Essex guitar band but it was their bright and upbeat synthesizer driven brand of pop fronted by Dave Gahan that was to find global acceptance and enjoy unlikely success in the US Despite a handful of early plaudits in the music press the group won only intermittent critical acceptance over the years its often light musical approach contrasting with lyrics that sometimes plunge into darker topics like S M religious fetishism and the scourge of capitalism But whatever the music press said the fans finally bought into Depeche Mode in a big way Their Violator tour at the start of the 90s sold millions of records and turned them into major US concert stars In true rock style Depeche Mode's members have suffered their share of internal strife over a long career Dave Gahan reinvented himself as a lead singer with both a harder musical edge and a near fatal drug habit while internal acrimony often marred the later stages of their career Jonathan Miller has made an exemplary job of telling the Depeche Mode saga in its entirety and goes a long way towards explaining how the group have managed to thrive when almost all their post punk contemporaries fell by the wayside long ago
