The book is about all of my dreams that I had that never came true. This book will also give the inside track of what I learned about me in my life as I travel through the journey of life. People have always talked about the truth about their life, but what about the whole truth, the good, the bad, and the ugly? I am just a normal and regular person who is not perfect in no form, shape, or fashion. This book is just an insight of my life with all of the encounters coming from a very large family. By coming from a large family, today caused many problems for me because I did not realize exactly how poor I was until I began to

attend college Not saying that most of our family didn't pull themselves out of their situations Happiness came from the inside of your to come true This book will show that I thought that it was the choices that I made but in the end I found out that it wasn't only the choice but it was other individual choices but it was the decision of my parents that turned my life upside down and on its head From my experience as a child growing up here in America in the 60's and 70's life was to have dreams in our small little heads about becoming a fireman sports photographer doctor or even a player playing sports As a child having dreams are the responsibility of the parents to every effort to make their child dreams come true and this will make them successful and most of all very happy with their accomplishments See I love the game of football and other sports as well such as baseball basketball and track and field but football was my favorite The reason that I loved football was my most favorite The reason it was my favorite because on the football field this was where the smaller player could get even with the bigger bullies who wanted to talk trash to some of the small players While I played the game of football in the little Pop Warner Football League I silence the bigger boys without talking trash As this book unfolds you will find out that other people in my life and bad timing played a role in my unsuccessful dreams Then you will find out that my life was not only my decision alone But on the side of all of this I had a good life and I maintained to stay happiness Now if I had not exposed my life to you many people would never know the pain and hardship that I experienced in my life time I am still the same Darmonica who you have know in the past who love sports and love lending a helping hand where it's needed For the love of life is to love yourself help another and take the worst of life and make the best of it and I did just that Without my family and friends I would not be the person who I am NOW That's why I say Hold on someone is on the other line *Get Your Foot Out of the Durn Petunias* Marj Carpenter, 2009-12 Book Description The stories in this book are from the life of an unusual woman She is unusual because of the many different kinds of things that have happened to her After her husband died she raised her three children in very difficult circumstances in spite of the many setbacks she faced From the stories from her childhood through her days working for Texas newspapers she covered everything from macaroni to murder As a mission interpreter for the National Presbyterian Church U S A she traveled into jungles where there were grass fires and snakes and angry people She also traveled where there was love and concern and caring people Some of her life stories are extremely humorous and some are tragic Her two books *To the Ends of the Earth* and *A Little Bit Farther* are stories from the many mission areas in various countries around the world Marj also had a daily column in the Big Spring Herald called *Riding Fence* and now emcees a radio talk show by the same name Her travels took her into Communist Russia when it was still behind the Iron Curtain and afterward She also went to North Korea and met the leadership there Very few people can say that She went from Brazil to Zimbabwe and from Japan to the Ivory Coast Marj set up the press conference for Hostage Ben Weir when he came home And she did the first story of Dr Kao in Taiwan when he was first released from jail She admitted that her life had no plan and that she never knew what was coming next As one of the very earliest women sports writers in
