Mambo Art Irritates Life:

Mambo, 1994-01-01 A catalogue of Mambo's designs **Mambo**, 2016 *When Highbrow Meets Lowbrow* Peter Swirski, Tero Eljas Vanhanen, 2017-06-27 This book examines nobrow a cultural formation that intertwines art and entertainment into an identifiable creative force In our eclectic and culturally turbocharged world the binary of highbrow vs lowbrow is incapable of doing justice to the complexity and artistry of cultural production Until now the historical power aesthetic complexity and social significance of nobrow artertainment have escaped analysis This book rectifies this oversight Smart funny and iconoclastic it scrutinizes the many faces of nobrow throwing surprising light on the hazards and rewards of traffic between high entertainment and genre art **Gerry Wedd** Mark Thomson, Gerry Wedd, 2008 When I first came across Mambo I remember looking at the wall of T shirt designs at the breadth and wit of the drawing there and thought why would they ever use mine In the late 1980s the young surfer and artist Gerry Wedd came to the attention of Mambo Graphics the iconoclastic surf wear company With his sense of humour his subject matter his encyclopaedic knowledge of surfing culture and his scratch board style of drawing Wedd found a spiritual home in Mambo and helped build the developing Mambo ethic But there's more to Gerry Wedd than Mambo This latest book in the South Australian Living Artists SALA series showcases the work of a unique artist who works in a wide range of media including ceramics public art jewellery and fabric design In a career spanning three decades Gerry Wedd's works maintain a sardonic wit and thought provoking charm In Gerry Wedd author Mark Thomson reveals a man whose life and work is a pleasant shambles of activity zigzagging in and out of so many subjects and spaces an artist who makes no apology for not being modernist or post post post or any other sort

their distinctively antipodean perspectives contributors explore the innovative ways that both creators and beholders of Oceanic arts draw upon their contexts and cultures in order to open up creative engagements with the stories themes and theologies of the biblical traditions Various motifs weave their way throughout the volume including antipodean landscapes and ecology post colonialism philosophy Oceanic spiritualities and the often contested engagements between western and indigenous cultures Within this weaving process each essay invites readers to contemplate these various forms of visual culture through Oceanic eyes and to appreciate the fresh insights that this process can bring to reading and interpreting the biblical traditions The result is a rich and interdisciplinary array of conversations that will capture the attention of readers within the fields of biblical reception studies cultural studies theology and art history

Designing Pornotopia Rick Poynor, 2006 Following the discussion of Poynor's previous anthology *Obey the Giant* *Designing Pornotopia* covers a wide area of subjects from magazines billboard advertising branding illustration photography tattoos and music graphics to architecture and includes interviews with architect Rem Koolhaas and maverick American graphic designer and performance artist Elliott Earls Along the way Poynor reassesses the early work of Peter Saville and tracks the seemingly unstoppable rise of Stefan Sagmeister among other graphic designers Poynor's concise riveting prose constantly challenges the reader with strong and through provoking arguments

Remembering Popular Music's Past Lauren Istvandity, Sarah Baker, Zelmari Cantillon, 2019-06-15 *Remembering Popular Music's Past* capitalizes on the growing interest globally in the preservation of popular music's material past and on scholarly explorations of the ways in which popular music as heritage is produced legitimized and conferred cultural and historical significance The chapters in this collection consider the spaces practices and representations that constitute popular music heritage to elucidate how popular music's past is lived in the present Thus the focus is on the transformation of popular music into heritage and the role of history and memory in this process The cultural studies framework adopted in *Remembering Popular Music's Past* encompasses unique approaches to popular music historiography sociology film analysis and archival and museal work Broadly the collection deals with the precarious nature of popular music heritage history and memory

Little Book of Big Packaging Ideas Catharine Fishel, Stacey King Gordon, 2007-03-01 A volume packed with insight and ideas The packaging industry is more competitive every day so creating a new package that is innovative adds value and makes a connection with the consumer is a challenge often met with limited success Dynamic and unusual package designs can really make a statement in overcrowded markets What makes a package successful How do designers find the inspiration and execute the designs that really work This compendium of package design answers all that and more The content covers inspiration process design research working with clients planning and execution of some of the most effective packages on the market today Insight from top packaging designers worldwide is provided on pages that are packed with images of great designs Unlike most packaging books this volume is stuffed with content in a compact portable and easy to use format

Imagined Australia Renata Summo-O'Connell, 2009

From Terra Nullius to Land of Opportunities and Last Frontier the European dream has constructed and deconstructed Australia to feed its imagination of new societies At the same time Australia has over the last two centuries forged and re invented its own liaisons with Europe arguably to carve out its identity From the arts to social sciences to society itself a complex dynamic has grown between the two continents in ways that invite study and discussion A transnational research group has begun its collective investigation project of which this first volume is the outcome The book is a substantial multidisciplinary collection of current research and offers critical perspectives on culture literature and history around themes at the heart of the Imagined Australia project The essays instigate reflection discovery and discussion of how reciprocal imagining between Australia and Europe has articulated itself and ways and dimensions in which a relationship between communities imagined and not has unfolded
