Global Faith, Worldly Power John Corrigan, Melani McAlister, Axel R. Schäfer, 2022-09-15 Assessing the grand American evangelical missionary venture to convert the world this international group of leading scholars reveals how theological imperatives have intersected with worldly imaginaries from the nineteenth century to the present Countering the stubborn notion that conservative Protestant groups have steadfastly maintained their distance from governmental and economic affairs these experts show how believers ambitious investments in missionizing and humanitarianism have connected with worldly matters of empire the Cold War foreign policy and neoliberalism They show too how evangelicals international activism redefined the content and the boundaries of the movement itself As evangelical voices from Africa Asia and Latin America became more vocal and assertive U S evangelicals took on more pluralistic multidirectional identities not only abroad but also back home Applying this international perspective to the history of American evangelicalism radically changes how we understand the development and influence of evangelicalism and of globalizing religion more broadly In addition to a critical introduction and essays by editors John Corrigan Melani McAlister and Axel R Sch fer are essays by Lydia Boyd Emily Conroy Krutz Christina Cecelia Davidson Helen Jin Kim David C Kirkpatrick Candace Lukasik Sarah Miller Davenport Dana L Robert Tom Smith Lauren F Turek and Gene Zubovich

"Why Won't You Just Tell Us the Answer?" Bruce Lesh, 2023-10-10 Every major measure of students historical understanding since 1917 has demonstrated that students do not retain understand or enjoy their school experiences with history Bruce Lesh believes that this is due to the way we teach history lecture and memorization Over the last fifteen years Bruce has refined a method of teaching history that mirrors the process used by historians where students are taught to ask questions of evidence and develop historical explanations And now in his new book Why Won t You Just Tell Us the Answer he shows teachers how to successfully implement his methods in the classroom Students may think they want to be given the answer Yet when they are actively engaged in investigating the past the way professional historians do they find that history class is not about the boring memorization of names dates and facts Instead it s challenging fun Historical study that centers on a question where students gather a variety of historical sources and then develop and defend their answers to that

question allows students to become actual historians immersed in an interpretive study of the past Each chapter focuses on a key concept in understanding history and then offers a sample unit on how the concept can be taught Readers will learn about the following Exploring Text Subtext and Context President Theodore Roosevelt and the Panama Canal Chronological Thinking and Causality The Rail Strike of 1877 Multiple Perspectives The Bonus March of 1932 Continuity and Change Over Time Custer s Last Stand Historical Significance The Civil Rights Movement Historical Empathy The Truman MacArthur Debate By the end of the book teachers will have learned how to teach history via a lens of interpretive questions and interrogative evidence that allows both student and teacher to develop evidence based answers to history s greatest questions

Forms of Fanonism Reiland Rabaka,2010-03-08 When Frantz Fanon s critiques of racism sexism colonialism capitalism and humanism are brought into the ever widening orbit of Africana critical theory something unprecedented in the annals of Africana intellectual history happens five distinct forms of Fanonism emerge Forms of Fanonism Frantz Fanon s Critical Theory and the Dialectics of Decolonization is discursively distinguished from other engagements of Fanon s thought and texts insofar as it is the first study to consciously examine his contributions to Africana Studies and critical theory or rather the Africana tradition of critical theory Forms of Fanonism identifies and intensely analyzes Fanon s contributions to the deconstruction and reconstruction of Africana Studies radical politics and critical social theory In highlighting his unique solutions to the problems of racism sexism colonialism capitalism and humanism five distinct forms of Fanonism materialize These five forms of Fanonism allow contemporary critical theorists to innovatively explore the ways in which his thought and texts can be dialectically put to use in relieving the wretched experience of this generation s wretched of the earth Critics can also apply these forms to deconstruct and reconstruct Africana Studies radical politics and critical social theory using their anti imperialist interests Throughout Forms of Fanonism Reiland Rabaka critically dialogues with Fanon incessantly asking his corpus critical questions and seeking from it crucial answers This book in short solemnly keeps with Fanon s own predilection for connecting critical theory to revolutionary praxis by utilizing his thought and texts as paradigms and points of departure to deepen and develop the Africana tradition of critical theory

The Presumption D. Marvin Jones,2024-05-02 This powerful book on racism in the United States argues that a threatening narrative originating in slavery continues to link Black people to inferiority dangerousness and crime causing them to be presumed guilty by society and U S legal systems Why are Black people stopped arrested and shot by police at such a high rate Why are they portrayed in the media as gangbangers and urban thugs D Marvin Jones writes that the problem of race lies in the way Blackness has been inextricably knotted together in our culture with presumptions In the era of segregation this was a presumption of inferiority but in our era it is primarily a presumption of dangerousness or criminality In chapters on slavery urban spaces the drug war media portrayals and white spaces he shows how the presumption of guilt continues to shape the treatment of Black people in the United States Arguing that this presumption is not simply a matter of hate on the part of individuals but instead a

social process linked to a widely shared racial ideology The Presumption points out the continuation of racial caste in the United States as a crisis for democracy and provides a blueprint for a kind of second Reconstruction
