the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name, Roger Chillingworth, to aid him in his plan. The Reverend John Wilson and the minister of Hester's church, Arthur Dimmesdale, question the woman, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. He and Hester have an open conversation regarding their marriage and the fact that they were both in the wrong. Her lover, however, is another matter, and he demands to know who it is. Hester refuses to divulge such information. He accepts this, stating that he will find out anyway, and forces her to hide that he is her husband. If she ever reveals him, he warns her, he will destroy the child's father. Hester agrees to Chillingworth's terms, although she suspects she will regret it. Following her release from prison, Hester settles in a cottage at the edge of town and earns a meager living with her needlework, which is of extraordinary quality. She lives a quiet, somber life with her daughter, Pearl, and performs acts of charity for the poor. She is troubled by her daughter's unusual fascination with Hester's scarlet A. The shunning of Hester also extends to Pearl, who has no playmates or friends except her mother. As she grows older, Pearl becomes capricious and unruly. Her conduct starts rumors, and not surprisingly, the church members suggest Pearl be taken away from Hester. Hearing rumors that she may lose Pearl, Hester goes to speak to Governor Bellingham. With him are ministers Wilson and Dimmesdale. Hester appeals to Dimmesdale in desperation, and the minister persuades the governor to let Pearl remain in Hester's care. Because Dimmesdale's health has begun to fail, the townspeople are happy to have Chillingworth, a newly arrived physician, take up lodgings with their beloved minister. Being in such close contact with Dimmesdale, Chillingworth begins to suspect that the minister's illness is the result of some unconfessed guilt. He applies psychological pressure to the minister because he suspects Dimmesdale is Pearl's father. One evening, pulling the sleeping Dimmesdale's vestment aside, Chillingworth sees a symbol that represents his shame on the minister's pale chest. Tormented by his guilty conscience, Dimmesdale goes to the square where Hester was punished years earlier. Climbing the scaffold, he admits his guilt but cannot find the courage to do so publicly.

The Scarlet Letter Nathaniel Hawthorne, 2019-04-12

The *Scarlet Letter* novel by Nathaniel Hawthorne, published in 1850, is considered a masterpiece of American literature and a classic moral study. The novel is set in a 17th-century village in Puritan New England. The main character is Hester Prynne, a young woman who has borne a child out of wedlock. Hester believes herself a widow, but her husband, Roger Chillingworth, returns to New England very much alive and conceals his identity. He finds his wife forced to wear the scarlet letter A on her dress as punishment for her adultery. Chillingworth becomes obsessed with finding the identity of his wife's former lover. When he learns that the father of Hester's child is Arthur Dimmesdale, a saintly young minister who is the leader of those exhorting her to name the child's father, Chillingworth proceeds to torment the guilt-stricken young man. In the end, Chillingworth is morally degraded by his monomaniacal pursuit of revenge. Dimmesdale is

broken by his own sense of guilt and he publicly confesses his adultery before dying in Hester's arms. Only Hester can face the future bravely as she prepares to begin a new life with her daughter Pearl in Europe. The scarlet letter of the title that the puritanical community of 17th century Boston forces adulteress Hester to wear is a gold bordered embroidered A. As both a badge of shame and a beautifully wrought human artifact it reflects the many oppositions in the novel such as those between order and transgression, civilization and wilderness, the town and the surrounding forest, adulthood and childhood. The more this society strives to keep out wayward passion the more it reinforces the split between appearance and reality. The members of this community who are ostensibly the most respectable are often the most depraved while the apparent sinners are often the most virtuous. The novel also crafts intriguing symmetries between social oppression and psychological repression. Dimmesdale's sense of torment at his guilty secret and the physical and mental manifestations of his malaise reflect the pathology of a society that needs to scapegoat and alienate its so-called sinners. Eventually personal integrity is able to break free from social control. Perhaps more than any other novel, *The Scarlet Letter* effectively encapsulates the emergence of individualism and self-reliance from America's puritan and conformist roots.
