Hall of Famer Anthony Lords of the Sunset Strip will no doubt have a similar influence on its readers as well It s simply the biggest baddest boldest tale of Hollywood and Rock Roll ever written New York Magazine ,1982-12-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1982-11-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *John Hughes: A Life in Film* Kirk Honeycutt,2015-03-25 John Hughes A Life in Film is the first complete illustrated tribute to the legendary mind ehind Ferris Bueller s Day Off Planes Trains and Automobiles and The Breakfast Club *John Hughes FAQ* Thomas A. Christie,2019-04-01 Looking for a comprehensive chronicle of the films of legendary director screenwriter and producer John Hughes You re holding it in your hands Covering the entirety of Hughes s career from his earliest features through to his mainstream box office successes John Hughes FAQ explores the key factors that contributed to his legendary status in the world of cinema While Hughes has become especially well known for the eight films that he directed between 1984 and 1991 including Sixteen Candles 1984 The Breakfast Club 1985 and Ferris Bueller s Day Off 1986 he made a considerably greater contribution to cinema through the dozens of high profile screenplays that he developed for production throughout the 80s and 90s John Hughes FAQ investigates many different aspects of Hughes s prolific career in film discussing his distinctive flair for creating entertaining and engaging characters his enthusiasm for new technology and eventful road trips and his insightful social commentary on class and culture Considering the entire sweep of Hughes s work behind the camera John Hughes FAQ focuses not only on the popular classics of his filmography but also on many of his movies that have achieved a certain cultural prominence over the passing years **The New Biographical Dictionary of Film** David Thomson,2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell s various editions of Halliwell s Filmgoers Companion 12th ed 1997 and Halliwell s Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally

Francophile Richard Roud's edited *Cinema A Critical Dictionary The Major Filmmakers* 2 v 1980 is as passionate a work as Thomson's but narrower in scope with entries written by various experts rather than only by Roud. Finally the multivolume magnum opus *The International Dictionary of Films and Filmmakers* 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations. However it looms large and heavy unlike the handy one volume work by Thomson. Arguably Thomson's work for its scope is the most fun the most convenient and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money.
