National Curriculum And The Primary School Spring Board Or Straightjacket:

The National Curriculum and the Primary School Jeni Riley,1992 *Curriculum: Construction and Critique* Prof Alistair Ross,Alistair Ross,2003-09-02 Although curriculum is central to the schooling process debates about it are rarely well informed Over the past ten years there has been a dearth of books that have informed the debate by examining curriculum in a broader context beyond the National Curriculum Ross in this refreshing re examination of the area opens up a more general debate on how the curriculum is shaped and the compromises made between different ideologies of the nature and purpose of education Parents And Teachers Carol Vincent,2013-10-08 This work examines the factors that shape and influence home school relations At its heart is an analysis of parent teacher relationships in an inner city borough drawn from case studies of five primary schools and a parents centre Interviews with parents are revealing windows into parents views on a range of issues including curriculum discipline and parents relationships with their children s teachers The author also considers teachers perspectives on these matters and explores the influence of social class ethnicity and gender on parent teacher interactions While presenting these issues within a consideration of broader themes such as citizenship community power and participation the book discusses the reasons why initiatives designed to improve home school relations appear to result in such limited change Creative Teachers in Primary Schools Peter Woods,2019-07-17 Is creative teaching still possible in English schools Can teachers maintain and promote their own interests and beliefs as well as deliver a prescribed National Curriculum Originally published in 1995 this book explores creative teachers attempts to pursue their brand of teaching despite the changes Peter Woods has discovered a range of strategies and adaptations to this end among such teachers including resisting change which runs counter to their own values appropriating the National Curriculum within their own ethos enhancing their role through the use of others and enriching their work through the National Curriculum to provide quality learning experiences If all else fails such teachers remove themselves from the system and take their creativity elsewhere A strong theme of self determination runs through these experiences While acknowledging hard realities the book is ultimately optimistic and a tribute to the dedication and inspiration of primary teachers The book makes an important contribution to educational theory showing a range of responses to intensification as well as providing many detailed examples of collaborative research methods **Unfolding Creativity** John Howlett,Amy Palmer,2021-10-28 This book presents a selection of case studies of pioneers in arts education who were working in the United Kingdom in the period 1890 to 1950 Focusing on music drama and visual arts and crafts the editors and contributors examine the impact these individuals had on developing innovative approaches to these subject areas and how they drew on perspectives that emphasised the need for children s self expression The chapters offer an analysis of the pioneers beliefs and values with a particular emphasis on their ideological positions about identity nation and what constituted good taste The book further examines how their ideas were disseminated in so doing interrogating the concept of influence in educational theory and

practice *Forum for Promoting 3-19 Comprehensive Education* ,1991 **Library Accessions List and Periodical Contents** ,1993 *Mastering Primary Geography* Anthony Barlow,Sarah Whitehouse,2019-06-27 Mastering Primary Geography introduces the primary geography curriculum and helps trainees and teachers learn how to plan and teach inspiring lessons that make learning geography irresistible Topics covered include Current developments in geography Geography as an irresistible activity Geography as a practical activity Skills to develop in geography Promoting curiosity Assessing children in geography Practical issues This guide includes examples of children s work case studies readings to reflect upon and reflective questions that all help to show students and teachers what is considered to be best and most innovative practice and how they can use that knowledge in their own teaching to the greatest effect The book draws on the experience of two leading professionals in primary geography Anthony Barlow and Sarah Whitehouse to provide the essential guide to teaching geography for all trainee and qualified primary teachers **Understanding Learning** Janet Collins,Deirdre Cook,2001-02-26 This volume explores the social political and psychological influences on ideologies in education The writers consider what it means to be a learner by examining a variety of views and theoretical models of the learning process □□□□□□□□ ,1992 **Political Dimensions of Mathematics Education 2** Cyril Julie,1993 **British Book News** British Council,1992 Includes no 53a British wartime books for young people The British National Bibliography Arthur James Wells,1993 Forthcoming Books Rose Arny,1992-10 *American Book Publishing Record* ,1992 **Understanding Primary Education** Penelope Harnett,2007-12-17 Understanding Primary Education will help trainees and newly qualified teachers reflect on the professional decisions they need to make within their planning and classroom practice The authors analyse key issues and policies within contemporary education through reference to research and pedagogical practice They encourage readers to reflect on policy and practice and support them in articulating their own beliefs and values A broad perspective of the curriculum is outlined with a focus on what curriculum breadth and balance looks like in practice Readers are encouraged to consider questions such as What are the purposes of education What values are important in a pluralist society and what values might we share In what ways can children be encouraged to be active participants within their communities **Key Issues in Language Teaching** Jack C. Richards,2015-09-17 TESOL ESL Teaching The Child's Curriculum Colwyn Trevarthen,Jonathan Delafield-Butt,Aline-Wendy Dunlop,2018 All children are born with emotional talent If left untended those talents can wane during the first five years of life The text focuses on children s readiness for learning It addresses the natural joy explicit in children s early conversations and engagement with music and their development through play with both adults and other children **Stakeholders in the Law School** Fiona Cownie,2010-01-28 This collection brings together a distinguished group of researchers to examine the power relations which are played out in university law schools as a result of the different pressures exerted upon them by a range of different stakeholders From students to governments from lawyers to universities a host of institutions and actors believe that law

schools should take account of a vast number of often conflicting considerations when teaching their students designing curricula carrying out research and so on How do law schools deal with these pressures What should their response be to the stakeholders who urge them to follow agendas emanating from outside the law school itself To what extent should some of these agendas play a greater role in the thinking of law schools **Resources in Education** ,1980-10
