National Front And France Ideology Discourse And Power

**Andrea Mammone, Emmanuel
Godin, Brian Jenkins**

National Front And France Ideology Discourse And Power:

The National Front in France Peter Davies, 2001 **The Extreme Right in France** James Shields, 2007-05-07 A comprehensive new historical study of the extreme right in France from the Vichy regime to the present day The Front National has for some years been France's third political party and the most significant extreme right force in Europe its leader Jean Marie Le Pen contested the second round of the 2002 presidential election with 5.5 million votes This wide ranging and authoritative book examines the resurgence of right wing extremism in France from a historical perspective tracing the political lineage of Le Pen and the FN through key figures and movements on the French extreme right since 1940 Part 1 devotes chapters to the Vichy regime the aftermath of the Occupation the Poujadist movement the Algerian War the Nouvelle Droite and extreme right ideology and activism in the 1960s and 1970s Part 2 analyzes the electoral rise of the FN its evolving programme and exploitation of salient issues the geography and sociology of its electorate its exercise of local power and its impact on national political culture in contemporary France The FN it is argued represents both the latest manifestation of a long tradition of right wing radicalism and a complex new phenomenon within the changing social and political dynamics of France today This is an essential book for all readers with an interest in French and European politics and modern history The Media and the Far Right in Western Europe Antonis A. Ellinas, 2010-01-29 Explains one of the most important phenomena in Western Europe the rise of far right parties Mapping the Extreme Right in Contemporary Europe Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012-05-16 In recent years the revival of the far right and anti-Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics The Government and Politics of France Andrew Knapp, Vincent Wright, 2006-09-27 The Government and Politics of France has been the leading textbook on French politics for over a generation and continues to provide students with a comprehensive and incisive introduction to the intricacies of French politics and government This edition updates every chapter with the addition of a new chapter on France and Europe Recent events necessitate a new edition particularly the 2002 elections and the growing interpenetration of France and the EU in student programmes as well as in the real world Whether covering the shifting balance within France's two headed executive the paradoxes of the French party politics the power and

fragmentation of France's administration the growing assertiveness of French local government or the newly visible world of the judiciary The Government and Politics of France has always sought to confront established paradigms with the complex and untidy reality of French politics at the grass roots

Religion and the Populist Radical Right: Secular Christianity and Populism in Western Europe Nicholas Morieson, 2021-07-06 In Western Europe populist radical right parties are calling for a return to Christian or Judeo Christian values and identity The growing electoral success of many of these parties may suggest that after decades of secularisation Western Europeans are returning to religion Yet these parties do not tell their supporters to go to church believe in God or practise traditional Christian values Instead they claim that their respective national identities and cultures are the product of a Christian or Judeo Christian tradition which either encompasses or has produced secular modernity This book poses the question if Western European politics is secular why has religious identity become a core element of populist radical right discourse To answer this question Morieson examines the discursive use of religion by two of the most powerful and influential populist radical right parties The French National Front and the Dutch Party for Freedom Based on this examination he argues that the populist radical right has capitalised on a cultural shift engendered by the increasing visibility of Islam in Europe Western Europeans encounter with Islam has revealed the non universal nature of Western European secularism to Europeans and demonstrated the secularisation of Christianity into Western European culture This in turn has allowed secular French and Dutch citizens to identify themselves as well as their nation and ultimately Western civilisation as Christian or Judeo Christian Seizing on this cultural shift the author contends that the National Front and Party for Freedom have built successful and similar brands of reactionary politics based on the notion that contemporary secularism is a product of Europe's Christian heritage and values and that therefore Muslim immigration is an existential threat to the core values of European politics including the differentiation of politics and religion and of church and state Religion and the Populist Radical Right Secular Christianity and Populism in Western Europe will be of interest to scholars and researchers working on the intersections of Political Science Sociology and Religion It will also appeal to the general audience interested in the relationship between populism in Western Europe and religious identity as it is written in an accessible style

Ideologies and the European Union Carlo Invernizzi Accetti, Jonathan White, 2021-05-13 This volume examines what the concept of ideology can add to our understanding of the European Union and the way in which the process of European integration has inflected the ideological battles that define contemporary European politics both nationally and transnationally Contemporary debates on the nature and value of the European Union often touch on the notion of ideology The EU's critics routinely describe it as an ideologically motivated project associating it from the left with a form of neo liberal capitalism or from the right with liberal multiculturalism Its defenders often praise it in explicitly post or anti ideological terms as a regulatory body focused on the production of output legitimacy or as a bulwark against dangerous ideological revivals in the form of nationalism and populism Yet the existing academic literature linking the study of the EU

with that of ideologies is surprisingly thin This volume brings together a number of original contributions by leading international scholars and takes an approach that is both historical and conceptual probing the EU's ideological roots while also laying the grounds for a reappraisal of its contemporary ideological make up The chapters in this book were originally published as a special issue of the Journal of European Public Policy The Far Right and the Environment Bernhard Forchtner, 2019-09-10 At the beginning of the twenty first century both the crisis of liberal democracy as visible in for example the rise of far right actors in Europe and the United States and environmental crises from declining biodiversity to climate change are increasingly in the public spotlight Whilst both areas have been analysed extensively on their own The Far Right and the Environment Politics Discourse and Communication provides much needed insights into their intersection by illuminating the environmental communication of far right party and non party actors in Europe and the United States Although commonly perceived as a left wing issue today concerns over the natural environment by the far right have a long ideology driven history Thus it is not surprising that some members of the far right offer distinctive ecological visions of communal life though for example climate change scepticism is voiced too Investigating this range of stances within their discourse about the natural environment provides a window into the wider politics of the far right and points to a close connection between the politics of identity and the imagination of nature Connecting the fields of environmental communication and study of the far right contributions to this edited volume therefore offer timely assessments of this often overlooked dimension of far right politics **Far Right Parties and Euroscepticism** Sofia Vasilopoulou, 2017-12-28 Why do parties that belong to the same party family address the EU question differently This book addresses this question through a systematic analysis of the EU positions of far right parties in Europe Starting from the assumption that far right parties are rational actors the book argues that the way in which they may interpret structural incentives depends on their relationship with democracy their attitude towards the polity their target electorate social basis and their behaviour towards competitors Classification on these indicators leads to the identification of three far right party models anti system anti liberal and normalised Given that the EU is a core issue in far right parties toolkit it becomes a key policy in party competition Anti system far right parties tend to opt for a rejectionist position on the EU anti liberal far right parties tend to be conditional Eurosceptics and normalised far right parties tend to adopt a compromising position on the EU The specific Eurosceptic frame that parties may prioritise depends on the domestic political context and how they may perceive national identity This book's findings are relevant in light of Europe's political and economic crises and rising public support for Eurosceptic ideas and far right parties *Anti-Political Establishment Parties* Amir Abedi, 2004-07-31 First Published in 2003 Routledge is an imprint of Taylor Francis an informal company World Fascism Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war

heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism's heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale World Fascism A Historical Encyclopedia covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology's lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism's enduring appeal [Re-Imagining Public Space](#) D. Boros,J. Glass,2014-12-09 Public space both literally and figuratively is foundationally important to political life From Socratic lectures in the public forum to Occupy Wall Street and the Arab Spring public spaces have long played host to political discussion and protest The book provides a direct assessment of the role that public space plays in political life **Major Nation-States in the European Union** J. Richard Piper,2015-09-25 Integrating the study of individual European nation states within the framework of the European Union this unique new text is essentially two books in one a book on the EU and a comparative introduction to European politics This text provides more value to students by combining two texts in one but engages student interest and facilitates learning through a variety of useful features Role playing exercises encourage participation and test students critical thinking skills while an emphasis on the people behind the politics humanizes material and provides lively insights into contemporary European politics and society To ensure student understanding there is extensive material comparing and contrasting EU states to one another and to the United States a thorough glossary at the end of the book and an abundance of examples tables charts and graphs to illustrate and extend the discussions [The Cold War](#) Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons

systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material *The Oxford Handbook of French Politics* Robert Elgie,Emiliano Grossman,Amy G. Mazur,2016-11-03 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France **Organizing Against Democracy** Antonis A. Ellinas,2020-01-30 Using novel data the book develops a new theory on how European far right parties establish roots in local societies *Empire on the Seine* Amit Prakash,2022 Amit Prakash draws on extensive archival materials to understand the colonial legacy of how minority populations have been policed in twentieth century Paris showing how colonial racism was integrated into the policing of Paris and that architecture urbanism and social housing contributed to this legacy *Mobility, Migration and Transport* Colin G. Pooley,2017-05-19 This book provides an innovative perspective on migration mobility and transport Using concepts drawn from migration history mobilities studies and transport history it makes the case for greater integration of these disciplines The approach is historical demonstrating how past processes of travel and population movement have evolved examining the continuities and changes that have occurred and arguing that many of the concepts used in mobilities studies today are equally relevant to the past The three central chapters view past population movements through respectively the lenses of migration history mobilities studies and transport Two further chapters demonstrate the diversity of mobility experiences and the opportunities and difficulties of applying this approach in teaching and research Extensive case study material from around the world is used including personal diaries which vividly recreate the everyday experiences of past mobilities Population movement has never been of more importance globally this book demonstrates how knowledge of past mobility experiences can inform our understanding of the present **Branding the 'Beur' Author** Kathryn A. Kleppinger,2015-12-30 This book reconsiders authorship by the descendants of North African immigrants to France by consulting how these authors novels have been discussed and promoted in the national audio visual media **The Impact of Radical Right-Wing Parties in West European**

Democracies M. Williams, 2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically

National Front And France Ideology Discourse And Power Introduction

In the digital age, access to information has become easier than ever before. The ability to download National Front And France Ideology Discourse And Power has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download National Front And France Ideology Discourse And Power has opened up a world of possibilities. Downloading National Front And France Ideology Discourse And Power provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading National Front And France Ideology Discourse And Power has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download National Front And France Ideology Discourse And Power. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading National Front And France Ideology Discourse And Power. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading National Front And France Ideology Discourse And Power, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download National Front And France Ideology Discourse And Power has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About National Front And France Ideology Discourse And Power Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Front And France Ideology Discourse And Power is one of the best book in our library for free trial. We provide copy of National Front And France Ideology Discourse And Power in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Front And France Ideology Discourse And Power. Where to download National Front And France Ideology Discourse And Power online for free? Are you looking for National Front And France Ideology Discourse And Power PDF? This is definitely going to save you time and cash in something you should think about.
