

NATIONAL STRATEGIC PLANNING AND PRACTICE

*The case of Thailand's
reform-oriented military*

Elizabeth Hersholt

National Strategic Planning And Practice

M Lipman

National Strategic Planning And Practice:

National Strategic Planning and Practice Liaquat Hossain, 2024-11-01 This title was first published in 2001 This text explores the relationship between telecommunications strategic planning process TSPP the organization and the environment for developing an understanding of the idea of a national TSPP NTSP in Thailand The overall aim is to explore an understanding of an NTSP by providing a detailed study of the strategic planning and practices of the Thai telecom regulators during the period from 1954 to 1996 It applies the strategic planning process principles to further the understanding of NTSP in Thailand By using the SPP framework the study develops a theoretical TSPP framework for analyzing the underlying TSPP strategies within the national telecom regulators in Thailand It also seeks to illustrate the limitations of the traditional strategic planning theory when applied to NTSP From a theoretical perspective this book illustrates that a lack of formalization and consensus in Thailand s NTSP is the fundamental backlog for the successful operation of its industry

Guidance for national strategic planning for tuberculosis World Health Organization, 2022-11-30 A national strategic plan NSP for TB is a key document that guides national authorities and stakeholders on how to comprehensively address the TB epidemic through interventions within the health and across other sectors The NSP translates global regional and national commitments into national and subnational targets and activities to be implemented to achieve these targets and provides the basis for mobilizing domestic and external resources for the TB response It outlines the overall goal s strategies and priority interventions and provides guidance on how these are coordinated across sectors This guidance is intended for use in developing standalone TB strategic plans or TB interventions as part of multidisease or health sector plans It describes key considerations and steps for strategic planning for TB in line with the World Health Organization s End TB strategy and the proposed structure of the NSP The target audience of this publication are all stakeholders involved in national strategic planning for TB e g ministry of health other government ministries private sector civil society affected communities academic and research institutions and technical and funding partners The current document is an update to the 2015 Toolkit to develop a national strategic plan for TB prevention care and control It was developed to better align with global commitments and latest developments in TB and in public health and builds on lessons learned from using the 2015 toolkit
