Nationbuilding Ethnicity And Language Politics In Transition Countries:

Nation-building, Ethnicity and Language Politics in Transition Countries Farimah Daftary, François Grin, 2003
Takes stock of the experience of the countries concerned in dealing with linguistic diversity The emphasis is on the interplay between the politics of language and the development of language legislation codifying the respective status of different languages Nine case studies ranging from the high visibility cases of the Baltic States to much less known language policy developments in Armenia or Tatarstan provide in depth analyses illustrating the remarkable range of language politics in times of change The case of a stateless people the Roma and the politicization of the debate on the standardization of Romanes are also discussed Apoint venture with the European Centre for Minority Issues Flensburg Germany *Europe and the Politics of Language* Máiréad Nic Craith, 2005-12-14 Do political boundaries impact on concepts of language How significant is language for citizenship in contemporary Europe Can disputed languages acquire full status Should non European languages receive recognition from the EU These are among the many questions explored in this new study of official regional and disputed languages in an ever changing European context Broad policy issues and the performance of the range of instruments of policy at local national and European levels are illustrated with reference to case studies across Europe **Words Like Birds** Jenanne Ferguson, 2019-02-01 What does it mean to speak Sakha in the city Words Like Birds a linguistic ethnography of Sakha discourses and practices in urban far eastern Russia examines the factors that have aided speakers in maintaining and adapting their minority language over the course of four hundred years of contact with Russian speakers and the federal power apparatus Words Like Birds analyzes modern Sakha linguistic sensibilities and practices in the urban space of Yakutsk Sakha is a north Siberian Turkic language spoken primarily in the Sakha Republic Yakutia in the northeastern Russian Federation For Sakha speakers Russian colonization in the region inaugurated a tumultuous history in which their language was at times officially supported and promoted and at other times repressed and discouraged Jenanne Ferguson explores the communicative norms that arose in response to the top down promotion of the Russian language in the public sphere and reveals how Sakha ways of speaking became emplaced in villages and the city s private spheres Focusing on the language ideologies and practices of urban bilingual Sakha Russian speakers Ferguson illuminates the changes that have taken place in the first two post Soviet decades in contexts where Russian speech and communicative norms dominated during the Soviet era Weaving together three major themes language ideologies and ontologies language trajectories and linguistic syncretism this study reveals how Sakha speakers transform and adapt their beliefs evaluations and practices to revalorize a language maintain and create a sense of belonging and make their words heard in Sakha again in many domains of city life Like the moveable spirited words the focus of Words Like Birds is mobility change and flow the tracing of the situation of bilinguals in Yakutsk [The Handbook of Bilingual and Multilingual Education](#) Wayne E. Wright, Sovicheth Boun, Ofelia García, 2017-09-25 The Handbook of Bilingual and Multilingual Education presents the first

comprehensive international reference work of the latest policies practices and theories related to the dynamic interdisciplinary field of bilingual and multilingual education Represents the first comprehensive reference work that covers bilingual multilingual and multicultural educational policies and practices around the world Features contributions from 78 established and emerging international scholars Offers extensive coverage in sixteen chapters of language and education issues in specific and diverse regional geographic contexts including South Africa Mexico Latvia Cambodia Japan and Texas Covers pedagogical issues such as language assessment as well as offering evolving perspectives on the needs of specific learner populations such as ELLs learners with language impairments and bilingual education outside of the classroom

Minorities in the Post-Soviet Space Thirty Years After the Dissolution of the USSR Paola Bocale,Daniele Brigadoi
Cologna,Lino Panzeri,2023-03-24 When the Soviet Union broke apart in 1991 the Russian Federation and the newly independent republics of the Baltics the Caucasus and Central Asia engaged in redefining their national identity in a challenging regional and global context The stances and policies towards the minorities living in these countries became part of the striving towards national independence and identity formation Despite vastly different post Soviet nation building trajectories the development and implementation of state policies towards minorities had similar relevance and importance across the region Thirty years after the end of the USSR what is the situation of minorities and minority issues in the countries that emerged from that multi ethnic state How have the former republics including Russia dealt with their minorities and minority affairs To what protection and rights are minority communities entitled to Studies of the dissolution of the USSR and of nation building in the independent post Soviet states have flourished over the past decades However despite the relevance of the theme there is a dearth of specialist publications which address the many issues related to minority communities in the post Soviet space This volume attempts to fill this gap by providing a collection of essays covering some of the most relevant aspects of the contemporary status and situation of minorities in the area **Politicized**

Ethnicity Anke Weber,Wesley Hiers,Anaïd Flesken,2016-04-29 This book offers a rigorous comparative historical analysis of Kenya Tanzania Bolivia Peru and the United States to demonstrate how colonial administrative rule access to resources nation building and language policies as well as political entrepreneurs contribute to the politicization of ethnicity **The**

Handbook of Language and Globalization Nikolas Coupland,2012-09-17 The Handbook of Language and Globalization brings together important new studies of language and discourse in the global era consolidating a vibrant new field of sociolinguistic research The first volume to assemble leading scholarship in this rapidly developing field Features new contributions from 36 internationally known scholars bringing together key research in the field and establishing a benchmark for future research Comprehensive coverage is divided into four sections global multilingualism world languages and language systems global discourse in key domains and genres language values and markets under globalization and language distance and identities Covers an impressive breadth of topics including tourism language teaching social

networking terrorism and religion among many others Winner of the British Association for Applied Linguistics book prize 2011 Managing Diversity through Non-Territorial Autonomy Tove H. Malloy, Alexander Osipov, Balázs Vizi, 2015-07-23

Non territorial autonomy NTA is a statecraft tool that is increasingly gaining importance in societies seeking to accommodate demands by ethno cultural groups for a voice in cultural affairs important to the protection and preservation of their identity such as language education and religion As states recognize the specific rights of identity minorities in multicultural and multi ethnic societies they are faced with a need to improve their diversity management regimes NTA offers policy makers a range of options for institutional design adaptable to specific circumstances and historical legacies It devolves degrees of power through legal frameworks and institutions in specific areas of ethno cultural life while maintaining social unity at the core level of society Throughout Europe and North America NTA exists and is implemented at a state regional and local level Much has been written about the concept of autonomy and its usage as a statecraft tool in states facing regional division but little literature addresses its non territorial institutional and public administration functions This edited volume seeks to fill this gap Managing Diversity through Non Territorial Autonomy Assessing Advantages Deficiencies and Risks carves a space for contextual knowledge production on NTA in law as well as social and political sciences Contextual knowledge involves a description of institutions and their functionality as well as of the institutional and legal frames protecting these What are the institutions bodies and functions that ethno cultural groups can draw on when seeking to have a voice over their own affairs as well as over issues in society related to their identity production How are these entities incorporated and empowered to have a voice What degree of voice do they have and how are they designed to project this voice Thus contextual knowledge also involves critical assessment and risk analysis as well as penetrating insights as to the unintended consequences and hidden agendas that may inform NTA policies This volume is to provide both policy makers and ethno cultural groups with a tool kit that promotes social cohesion while respecting diversity This is the first volume in a series of five which will examine the protection and representation of minorities through non territorial means **Language Rights and Political Theory**

Will Kymlicka, Alan Patten, 2003-05-29 Disputes over language policy are a persistent feature of the political life of many states around the world Multilingual countries in the West such as Belgium Spain Switzerland and Canada have long histories of conflict over language rights In many countries in Eastern Europe and the Third World efforts to construct common institutions and a shared identity have been severely complicated by linguistic diversity Indigenous languages around the world are in danger of disappearing Even in the United States where English is widely accepted as the language of public life the linguistic rights of Spanish speakers are hotly contested Not surprisingly therefore political theorists have started to examine questions of language policy and how they relate to broader issues of democracy justice and rights This volume provides the reader with an up to date overview of the emerging debates over the role of language rights and linguistic diversity within political theory It brings together many of the leading political theorists who work in the field

together with some of the most important social scientists with the aim of exploring how political theorists can conceptualize issues of language rights and contribute to public debates on language policy Questions of language policy are not only of enormous political importance in many countries but also help to illuminate some of the most important debates in contemporary political theory including questions of citizenship deliberative democracy nationalism multiculturalism identity politics group rights the liberal communitarian debate and so on The thirteen essays in this volume highlight both the empirical constraints and normative complexities of language policy and identify the important challenges and opportunities that linguistic diversity raises for contemporary political theory

Institutional Legacies of Communism Karl

Cordell, Timofey Agarin, Alexander Osipov, 2013-07-03 Twenty years after the demise of communist policy this book evaluates the continuing communist legacies in the current minority protection systems and legislations across a number of states in post communist Europe The fall of communism and the process of democratisation across post communist Europe led to considerable change in minority protection with new systems and national political institutions either developed or copied In general the new institutions reflected the practices and experiences of western European states and were installed upon advice from European security organisations Yet many ideas legislative frameworks policies and practices remained open to interpretation on the ground With case studies on a diverse set of post communist polities including Slovakia Bosnia Macedonia Ukraine Estonia Croatia the Baltic States and Russia expert contributors consider how the institutional legacies of the communist past impact on policies designed to support minority communities in the new European democracies Providing unique empirical material and comparative analyses of ethnocultural diversity management during and after communism this book will be of interest to students and scholars of international relations European politics political geography post communism ethnic politics nationalism and national identity

Social Cohesion and Social Change in Europe Gerard Boucher, Yunas Samad, 2017-10-02

Social cohesion has had different meanings for people depending on their background their interests where they live in the world and at what time they lived In the social sciences social cohesion is a term used to explain the social and cultural consequences of structural changes related to industrialization and modernity In the European Union structural changes which relate to globalization European integration the restructuring of welfare states ageing societies and transitions from communism have often led to more insecurity and material inequalities between people Higher rates of immigration and issues related to the integration of migrants and their descendants have also led to anxieties about the preservation of national cultures and identities This book argues that perceived crises in social cohesion in Europe have more to do with the consequences of structural change rather than the failure of multiculturalism and immigration It looks at the relationship between social cohesion and social change in Europe focusing on the European Union as a whole and on urban areas such as Paris France and Bradford UK This book was originally published as a special issue of Patterns of Prejudice

Societal Dynamics and Fragility The World Bank, 2012-10-12 Today s world is changing at breakneck speed

shaking the very foundations of many societies Increased mobility through massive urbanization and migration allows people unprecedented access to different cultures and ideas advanced technologies speed the pace of human interaction the globalization of communication offers new forms of social relationships that may directly contradict traditional norms for behavior These changes create tremendous stresses on relationships in societies affecting the way youth interact with their elders the way women and men relate to each other how urban migrants and refugees relate to their new environments and so on The impacts of these changes are felt acutely in fragile situations where groups and institutions struggle to adapt to the stresses of rapid social change In the worst cases where fragility has given way to open violence people are more than twice as likely to be malnourished more than three times as likely to be unable to send their children to school twice as likely to see their children die before age five and more than twice as likely to lack clean water In addition to these domestic challenges the costs of fragility often spill over to neighboring regions in the form of trafficking in illegal goods and persons corruption and violence Societal Dynamics and Fragility frames a fresh approach to these challenges by focusing on improving relationships across groups and institutions in society Drawing on case studies from Yemen Central African Republic Haiti Liberia and Aceh Indonesia the book provides a framework for understanding and healing the social divides that often get in the way of building capable institutions and exiting from fragility

Language Policy and Language Situation in Ukraine Juliane Besters-Dilger, 2009 At head of title INTAS Project Language policy in Ukraine Anthropological Linguistic and Further Perspectives

Culture and Customs of Ukraine Adriana Helbig, Oksana Ritz-Buranbaeva, Vanja Mladineo, 2008-11-30 Ukraine's tumultuous history has left it standing on unstable ground wrought with the devastation of the 20th century's wars famines and other struggles Today life in Ukraine is moving forward stepping out of the shadows of Communism and into a modern urban and multicultural light finally gaining for itself a sense of national identity Now a cultural hotspot that serves as a crossroads between Europe and Asia Ukraine's traditions of yesterday are evolving into today's daily life and customs High school and undergraduate students will have the opportunity to delve into Ukraine's modern society by looking at its religious practices language conflicts gender issues education policies and media censorship struggles as well as its cuisine holidays literature music and performing arts A thorough and unique investigation of this young country Culture and Customs of Ukraine is an absolute must have for high school public and undergraduate library bookshelves Coverage includes historical background religions language gender education customs holidays and cuisine media literature music and Ukrainian theatre and cinema in the 20th century A chronology photos and bibliography including print and nonprint sources supplement this work

The Languages and Linguistics of Europe Bernd Kortmann, Johan van der Auwera, 2011 Open publication The Languages and Linguistics of Europe A Comprehensive Guide is part of the multi volume reference work on the languages and linguistics of the continents of the world The book supplies profiles of the language families of Europe including the sign languages It also discusses the areal typology paying attention to the Standard Average European Balkan

Baltic and Mediterranean convergence areas Separate chapters deal with the old and new minority languages and with non standard varieties A major focus is language politics and policies including discussions of the special status of English the relation between language and the church language and the school and standardization The history of European linguistics is another focus as is the history of multilingual European empires and their dissolution The volume is especially geared towards a graduate and advanced undergraduate readership It has been designed such that it can be used as a whole or in parts as a textbook the first of its kind for graduate programmes with a focus on the linguistic and linguistics landscape of Europe *Language Policy Evaluation and the European Charter for Regional or Minority Languages* F. Grin, 2003-08-19

This book proposes an innovative treatment of minority language policies by looking at them as policy options that can be methodically evaluated The author applies the analytical concepts and technical tools of policy analysis to guide the reader through a step by step application of notions such as effectiveness and cost effectiveness with particular reference to the European Charter for Regional or Minority Languages The thrust of this book is deeply interdisciplinary and links the evaluation exercise to sociolinguistic political and legal considerations **Post-Communist Romania at Twenty-Five**

Lavinia Stan, Diane Vancea, 2015-06-24 2014 marked the 25th anniversary of the collapse of communist regimes in Eastern Europe The events of 1989 are widely seen as having ushered in new all encompassing reforms in almost all areas of life In few other places were reforms more contested and divisive than in Romania a country that suffered greatly under the sultanistic cum totalitarian dictatorship of Nicolae Ceausescu faced the region's only bloody anti communist revolt and as such had the longest to travel on the road from communism to democracy We now have a generation's worth of experience with these wrenching reforms that have deeply affected Romania's political institutions and political culture and ultimately allowed it to become a member of the coveted European Union club This volume gathers key lessons for democratic theory and practice from Romania's first twenty five years of post communist transformation Written by leading experts in the field of Romanian Studies the chapters focus on the most important factors that have shaped the country's political transformation during the first 25 years of post communism **Ukraine's Quest for Identity** Maria G. Rewakowicz, 2017-10-18 Winner of the 2019 Omeljan Pritsak Book Prize in Ukrainian Studies

Ukraine's Quest for Identity Embracing Cultural Hybridity in Literary Imagination 1991 2011 is the first study that looks at the literary process in post independence Ukraine comprehensively and attempts to draw the connection between literary production and identity construction In its quest for identity Ukraine has followed a path similar to other postcolonial societies the main characteristics of which include a slow transition hybridity and identities negotiated on the center periphery axis This monograph concentrates on major works of literature produced during the first two decades of independence and places them against the background of clearly identifiable contexts such as regionalism gender issues language politics social ills and popular culture It also shows that Ukrainian literary politics of that period privileges the plurality and hybridity of national and cultural identities By engaging

postcolonial discourse and insisting that literary production is socially instituted Maria G Rewakowicz explores the reasons behind the tendency toward cultural hybridity and plural identities in literary imagination Ukraine's Quest for Identity will appeal to all those keen to study cultural social and political ramifications of the collapse of the Soviet empire in Eastern Europe and beyond

Minority Rights Jennifer Jackson Preece, 2005-12-23 The question of minority rights is one of the great dilemmas of contemporary politics Increases in the flow of immigrants migrants and refugees have raised public concerns that greater cultural and ethnic diversity creates instability within nation states But does stability really require homogeneity Or can it be maintained in the presence of different minority groups In this path breaking book Jackson Preece analyses whether traditional minority rights theory is sufficiently dynamic to inform effective responses to modern challenges The central premise behind minority rights is that groups recognized and supported by the political community are far less likely to challenge its authority or threaten its territorial integrity However as Jackson Preece shows the potential for collisions of values and interests still exists and the possibility of a permanent solution to the problem of diversity remains illusive Minority Rights will be an indispensable resource for students and scholars of political science international relations law and sociology

Language Policy and Political Economy Thomas Ricento, 2015 English is the common denominator that unites the work presented in this volume it provides a focal point to illustrate the ways in which a political economic approach can account for a range of phenomena in diverse settings in which a global language has attained a special status as an often perceived tool for socioeconomic mobility The findings reveal the complex ways in which government leaders and policymakers as well as communities and individuals in those communities make decisions within a global economy about the languages that will be taught as subjects or used as media of instruction in schools Whether or not the Straight for English policy that has become popular in various countries in southern Africa and elsewhere is a good or bad idea in terms of improving school completion and literacy rates English is often promoted by its advocates as a social good with unquestioned instrumental value yet access to quality English medium education in low income countries is mostly restricted to those with sufficient economic means to pay for it As the capitalist world economy undergoes transformations and assuming that translation technologies continue to improve it is likely that the roles and relative importance that English as a global language has enjoyed over the past century will change significantly Synchronic contextual analyses of English in various countries and regions are snapshots of a moving target with fuzzy boundaries this is even more so the case when the object of analysis is lingua franca English a fluid contextually realized practice that may be described in situ which is not stable and likely never will be The degree to which English serves effectively as a lingua franca depends on who the interlocutors are the situation and the extent to which interlocutors interests and goals are mutually compatible and understood

Getting the books **Nationbuilding Ethnicity And Language Politics In Transition Countries** now is not type of challenging means. You could not solitary going considering books collection or library or borrowing from your contacts to edit them. This is an extremely simple means to specifically get lead by on-line. Nationbuilding Ethnicity And Language Politics In Transition Countries Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nationbuilding Ethnicity And Language Politics In Transition Countries free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nationbuilding Ethnicity And Language Politics In Transition Countries free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nationbuilding Ethnicity And Language Politics In Transition Countries free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nationbuilding Ethnicity And Language Politics In Transition Countries. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nationbuilding Ethnicity And Language Politics In Transition Countries any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nationbuilding Ethnicity And Language Politics In Transition Countries Books

What is a Nationbuilding Ethnicity And Language Politics In Transition Countries PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nationbuilding Ethnicity And Language Politics In Transition Countries PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nationbuilding Ethnicity And Language Politics In Transition Countries PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nationbuilding Ethnicity And Language Politics In Transition Countries PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nationbuilding Ethnicity And Language Politics In Transition Countries PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
