and poetry to familiarize students with the historical and present day experiences of native peoples and nations throughout North and South America all with a focus on themes and issues that are crucial within Indian Country today For courses in Introduction to American Indians in departments of Native American Studies American Indian Studies Anthropology American Studies Sociology History Women s Studies The Columbia Guide to American Indians of the Northeast Kathleen J. Bragdon,2005-07-06 Descriptions of Indian peoples of the Northeast date to the Norse sagas centuries before permanent European settlement and the region has been the setting for a long history of contact conflict and accommodation between natives and newcomers The focus of an extraordinarily vital field of scholarship the Northeast is important both historically and theoretically patterns of Indian white relations that developed there would be replicated time and again over the course of American history Today the Northeast remains the locus of cultural negotiation and controversy with such subjects as federal recognition gaming land claims and repatriation programs giving rise to debates directly informed by archeological and historical research of the region The Columbia Guide to American Indians of the Northeast is a concise and authoritative reference resource to the history and culture of the varied indigenous peoples of the region Encompassing the very latest scholarship this multifaceted volume is divided into four parts Part I presents an overview of the cultures and histories of Northeastern Indian people and surveys the key scholarly questions and debates that shape this field Part II serves as an encyclopedia alphabetically listing important individuals and places of significant cultural or historic meaning Part III is a chronology of the major events in the history of American Indians in the Northeast The expertly selected resources in Part IV include annotated lists of tribes bibliographies museums and sites published sources Internet sites and films that can be easily accessed by those wishing to learn more Multicultural Approaches to Health and Wellness in America Regan A. R. Gurung,2014-04-21 Led by a UCLA trained health psychologist a team of experts describes non traditional treatments that are quickly becoming more common in Western society documenting cultural variations in health and sickness practices to underscore the diversity among human society This unique two volume set describes the variety of cultural approaches to health practiced by people of varying cultural heritages and places them in stark context with traditional Western approaches to health care and medicine Examining health practices such as Ayurveda an ancient system of medicine that focuses on the body the sense organs the mind and the soul and traditional Chinese medicine TCM the author examines why these different approaches can explain some of the cultural variations in health behaviors differences in why people get sick and how they cope with illness Traditional health care providers of all kinds including clinicians counselors doctors nurses and social workers will all greatly benefit by learning about vastly different approaches to health while general readers and scholars alike will gain insight into the rich diversity of world culture and find the material fascinating **The Navajo as Seen by the Franciscans, 1898-1921** Howard M. Bahr,2004-06-24 Utilizing both primary and secondary materials this sourcebook presents the views of the Franciscan missionaries to the Navajo people both in their personal writings and in national

publications and mission magazines addressing the Catholic laity and potential donors Select *Landscapes of Defence* John R. Gold, George Revill, 2014-09-15 This is a key text on the very topical themes of power defence and space Landscapes of Defence is an exciting collection of theoretical and empirical material from very well known contributors designed to help students understand how landscapes of defence fit in with some of the broader concepts of space power and place to which they are introduced in the 1st year The book is split into four sections and each section contains an introduction placing the subsequent chapters in context There is also a comprehensive introduction and afterword to tie the book's broad themes together 2nd and 3rd year undergraduates in urban and cultural geography will be the key market for this title as well as strong secondary market in departments of Sociology Anthropology Law and Planning *Working the Navajo Way* Colleen M. O'Neill, 2005 O'Neill chronicles a history of Navajo labor that illuminates how cultural practices and values influenced what it meant to work for wages or to produce commodities for the marketplace Through accounts of Navajo coal miners weavers and those who left the reservation in search of wage work she explores the tension between making a living the Navajo way and working elsewhere BOOK JACKET Bibliographic Index, 1997 Rekindling the Sacred Fire Chantal Fiola, 2015-04-17 Why don't more M'is people go to traditional ceremonies How does going to ceremonies impact M'is identity In *Rekindling the Sacred Fire* Chantal Fiola investigates the relationship between Red River M'is ancestry Anishinaabe spirituality and identity bringing into focus the ongoing historical impacts of colonization upon M'is relationships with spirituality on the Canadian prairies Using a methodology rooted in an Indigenous world view Fiola interviews eighteen people with M'is ancestry or an historic familial connection to the Red River M'is who participate in Anishinaabe ceremonies sharing stories about family history self identification and their relationships with Aboriginal and EuroCanadian cultures and spiritualities *American Multicultural Studies* Sherrow O. Pinder, 2013 *American Multicultural Studies* Diversity of Race Ethnicity Gender and Sexuality provides an interdisciplinary view of multicultural studies in the United States addressing a wide range of topics that continue to define and shape this area of study Through this collection of essays Sherrow Pinder responds to the need to open up a rich avenue for addressing current and continuing issues of race gender ethnicity sexuality cultural diversity and education in their varied forms Substantial thematic overlaps are found between sections and essays all of which are oriented toward a single broad objective to develop new and different ways of addressing how multicultural issues in their discursive sociocultural contexts are inextricably linked to the operations of power Power as a site of resistance to which it invariably gives rise is tackled from a perspective that attends to the complexities of America's history and politics **Clearing the Plains** James William Daschuk, 2013 In arresting but harrowing prose James Daschuk examines the roles that Old World diseases climate and most disturbingly Canadian politics the politics of ethnocide played in the deaths and subjugation of thousands of aboriginal people in the realization of Sir John A Macdonald's National Dream It was a dream that came at great expense the present disparity in health and economic well

being between First Nations and non Native populations and the lingering racism and misunderstanding that permeates the national consciousness to this day *Clearing the Plains* is a tour de force that dismantles and destroys the view that Canada has a special claim to humanity in its treatment of indigenous peoples Daschuk shows how infectious disease and state supported starvation combined to create a creeping relentless catastrophe that persists to the present day The prose is gripping the analysis is incisive and the narrative is so chilling that it leaves its reader stunned and disturbed For days after reading it I was unable to shake a profound sense of sorrow This is fearless evidence driven history at its finest Elizabeth A Fenn author of *Pox Americana* Required reading for all Canadians Candace Savage author of *A Geography of Blood* Clearly written deeply researched and properly contextualized history Essential reading for everyone interested in the history of indigenous North America J R McNeill author of *Mosquito Empires* *Aboriginal Music in Contemporary* Beverley Diamond, Anna Hoefnagels, 2012 Contemporary Aboriginal music from powwow to hip hop the people that make it and the issues that shape it *Forgotten Voices* Clifford E. Trafzer, University of California, Riverside, Robert R. McCoy, 2009-03-20 *Forgotten Voices* Death Records of the Yakama 1888 1964 begins a discussion of the health of the people on the Yakama Reservation It focuses on major causes of death during the reservation period so that future scholars may access the data and interpret them and advance further work in the field *Tourism in Frontier Areas* Shaul Krakover, Y. Gradus, 2002-01-01 In this timely new collection of essays an excellent roster of contributors bring new insight to a wide spectrum of topics related to tourism in frontier areas The book focuses on international case studies as it discusses the economic feasibility of frontier tourist development the tourist development of rural and urban settings and the expansion of tourism to remote borderlands The contributors highlight the potential as well as the environmental economic bureaucratic and cultural difficulties of peripheral tourism This innovative and thought provoking approach with its wealth of detail makes *Tourism in Frontier Areas* essential reading for scholars in tourist development regional development and economic geography **The Encyclopedia of Native-American Economic History** Bruce E. Johansen, 1999-02-28 Economic themes underlie many aspects of Native American history from the fur trade the devastating impact of European diseases and the taking of Native American land to the current issues of uranium mining on Navajo land and casino gambling Yet this is the first encyclopedia to analyze Native American history against an economic background Describing the impact of Euro American settlement from a Native American perspective the book profiles the economies of roughly forty Native American tribes and nations from pre Columbian times to the present Other entries focus on demographics such historical issues as the Allotment Act of 1887 and modern efforts at economic development The book provides a valuable guide to an important area in Native American Studies and American economic history Basing entries on Native nations the work includes peoples living in present day Canada Mexico Guatemala and the United States Along with nation profiles the book includes historical information on demographics economic conditions on reservations and the economic basis for present day attempts to

increase Native American sovereignty It is a concise readable account of Native American history in a format suitable for undergraduates *The American Humanities Index* Stephen H. Goode,1998
