**Native American Struggle for Equality** Ronald Burns Querry, 1992 Discusses the effect discrimination has had and continues to have upon Native American peoples

**Deculturalization and the Struggle for Equality** Joel Spring, 2021-11-29 Joel Spring's history of school policies imposed on dominated groups in the United States examines the concept of deculturalization the use of schools to strip away family languages and cultures and replace them with those of the dominant group The focus is on the education of dominated groups forced to become citizens in territories conquered by the United States including Native Americans African Americans Asian Americans Latino Americans and Hawaiians In seven concise thought provoking chapters this analysis and documentation of how education is used to change or eliminate linguistic and cultural traditions in the United States looks at the educational legal and social construction of race and racism in the United States emphasizing the various meanings of equality that have existed from colonial America to the present Providing a broader perspective for understanding the denial of cultural and linguistic rights in the United States issues of language culture and deculturalization are placed in a global context Extensively revised throughout to reflect the dramatic national events since the prior edition the Ninth Edition discusses the rise of the Black Lives Matter movement increased educational inequality related to the pandemic concerns about institutional racism and White nationalism disputes about the interpretation of U S history and debates over cultural and racial identity

*Japanese Americans Struggle for Equality* Liane Hirabayashi, 1992 Identifies discrimination and discusses how Japanese Americans have struggled for their civil rights

**Encyclopedia of Modern Ethnic Conflicts** Joseph R. Rudolph Jr., 2015-12-07 An indispensable reference that will help students understand the major ethnic conflicts that dominate the headlines and shape the modern world Since World War II significant conflicts have most often taken the form of acts of violence between ethnic or national communities inside individual states This two volume work uses case studies to explore some four dozen of those conflicts making it an ideal first stop reference for students and others who wish to quickly gain an understanding of ethnic struggles Content from the first edition is updated and new entries on recent conflicts have been added The set's geographical range which encompasses nearly every continent is matched by the diversity of the conflicts explored These include internal conflicts such as those experienced by African Americans in the United States and Muslims in France as well as separatist movements of groups like the Chechens in Russia and Bosnians in Yugoslavia Headline making conflicts for example those in Mali and Syria are covered as well The book is organized alphabetically by country and region Each essay begins with a timeline and then explores the historical background evolution efforts to manage and significance of the conflict Suggestions for follow up research and appendices of relevant primary source materials are also included

**La Florida Del Inca and the Struggle for Social Equality in Colonial Spanish America** Jonathan D. Steigman, 2005-09-25 A cross disciplinary view of an important De Soto chronicle Among the early Spanish chroniclers who contributed to popular images of the New World was

the Amerindian Spanish mestizo historian and literary writer El Inca Garcilaso de la Vega 1539 1616 He authored several works of which *La Florida del Inca* 1605 stands out as the best because of its unique Amerindian and European perspectives on the De Soto expedition 1539 1543 As the child of an Indian mother and a Spanish father Garcilaso lived in both worlds and saw value in each Hailed throughout Europe for his excellent contemporary Renaissance writing style his work was characterized as literary art Garcilaso revealed the emotions struggles and conflicts experienced by those who participated in the historic and grandiose adventure in La Florida Although criticized for some lapses in accuracy in his attempts to paint both the Spaniards and the Amerindians as noble participants in a world changing event his work remains the most accessible of all the chronicles In this volume Jonathan Steigman explores El Inca's rationale and motivations in writing his chronicle He suggests that El Inca was trying to influence events by influencing discourse that he sought to create a discourse of tolerance and agrarianism rather than the dominant European discourse of intolerance persecution and lust for wealth Although El Inca's purposes went well beyond detailing the facts of De Soto's entrada his skill as a writer and his dual understanding of the backgrounds of the participants enabled him to paint a more complete picture than most putting a sympathetic human face on explorers and natives alike

#### **Deculturalization and the Struggle for Equality**

Joel Spring, 2016-02-26 Joel Spring's history of school policies imposed on dominated groups in the United States examines the concept of deculturalization the use of schools to strip away family languages and cultures and replace them with those of the dominant group The focus is on the education of dominated groups forced to become citizens in territories conquered by the U S including Native Americans Enslaved Africans Chinese Mexicans Puerto Ricans and Hawaiians In 7 concise thought provoking chapters this analysis and documentation of how education is used to change or eliminate linguistic and cultural traditions in the U S looks at the educational legal and social construction of race and racism in the United States emphasizing the various meanings of equality that have existed from colonial America to the present Providing a broader perspective for understanding the denial of cultural and linguistic rights in the United States issues of language culture and deculturalization are placed in a global context The major change in the 8th Edition is a new chapter Global Corporate Culture and Separate But Equal describing how current efforts at deculturalization involve replacing family and personal cultures with a corporate culture to increase worker efficiency Substantive updates and revisions are made throughout all other chapters

society      **Keeping the Republic: Power and Citizenship in American Politics, 6th Edition The Essentials** Christine Barbour, Gerald C. Wright, 2013-01-15 Keeping the Republic's lively discussion of who gets what and how develops students' critical thinking abilities in the intro American government course. Every section and every feature in the book has one goal in mind: to get students to think critically and be skeptical of received wisdom. Serving as a true aid to teachers, each chapter is designed to build students' analytical abilities. By introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship, this proven text builds confidence in students who want to take an active part in their communities and government, to play their part in keeping the republic and to consider the consequences of that engagement.

**American Indian Nations** George Horse Capture, Duane Champagne, Chandler C. Jackson, 2007-08-13 American Indian Nations takes stock of Indian history, policy, and culture over the past 30 years. A distinctive contribution to the understanding and interpretation of current Indian affairs, policies, and community development, this dynamic commentary of contemporary issues brings together a Who's Who of tribal leaders, scholars, and activists. No other collection offers such a thought-provoking and utterly current series of essays on the problems and achievements of modern Native peoples.

**White Man's Work** Joseph O. Jewell, 2023-11-07 In the financial chaos of the last few decades, increasing wealth inequality has shaken people's expectations about middle-class stability. At the same time, demographers have predicted the browning of the nation's middle class, once considered a de facto white category, over the next twenty years as the country becomes increasingly racially diverse. In this book, Joseph O. Jewell takes us back to the turn of the twentieth century to show how evidence of middle-class mobility among Black, Mexican American, and Chinese men generated both new anxieties and varieties of backlash among white populations. Blending cultural history and historical sociology, Jewell chronicles the continually evolving narratives that linked whiteness with middle-class mobility and middle-class manhood. In doing so, Jewell addresses a key issue in the historical sociology of race: how racialized groups demarcate, defend, and alter social positions in overlapping hierarchies of race, class, and gender. New racist narratives about non-white men occupying middle-class occupations emerged in cities across the nation at the turn of the century. These stories helped to shore up white supremacy in the face of far-reaching changes to the nation's racialized economic order.

*Echoes of the Ancestral Lands* Pasquale De Marco, 2025-05-18 In the heart of the American Southeast, a tapestry of diverse cultures and resilient communities unfolds the story of Southeastern Native Americans. This comprehensive book takes readers on a journey through their rich history from the pre-Columbian era to the present day. Before the arrival of European colonizers, Native Americans thrived in the Southeast, living in harmony with the land and developing sophisticated societies. Mound-building civilizations, agricultural innovations, and intricate trade networks flourished. However, the arrival of Europeans brought devastating changes, including disease, displacement, and conflict. Native Americans in the Southeast faced forced removal from their ancestral lands, enduring the tragic Trail of Tears. They were subjected to assimilation policies and attempts to extinguish their cultures. Yet

they persevered demonstrating remarkable resilience and determination Despite the challenges Southeastern Native American communities have maintained their cultural heritage languages and traditions They have fought for their rights advocated for self determination and worked to revitalize their communities Today they are actively engaged in preserving their cultures promoting economic development and protecting their sacred lands This book delves into the complexities of Southeastern Native American history shedding light on the challenges they have faced and the triumphs they have achieved It explores the impact of colonization forced removal and assimilation while also celebrating the resilience and strength of these vibrant communities Through a combination of historical narrative personal stories and cultural insights this book provides a comprehensive understanding of the Southeastern Native American experience It is a testament to their enduring legacy and a call for greater understanding and appreciation of their contributions to American history and culture If you like this book write a review on google books      [Dream a World Anew](#) Nat'l Mus Afr Am Hist Culture,Kinshasha Holman

Conwill,2016-09-27 Dream A World Anew is the stunning gift book accompanying the opening of the Smithsonian National Museum of African American History and Culture It combines informative narratives from leading scholars curators and authors with objects from the museum s collection to present a thorough exploration of African American history and culture The first half of the book bridges a major gap in our national memory by examining a wide arc of African American history from Slavery Reconstruction the Harlem Renaissance and the Great Migrations through Segregation the Civil Rights Movement and beyond The second half of the book celebrates African American creativity and cultural expressions through art dance theater and literature Sidebars and profiles of influential figures including Harriet Tubman Robert Smalls Ida B Wells Mordecai Johnson Louis Armstrong Nina Simone and many others provide additional context and interest throughout the book Dream a World Anew is a powerful book that provides an opportunity to explore and revel in African American history and culture as well as the chance to see how central African American history is for all Americans      **Handbook of**

**Education Policy Research** Lora Cohen-Vogel,Peter Youngs,Janelle Scott,2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA s history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners

*ECO-FEMINISM NATURE-WOMEN SOLIDARITY* Gülhan KARADAĞ AĞKURT, With the industrialization and capitalist exploitation system affecting nearly every part of the world the image of Mother Earth once closely connected with nature and revered by ancient civilizations has almost disappeared Women once the wise stewards of the earth have become the first victims of nature s destruction now owning only about 1% of the land under patriarchy For women working in small family run businesses based on subsistence economies and dependent on the land the protection of the land has become synonymous with the preservation of the life they are a part of However ecofeminists continue to be inspired by the privileged position women once held in ancient civilizations and are working to restore the destroyed nature acting as if they are its protectors Although the environmental threat which has become a global issue is often equated with the pollution of the material environment unless it is seen as a result of spiritual pollution and insatiable greed which approaches natural heritage from a materialistic and profit driven perspective real solutions will not go beyond a utopia
