states should be conceptualized as layered problems with multiple kinds of causes It not only goes beyond the ancient hatreds explanation but shows the inadequacy of the concept of ethnic violence and of theories which treat interests and identities as separate sometimes opposed variables *Islamism and Democracy in India* Irfan Ahmad,2009-09-21 Jamaat e Islami Hind is the most influential Islamist organization in India today Founded in 1941 by Syed Abul Ala Maududi with the aim of spreading Islamic values in the subcontinent Jamaat and its young offshoot the Student Islamic Movement of India or SIMI have been watched closely by Indian security services since September 11 In particular SIMI has been accused of being behind terrorist bombings This book is the first in depth examination of India s Jamaat e Islami and SIMI exploring political Islam s complex relationship with democracy and providing a rare window into the Islamist trajectory in a Muslim minority context Irfan Ahmad conducted extensive ethnographic fieldwork at a school in the town of Aligarh among student activists at Aligarh Muslim University at a madrasa in Azamgarh and during Jamaat s participation in elections in 2002 He deftly traces Jamaat s changing position in relation to India s secular democracy and the group s gradual ideological shift toward religious pluralism and tolerance Ahmad demonstrates how the rise of militant Hindu nationalism since the 1980s evident in the destruction of the Babri mosque and widespread violence against Muslims led to SIMI s radicalization its rejection of pluralism and its call for jihad *Islamism and Democracy in India* argues that when secular democracy is responsive to the traditions and aspirations of its Muslim citizens Muslims in turn embrace pluralism and democracy But when democracy becomes majoritarian and exclusionary Muslims turn radical **The National Question** Berch Berberoglu,2009 This volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world

Salman Rushdie and Indian Historiography Nicole Weickgenannt Thiara,2009-06-25 Paying particular attention to the representation of women and to gendered notions of the nation this book examines for the first time the marked parallels between Rushdie s critique of the Nehruvian legacy and the most significant recent trends in Indian historiography especially the feminist and subalternist movements A History of Modern South Asia Ian Talbot,2016-01-01 TWELVE Pakistan s National Crisis and the Birth of Bangladesh THIRTEEN Bangladesh Since Independence FOURTEEN Pakistan Since 1971 FIFTEEN India Shining SIXTEEN The Contemporary International Relations of South Asia Chronology Notes Glossary Bibliography Illustration Credits Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z Culture, Economy, Power Winnie Lem,Belinda Leach,2012-02-01 Grounded in a conviction that anthropological knowledge implies critique and that engaging in anthropology is also ultimately an act of praxis various contributors explore the ways in which the precepts of Marxism continue to illuminate and enhance our understanding of culture economy and politics They focus on the question of epistemology to examine the process of anthropological intellectual production in different national settings and analyze the ways in which hierarchies of power and forms of state domination figure in the formation of subjectivities in different ethnographic contexts The authors also reflect upon how class gender ethnicity racialized forms of ethnicity as well as

regional and national identities are configured through the relationships involved in making a living under late capitalism

The Algebra of Warfare-Welfare Irfan Ahmad, Pralay Kanungo, 2018-12-24 Electoral democracy combines the ideas and practices of warfare and welfare where both work in tandem as near synonyms India's robust electoral democracy exemplifies this combination in diverse forms Critically analysing the 2014 Parliamentary elections beyond the seduction of immediacy and bare cold statistics this book puts human subjectivity at the centre of election studies and through an anthropological sociological approach makes lives human and non human lived and unlived or unlivable central to any understanding of elections and democracy Crafting a new comprehensive approach this volume looks at the 2014 elections in relation to the changing nature and forms of elections and democracy globally Coming from multidisciplinary backgrounds the contributors to this volume use ethnographic observations to open up a space for new theoretical and methodological reflections on the role of media in Indian elections the shift to the right in 2014 and its consequences the significance of traditional Hindu spaces such as the river Ganga in BJP's victory the role of gurus like Baba Ramdev and the electoral choices available to and exercised by the minorities among others Religion, Violence and Political Mobilisation in South Asia Ravinder Kaur, 2005-11-05 Papers presented at the Workshop on Religious Mobilisation and Organisation of Violence held at Roskilde during 3-4 April 2003 Hindu Nationalism Chetan Bhatt, 2020-05-15 The rise of authoritarian Hindu mass movements and political formations in India since the early 1980s raises fundamental questions about the resurgence of chauvinistic ethnic religious and nationalist movements in the late modern period This book examines the history and ideologies of Hindu nationalism and Hindutva from the end of the last century to the present and critically evaluates the social and political philosophies and writings of its main thinkers Hindu nationalism is based on the claim that it is an indigenous product of the primordial and authentic ethnic and religious traditions of India The book argues instead that these claims are based on relatively recent ideas frequently related to western influences during the colonial period These influences include eighteenth and nineteenth century European Romantic and Enlightenment rationalist ideas preoccupied with archaic primordialism evolution organicism vitalism and race As well as considering the ideological impact of National Socialism and Fascism on Hindu nationalism in the 1930s the book also looks at how Aryanism continues to be promoted in unexpected forms in contemporary India Using a wide range of historical and contemporary sources the author considers the consequences of Hindu nationalist resurgence in the light of contemporary debates about minorities secular citizenship ethics and modernity *Shaping Policy in India* Rajesh Chakrabarti, 2017-08-09 How effective is the Indian polity in making laws and policies to address changing ground realities How do its gears work Which stakeholder groups are more successful in bringing about policy change through what methods and in what contexts Seeking to answer these questions *Shaping Policy in India* takes a close look at nine landmark Indian laws and legislative attempts to reveal the sociopolitical process of policy formulation in the world's largest democracy Offering in depth accounts of the evolution of these nine major

legislations this book interrogates the suitability of existing political theories to explain the policy development process in an emerging economy like India It covers recent events in the 1999 2014 period that have underlined the role of non government players in law making in India as well as long standing movements like right to information right to education and food security Case studies have been used to assess the complexity against the relief of existing political theories invariably developed in the West and to identify gaps in current political theory in understanding the nature of issue based political movements advocacy and activism The book then takes a few initial steps towards suggesting a paradigm based on complexity theory that may better serve to illuminate this critical part of the political process **Contesting the Nation**

David Ludden,1996-04 Animated by a sense of urgency that was heightened by the massive violence following the destruction of the Babri mosque in Ayodhya on December 6 1992 Contesting the Nation explores Hindu majoritarian politics over the last century and its dramatic reformulation during the decline of the Congress Party in the 1980s *The Emergence of Meetei Nationalism* Rajendra Kshetri,2006-01-01
