*Towards a Romantic Conception of Nature: Coleridge's Poetry up to 1803* H.R. Rookmaaker, 1984-01-01 This study describes in detail the development of Coleridge s attitude to nature as it is reflected in his poetry It analyses the different stages of Coleridge s search for a meaningful relation to nature from an uncritical adoption of the eighteenth century conventions in his early poetry to a projectionist view in his poems of 1802 It offers challenging new readings of some of Coleridge s major poems like The Ancient Mariner and Dejection an Ode and tries to rehabilitate some minor ones like The Picture Attention is also paid to his relation with Wordsworth It discusses in detail the philosophical background of Coleridge s views and considers the contribution of German thought to his development As a whole this study affords a new insight into the genesis of romanticism in England

**Early Childhood Education for Muslim Children** Hasina Banu Ebrahim, 2016-12-08 Early Childhood Education for Muslim Children foregrounds the marginalised perspective of Muslim children aged three to five and examines how they are cared for and educated in centre based provision in two provinces in post apartheid South Africa Both theological and social science perspectives are carefully interwoven to make sense of the construction of service provision for Muslims as a minority group in a secular democracy This book uses a qualitative reflexive approach to amplify the voices of mothers managers and teachers as the community of agents who shape priorities for young children in the context of a rapidly transforming society The research demonstrates that the quest to establish an appropriate care network and a sound educative environment for Muslim children is riddled with complexities struggles and tensions In the light of changes in the home based network for early education centre based provision has become an

important infrastructure for Muslim communities seeking one stop academic and Islamic education The internal struggles encountered in this form of provision include inequities in access struggles to package an appropriate curriculum and dealing with nurturance specific to the faith and for cultural formations supportive of citizenship This book calls for critical engagement with issues of religious education in early childhood social cohesion formal systematic teacher education for Muslim teachers curriculum development and parental support It will contribute not only to the development of early education from an Islamic perspective but will also demonstrate how to expand discourses and practices to deal with diversity and faith development in early years As such it will appeal to academics researchers and postgraduate students in the fields of early childhood education religious studies race and ethnic studies and childhood studies Shakespeare in Perspective Roger Sales,1982 **The Independent and the Weekly Review** ,1922 *The Congregationalist and Christian World* ,1902 **Resources in Education** ,2001-10 Essentials of Holocaust Education Samuel Totten,Stephen Feinberg,2016-03-17 Essentials of Holocaust Education Fundamental Issues and Approaches is a comprehensive guide for pre and in service educators preparing to teach about this watershed event in human history An original collection of essays by Holocaust scholars teacher educators and classroom teachers it covers a full range of issues relating to Holocaust education with the goal of helping teachers to help students gain a deep and thorough understanding of why and how the Holocaust was perpetrated Both conceptual and pragmatic it delineates key rationales for teaching the Holocaust provides useful historical background information for teachers and offers a wide array of practical approaches for teaching about the Holocaust Various chapters address teaching with film and literature incorporating the use of primary accounts into a study of the Holocaust using technology to teach the Holocaust and gearing the content and instructional approaches and strategies to age appropriate audiences A ground breaking and highly original book Essentials of Holocaust Education will help teachers engage students in a study of the Holocaust that is compelling thought provoking and reflective

**Sentimentalism in Nineteenth-Century America** Mary G. De Jong,2013-06-07 Sentimentalism emerged in eighteenth century Europe as a moral philosophy founded on the belief that individuals are able to form relationships and communities because they can by an effort of the imagination understand one another s feelings American authors of both sexes who accepted these views cultivated readers sympathy with others in order to promote self improvement motivate action to relieve suffering reinforce social unity and build national identity Entwined with domesticity and imperialism and finding expression in literature and in public and private rituals sentimentalism became America s dominant ideology by the early nineteenth century Sentimental writings and practices had political uses some reformist and some repressive They played major roles in the formation of bourgeois consciousness The first new collection of scholarly essays on American sentimentalism since 1999 this volume brings together ten recent studies eight published here for the first time The Introduction assesses the current state of sentimentalism studies the Afterword reflects on sentimentalism as a liberal

discourse central to contemporary political thought as well as literary studies Other contributors exploring topics characteristic of the field today examine nineteenth century authors treatments of education grief social inequalities intimate relationships and community This volume has several distinctive features It illustrates sentimentalism s appropriation of an array of literary forms advice literature personal narrative and essays on education and urban poverty as well as poetry and the novel objects memorial volumes and cultural practices communal singing benevolence It includes four essays on poetry less frequently studied than fiction It identifies internal contradictions that eventually fractured sentimentalism s viability as a belief system yet suggests that the protean sentimental mode accommodated itself to revisionary and ironized literary uses thus persisting long after twentieth century critics pronounced it a casualty of the Civil War This collection also offers fresh perspectives on three esteemed authors not usually classified as sentimentalists Sarah Piatt Walt Whitman and Henry James thus demonstrating that sentimental topics and techniques informed realism and modernism as they emerged Offering close readings of nineteenth century American texts and practices this book demonstrates both the limits of sentimentalism and its wide and lasting influence

Dealing with Bullying in Schools Mona O'Moore,Stephen James Minton,2004-11-15 jargon free and concise This is a very readable thorough and practical book of use to young people parents and in particular to school staff in preventing and dealing with bullying Counselling Children and Young People CCYP the authors drive home the strong message that bullying should never be accepted and how it can be life threatening There is clear evidence that the training is based on current research I found the format innovative with the excellent add on of being able to download PowerPoint training slides from the publisher s website Emotional and Behavioural Difficulties Highly readable and practical this is a book that provides details of specific ways in which members of the of the school community can collaborate to reduce the incidence of bullying in their school Teacher This is a clearly written and well designed resource It is likely to be of value to anyone wishing to develop active anti bullying policies in schools and is designed for use as a staff development tool over a period of time but is also focused on the needs of parents children and young people themselves It provides some excellent guidance on writing an anti bullying policy a useful overview of practical strategies to prevent and counter bullying helpful advice for parents of children who are being bullied or children who are involved in bullying others SENCO Update I like the book s message Bullying is an activity rather than a stereotypical role It s no blame approach aims to modify behaviour to avoid provoking a cycle of escalating violence The Psychologist This excellent book begins by dispelling some myths hoping to offer schools constructive ways to tackle this deep seated problem Clear courses of action are set out including some for parents whose children are bullying others and there are photocopiable training resources in the appendices TES Special Needs This is a carefully considered and road tested book that could be an invaluable resource to staff seeking to develop their school s response to bullying Journal of In Service Education Dealing with Bullying in Schools is a very readable book and should be available in every school in the country What the book

emphasizes is that bullying is everyone's problem not merely teacher. This includes the Head of the school, parents and everyone who is part of the community within the school. Dr L F Lowenstein Educational Clinical and Forensic Psychological Consultant. The book is strong on practical information including handouts and overhead projector sheets for training staff, students and parents. Geoff Barton Times Educational Supplement Friday Magazine. Developed from training courses run by the two authors on the subject of dealing with bullying in schools, this book is designed to work as a training manual. It is geared towards the needs of the class teacher, the school management team, the bullied, the bullies and the parents of both parties. Each chapter offers a set of resources with commentaries for these different groups so that the reader is provided with a complete pack of advice, guidance and resources. The book includes a step by step guide to formulating an anti bullying policy for your school, suggested strategies for countering and preventing bullying, detailed advice on working with parents, clear guidance for parents on what to do if their child is being bullied or is doing the bullying, tailor made presentations to use with colleagues and parents. Anyone involved in this issue in a school setting should find this book invaluable. To download the PowerPoint slides from the Appendices please click on Sample Chapters and Resources to the left.

## Enjoying the Tune of Term: An Mental Symphony within **Notations Through Verse Approaching Home Free Perspectives**

In some sort of consumed by displays and the ceaseless chatter of quick interaction, the melodic elegance and mental symphony developed by the published word usually diminish in to the backdrop, eclipsed by the relentless sound and disturbances that permeate our lives. But, situated within the pages of **Notations Through Verse Approaching Home Free Perspectives** a charming fictional value overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that charming masterpiece conducts visitors on a mental journey, skillfully unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths of this poignant examination, we will explore the book is central harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
