Promise Gods Words In Your Words:

Your Words Hold a Miracle Joel Osteen, 2012-05-08 At some point in every person's life we will need a miracle from God. It may be for us a family member or a troubled child. It might be a mountain of family or financial trouble or some unseen force that fills us with fear. The late John Osteen has good news for us. We can have a miracle from God for God is a miracle worker. And He has recorded many of His miracles in His Word, the Bible. Rather than running around searching for needed miracles, Osteen shows us how to put the power of God's Word into daily practice. When we agree with, believe in, and confess the Word of God, miracles reveal themselves. **His Word is His Bond: Believe and Trust Only God's Promises**,

Promises from GOD'S WORD Baker Publishing Group, 2009-09 A collection of every promise to believers that is recorded in Scripture. This pocket-sized book is a treasure trove of inspiration, biblical guidance for daily challenges. God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people. God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God. Revitalizing one of the five great declarations of the Reformation, sola Scriptura, Barrett analyzes what the idea of sola Scriptura is and what it entails, clarifying why the doctrine is truth and why it's so essential to Christianity. Surveys the development of this theme in the Reformation and traces the crisis that followed, resulting in a shift away from the authority of Scripture. Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church. This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today. THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations often referred to as the solas. These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures. acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches. **Promises from God's Word** Dr. John Thomas Wylie, 2020-05-29 Some of the time it is elusive, solutions hard to find, answers to life's issues when we need them the most. Promises From God's Word Book II is a continuation from Promises From God's Word Book I and is an assortment of promises from God's Word. The Bible designed as an important instrument for finding what God has to say about our specific needs or circumstances. Every section contains interesting inquiries regarding the matter, answers from Scripture with references and a promise from God's Word in the Authorized King James Translation unless otherwise indicated. It is Dr. Wylie
