Promise Of Destiny:

The Split Time Nimi Wariboko,2022-08-01 The quest for economic development is arguably the most frustrating and tragic dimension of human existence in Africa As its primary task The Split Time constructs an economic philosophy from a tradition of thought that is indigenous to Africa arguing that there are long neglected resources within African philosophy to guide economic policymakers toward creating an African economy that can sustain human flourishing Exploring notions of destiny temporality and desire Nimi Wariboko constructs an economic philosophical framework to rethink solutions to the vexing problem of economic development in Africa He also provides a robust social ethical perspective in which the basic aspects of economic life the agential accounts of human agency telos the circumstantial material social context and the affective to feel appropriately what matters to a people in an economy or their desire for human flourishing come together to fire social imagination about development policies for the common good

Zionism Nathan Rotenstreich,2012-02-01 In Zionism the late Nathan Rotenstreich traces the dialectical connections between Zionism s past and present based on his contention that the Jewish nation comprises both the State of Israel and the Diaspora He also addresses relations between both Israel and the Diaspora on the one hand and Israel and the Arab world on the other Written a short time before Rotenstreich s death Zionism can be regarded as his spiritual and ideological legacy

Destiny'S Gamble Jenn Shell,2013-03-29 Destiny Moretti is by all standards a lucky woman Born into a family who possesses both great wealth and power she is loved and has the world at her feet She knows how to get what she wants from life and many consider her to be blessed But what Destiny desires most is to

be able to spend her life with the man she loves If only she had been allowed to marry him On Thanksgiving Day in 1941 the Moretti and Rossi families gather to share a splendid holiday feast Snow dances outside but inside even the crackling fire cannot banish the chill from Destinys peace of mind Terrible things are just out of sight she just knows it Destiny promises herself that she will not allow her growing anxiety to consume her joy on this festive night Out of love and respect for her parents she vows to make a sincere effort to be happy But in the pit of her stomach fear of the darkest magnitude has settled in She has also recently learned the reasons behind her fathers lifelong despair If she can find the strength to perform one simple but gigantic deed she will have the power to resolve his problem Destiny must now make some big decisions Will she find the strength to change her own fate Can she do the unthinkable and leave her wealthy husband And what will happen if she gambles with her own heart Destiny's Odds R. L. Johnson,2011-10-28 First in a three part series Destiny s Odds is full of mystery crime and intrigue Mystery Crime What are the Odds that eight separate people s lives can change based on one solitary incident that occurs in one home That is exactly what happens in Destiny s Odds *Destiny's Divine* Kristine Morgan,2011-04-21 Ready or not Katriana was going to the council She couldn t control her aura the power that those in council had but she still had been chosen She was glad to go Everyone she cared about would be there Darius Mischa Ivo and the rest They would all be together But trouble in the lands and stirrings of prophecy would test everything Katriana thought she knew Destiny had surprises for them all **Strategic Policy Design** Jack C. Chow,2020-03-16 Modern organizations whether public or private are animated by a universal imperative to achieve prominent goals that fulfill their mandates and uphold deeply held values and ideals To realize this imperative leaders entrusted to pursue organizational missions need to exercise a core set of strategic skills discern opportunities identify worthy goals and implement pursuing actions Strategic Policy Design introduces an integrated architecture for strategic thinking that enhances leadership skills in gauging conditions and crystallizing plans This framework promotes a structured approach to strategic tasks by offering templates for decision making from articulating a strategic mission understanding the environment in which an organization operates and rallying people and resources toward attaining strategic goals to a portable versatile framework for the development and writing of strategy oriented communications For practitioners of policy this book offers clarity of strategic thinking and introduces a new framework with which to perceive policy environments identify and define goals and organize strategies For students this book explores the skill and art in exercising leadership encompassing both pragmatism and idealism By learning and applying the showcased techniques students will be equipped with a heightened awareness of policy domains goal construction and operational planning Students in public sector studies will find this book of interest as will those studying political science public administration law foreign affairs international development history military sciences and similar majors The organizational perspective in strategy will also appeal to students in both business and non profit sectors The Decalogue and a Human Future Paul L. Lehmann,2002-03-15 An important book for theology ethics and the church

James H Cone This book displays all the depth penetrating insight and clarity of thinking that have become the hallmarks of Lehmann's writing It mercilessly and wonderfully exposes the superficiality and frivolousness of many of the arguments surrounding the Decalogue Theologically instructive intellectually satisfying and spiritually uplifting Allan Boesak Paul Lehmann was one of the greatest of America's Christian ethicists and one of its most influential teachers His work has had a profound impact on many persons especially pastors and lay folk This final work brings him back to some of his major themes the relation of the gospel and law the commitment to a truly human life in this world that is shaped by God's just and loving activity in Jesus Christ and the need for the gift of discernment to see what it is that makes and keeps human life human One does not expect to hear much that is fresh on such worked over moral issues as abortion and homosexuality but in these pages Lehmann makes us think afresh and challenges us even on those familiar topics It is sad to think that we shall hear no more from this deeply Christian and moral thinker Patrick D Miller Princeton Theological Seminary This is vintage Lehmann His koinonia ethic continues to make enormous sense not least in South Africa and other transitional situations where people are seeking moral discernment amid complexity and ambiguity in the quest for social justice This book's development of Lehmann's ethic around the Ten Commandments makes it more than a textbook for students It is a book for pastors the laity and the general public It is also a wonderful culmination to the work of a great theologian Charles Villa Vicencio University of Cape Town South Africa
