Forest Products Ltd, 196? **The Remarkable Voyages of Captain Cook**, 1969 *Cook* Nicholas Thomas, 2003-01-01 An in depth chronicle of Captain James Cook s three historic voyages recounts his expeditions charting the eastern Australian coast exploring the northwest coast of North America circumnavigating New Zealand and discovering many Pacific islands setting his accomplishments against the backdrop of the colonialism of his era **The Voyages of Captain James Cook** James Cook, 1842 [The Voyages of Captain James Cook. Captain Cook's Voyages (Classic Reprint) James Cook, 2015-07-20 Excerpt from Captain Cook s Voyages Distinguished as this country is and ever has been for its able navigators it acquires no inconsiderable accession of fame from boasting of the name of Cook whose three principal voyages we are now about to detail in an unbroken series This able and most amiable man was born at Marton in Cleveland a village about four miles from Great Ayton in Yorkshire on the 27th of October 1728 His father who lived in the humble station of a farmer s servant married a woman in the same sphere of life with himself and both were noted in their neighbourhood for their honesty sobriety good conduct and industry qualities which ever reflect a lustre on the humblest ranks When our navigator was about two years old his father removed to Great Ayton and was appointed to superintend a considerable farm known by the name of Airyholm belonging to Thomas Scottowe Esq As the father long continued in this trust the son naturally followed the same employment as far as his tender years would admit His early education appears to have been slight but at the age of thirteen we find him placed under the tuition of one Mr Pullen who taught school at Ayton where he learned the rudiments of arithmetic and book keeping and is said to have shown a remarkable facility in acquiring the science of numbers About the beginning of the year 1745 when young Cook was seventeen years old his father bound him apprentice to William Sanderson for four years to learn the grocery and haberdashery business at a place called Snaith a populous fishing town about ten miles from Whitby and while here according to Mr Sanderson s account he displayed a maturity of judgment and a quickness in calculations far beyond his years But as he evinced a strong partiality for a maritime life a predilection strengthened by the situation of the place and the company with which perhaps he associated on some trivial disagreement with his master he obtained a release from his engagements after a year and a half s servitude and determined to follow the bent of his own inclination About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

The English Circumnavigators: the Most Remarkable Voyages Round the World by English Sailors ... Edited with Notes ... by D. L. Purves David Laing PURVES,1874 **Fur, Fortune, and Empire** Eric Jay Dolin,2011-07-05 A Seattle Times selection for one of Best Non Fiction Books of 2010 Winner of the New England Historical Association s 2010 James P Hanlan Award Winner of the Outdoor Writers Association of America 2011 Excellence in Craft Award Book Division First Place A compelling and well annotated tale of greed slaughter and geopolitics Los Angeles Times As Henry Hudson sailed up the broad river that would one day bear his name he grew concerned that his Dutch patrons would be disappointed in his failure to find the fabled route to the Orient What became immediately apparent however from the Indians clad in deer skins and good furs was that Hudson had discovered something just as tantalizing The news of Hudson s 1609 voyage to America ignited a fierce competition to lay claim to this uncharted continent teeming with untapped natural resources The result was the creation of an American fur trade which fostered economic rivalries and fueled wars among the European powers and later between the United States and Great Britain as North America became a battleground for colonization and imperial aspirations In *Fur Fortune and Empire* best selling author Eric Jay Dolin chronicles the rise and fall of the fur trade of old when the rallying cry was get the furs while they last Beavers sea otters and buffalos were slaughtered used for their precious pelts that were tailored into extravagant hats coats and sleigh blankets To read *Fur Fortune and Empire* then is to understand how North America was explored exploited and settled while its native Indians were alternately enriched and exploited by the trade As Dolin demonstrates fur both an economic elixir and an agent of destruction became inextricably linked to many key events in American history including the French and Indian War the American Revolution and the War of 1812 as well as to the relentless pull of Manifest Destiny and the opening of the West This work provides an international cast beyond the scope of any Hollywood epic including Thomas Morton the rabble rouser who infuriated the Pilgrims by trading guns with the Indians British explorer Captain James Cook whose discovery in the Pacific Northwest helped launch America s China trade Thomas Jefferson who dreamed of expanding the fur trade beyond the Mississippi America s first multimillionaire John Jacob Astor who built a fortune on a foundation of fur and intrepid mountain men such as Kit Carson and Jedediah Smith who sliced their way through an awe inspiring and unforgiving landscape leaving behind a mythic legacy still resonates today Concluding with the virtual extinction of the buffalo in the late 1800s *Fur Fortune and Empire* is an epic history that brings to vivid life three hundred years of the American experience conclusively demonstrating that the fur trade played a seminal role in creating the nation we are today **The Voyages of Captain Cook** James Cook,1999 Cook s three voyages of discovery which took place between 1768 and 1779 are among the most remarkable achievements in the history of exploration Cook charted vast areas of the globe with astonishing accuracy and the voyages also made a significant
