same subject by Gareth Knight In Dion Fortune s day the conventions of occult secrecy prevented her from being too explicit on the practical details of magic except in works of fiction These veils of secrecy having now been rolled back Gareth Knight has taken the opportunity to fill in much practical information that Dion Fortune might well have included had she been writing today In short in this unique collaboration of two magical practitioners and teachers we are presented with a valuable and up to date text on the practice of ritual or ceremonial magic as it is That is to say as a practical spiritual and psychic discipline far removed from the lurid superstition and speculation that are the hallmark of its treatment in sensational journalism and channels of popular entertainment
