

There are many ways to perform a ritual:
some are very specific to a special culture,
others are more universal.

There is no all-in-one layout. All ritual
formats are intended as solemn ways to
come into contact with the hidden, inside
and outside yourself. A ritual allows to
perform repetition, to enter an altered
state of mind and to center oneself as a
support for one's own intuitive and sacred
mind.

How do you choose which ritual to perform?
