Sue Taft is a paddler as anyone who knows her from Geneva, Ohio, to Columbia, Maryland, and on rivers from the Yough in the East to the Missinaibi in Canada to the Middle Fork of the Salmon in the West can tell you. Introduced to paddling at eight years old, Sue has remained enamored with boats, paddles, and whitewater throughout her life. By her early twenties, Sue was an active member of Cleveland's Keel-Haulers Club and an avid whitewater veteran. Her interest in the sport has driven an infatuation and a passion for exploring and tracking the history of whitewater, culminating in the publication of *The River Chasers*. Although professionally a chemist, a scientist, an IT consultant, and a writer, Sue's real life is lived on water, in a boat, with a Backlund paddle in hand.

River Chasers:

Chasers James Phelan, 2012 In post apocalyptic New York City Jessie Dave Anna and Mini discover the lengths they will go to survive in a world where horrifying predators roam the streets searching for human flesh Original Water in Kentucky Brian D. Lee, Daniel I. Carey, Alice L. Jones, 2017-07-07 Home to sprawling Appalachian forests rolling prairies and the longest cave system in the world Kentucky is among the most ecologically diverse states in the nation Lakes rivers and springs have shaped and nourished life in the Commonwealth for centuries and water has played a pivotal role in determining Kentucky's physical cultural and economic landscapes The management and preservation of this precious natural resource remain a priority for the state's government and citizens In this generously illustrated book experts from a variety of fields explain how water has defined regions across the Commonwealth Together they illuminate the ways in which this resource has affected the lives of Kentuckians since the state's settlement exploring the complex relationship among humans landscapes and waterways They examine topics such as water quality erosion and sediment control and emerging water management approaches Through detailed analysis and case studies the contributors offer scholars practitioners policy makers and general readers a wide perspective on the state's valuable water resources America's First Eclipse Chasers Thomas Hockey, 2023-05-27 In 1917 over 200 million Americans witnessed the spectacular total eclipse of the Sun and the 2024 eclipse is expected to draw even larger crowds In anticipation of this upcoming event this book takes us back in history over 150 years telling the story of the nation's first ever eclipse chasers Our tale follows the chaotic journeys of scientists and amateur astronomers as they trekked across the western United States to view the rare phenomenon of a total solar eclipse The fascinating story centers on the expeditions of the 1869 total eclipse which took place during the turbulent age of the chimerical Planet Vulcan and Civil War Reconstruction The protagonists a motley crew featuring astronomical giants like Simon Newcomb and pioneering female astronomers like Maria Mitchell were met with unanticipated dangers mission threatening accidents and eccentric characters only the West could produce Theirs is a story of astronomical proportions Along the way we will make several stops across the booming US railroad network traveling from viewing sites as familiar as Des Moines Iowa to ones as distant and strange as newly acquired Alaska From equipment failures and botched preparations to quicksand and apocalyptic comets welcome to the wild western world of solar eclipses **Hearings** United States. Congress. House. Committee on Appropriations, 1936 The Bristol County Directory, 1888 **Compete, Play, Win** David Apostolico, 2009-10-13 Told from the viewpoint of a self-described competition junkie Compete Play Win is a look at the psychology behind the competitive drive a look at the sociological ramifications of acting on competitive impulses and a book of advice on how to channel those impulses for personal gain in business sport and in life In a chapter called Sperm Wars author David Apostolico pinpoints conception as the beginning of our competitive nature and discusses the competition for a mate that precedes that setting up the idea that competition is a biological necessity and evolution has embraced and

modified that drive In a later chapter called Competitive Nation Apostolico uses himself as a test subject entering a far flung variety of contests including competitive eating contests dog shows and drag races in order to test how far he as a competitive junkie is willing to go for victory At the end of each event he answers a list of ten questions concluding with Can a competitive junkie ever feel truly satisfied Along this personal journey Apostolico draws parallels between personal competition and competition in the business world and imparts his firsthand knowledge of how to use the competitive drive to win at everything you do

Whitewater Rafting on West Virginia's New & Gauley Rivers Jay Young, 2011-07-14 A certain mixture of whimsy and derring do is required to shove off down or up the New or Gauley River with scant protection aside from a helmet life vest and ones compatriots Its a choice that could be so easily avoided but that wouldnt make sense to the proud and colorful characters who have long been shooting these rapids some of the most popular and treacherous in the country Here Jay Young a raft guide turned writer leads readers through the local lore and history of the rivers wheremuch to the delight of those brave enough to face these rapidsthe ordinary almost never occurs

Multiple Literacies for Dance, Physical Education and Sports Stephen G. Mogge, Shelly Huggins, Jaye Knutson, Elin E. Lobel, Pamela Segal, 2023-03-14 This book explores a spectrum of literacies relevant to dance physical education and sports It examines conceptions of movement literacies disciplinary literacies and traditional school literacies It includes theory research and instructional practice related to the uses of traditional print multimedia and embodied physical literacies These literacies function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning As movement and activity related fields continue to explore the potential for multiple literacies this book introduces numerous possibilities both conceptual and practical for consideration Pre service and in service teachers in dance and physical education programs will learn how to integrate multiple literacies in curriculum design and teaching Graduate students will examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these topics Teachers school administrators coaches and athletic directors will use the book in order to guide the inclusion of movement and activity based fields in the disciplinary literacy agenda now common in Pre K through secondary schooling Media rich chapters including photographic video and other graphic images allow students to access concepts through multiple modalities
