personal injury law is an essential feature of the collection other significant areas of tort law are explored including tort in the context of commercial law labour law regulation and the welfare state Essays on the Compensation Act 2006 and Human Rights Act 1998 bring the current state of the interplay between tort politics and legislation to the forefront In all of these contexts contributors explore the deeper lessons that can be learned about the nature of the law of tort and its changing role and functions over time Cited with approval in the Singapore Court of Appeal by VK Rajah JA in See Toh Siew Kee vs Ho Ah Lam Ferrocement Pte Ltd and others 2013 SGCA 29
