River Teeth:

River Teeth David James Duncan, 1996-06-01 In his passionate luminous novels David James Duncan has won the devotion of countless critics and readers earning comparisons to Harper Lee Tom Robbins and J D Salinger to name just a few Now Duncan distills his remarkable powers of observation into this unique collection of short stories and essays At the heart of Duncan's tales are characters undergoing the complex and violent process of transformation with results both painful and wondrous Equally affecting are his nonfiction reminiscences the river teeth of the title He likens his memories to the remains of old growth trees that fall into Northwestern rivers and are sculpted by time and water These experiences shaped by his own river of time are related with the art and grace of a master storyteller In *River Teeth* a uniquely gifted American writer blends two forms taking us into the rivers of truth and make believe and all that lies in between *River Teeth* Joe Mackall, Daniel W. Lehman, 2020-02-15 To celebrate twenty years of introducing talented new writers to readers and publishing great nonfiction the founding editors Joe Mackall and Daniel W Lehman have selected their all time favorite essays published in *River Teeth* in this stunning collection **Disequilibria** Robert Lunday, 2023-02-15 Winner of the River Teeth Literary Nonfiction Prize *Disequilibria* Meditations on Missingness is a hybrid memoir that recounts the 1982 disappearance of the author's stepfather James Edward Lewis a pilot and Vietnam veteran Recounting his family's experiences in searching for answers Lunday interrogates the broader cultural and conceptual responses to the phenomenon of missingness by connecting his stepfather's case to other true life disappearances as well as those portrayed in fiction poetry and film In doing so *Disequilibria* explores the transience in modern life considering the military dependent experience the corrosive effects of war and the struggle to find closure and comfort as time goes by without answers

The Untouched Minutes Donald Morrill,2004-01-01 What would you be willing to do to save someone perhaps someone you loved On a moment s notice for instance would you lunge between that person and an assailant s knife strike In that same situation what would you be willing do for yourself And what if there were nothing ultimately to be done These and other such questions live in the untouched minutes questions most of us are fortunately never compelled to answer though the media exposes us daily to the stories of those who are In February 2001 on what started out as a typical Sunday afternoon Donald Morrill and his wife Lisa Birnbaum became the victims of a home invasion and found themselves faced with

the specter of ultimate contingency In *The Untouched Minutes* Morrill recounts and examines the events of that day and its aftermath as well as the circumstances surrounding the murders of Dartmouth professors Half and Suzanne Zantop which occurred the same week Set against the unfolding drama of post 9 11 America *The Untouched Minutes* explores how violence and the threat of violence color and recast one's assumptions and can plot the course of people facing the unknown the unknowable the irredeemable Morrill presents a memorable portrait of what it means to take back the life that finally wasn't taken and in the process he offers a powerful meditation on terror and security home and travel art race luck and our individual places in the wider world **River Teeth** ,2008 **Rough Crossing** Rosemary McGuire,2017-03-01 Knowing next to nothing about fishing Rosemary McGuire signed on to the crew of the Arctic Storm in Homer Alaska looking for money and experience Cold hard work and starkly sexist harassment were what she found Here is her story of life on a fishing boat as the only woman crew member Both an adult coming of age tale and a candid look at the Alaskan fishing industry this is the story of a woman in a man's world Anyone who has ever longed to sail in heavy seas will relish her account of working in an ancient profession that has changed remarkably little over the course of human history Heroes of Havensong: The Fifth Mage Megan Reyes,2025-02-04 A powerful cast of characters in an epic tale of dragons and magic Lisa McMann New York Times bestselling author of *The Unwanteds* Follow the threads of the Fates to the captivating conclusion of this timeless fantasy series about four unlikely heroes bound together to save their world and magic itself Wren River Blue and Shenli have been struggling to face what the Fates have in store for them ever since learning they are the heroes foretold to save their world Now Haven is on the brink of war and the stakes are higher than ever River's new mage powers are as out of control as her grief endangering anyone who comes near her unless she can learn to master her abilities Shenli must finally confront the impossible decision over the fate of the Lost Ones as a battle wages between his head and his heart Finally returning home Blue with Wren at his side sets out to open the closed minds of the people of Gerbera to gain their assistance before it's too late When destiny duty and danger clash it's hard to know if you're on the right path especially if it's one you never chose in the first place And as the four friends strive to live up to their prophesied roles none of them know that there is someone out there who believes her sole purpose is to stop the heroes whatever it takes
