

River With No Bridge

**United States. Army. Corps of
Engineers**

River With No Bridge:

River with No Bridge Sue Sumii, 2011-12-27 The River With No Bridge Hashi no nai kawa explores with outspoken frankness a subject still taboo in Japan the intolerance and bigotry faced daily by Japan's largest minority group the burakumin Racially no different from other Japanese over the centuries burakumin have been cruelly ostracized for their association with occupations considered defiling Spanning the years 1908 to 1924 the original six volumes of this novel trace the developing awareness of burakumin of their rights and dignity as human beings Volume 1 translated into English for the first time in 1990 is a story about childhood in a burakumin village It tells of young Koji Hatana's questioning of the rigid social order and his growing sense of injustice as he meets prejudice from other children at school and from his teachers who try to instill in him their belief that since he was born defiled he should resign himself to his fate Told against the backdrop of Japan's struggle to shed its feudalistic past and enter the modern age the novel is a courageous work and a compelling read

River with No Bridge Karen Wills, 2017 In frontier historical novel River with No Bridge Nora Flanagan at age eighteen leaves Boston in 1882 to marry a miner in Butte Montana She anticipates achieving the respectability and security denied her as a tinker's daughter in Ireland Instead she experiences tragedy disgrace and redemption Three men love her her husband who dies in a mine explosion the secretive gambler who abandons her leaving her pregnant and half Chinese Jim Li who becomes her life partner despite prejudice against them In the course of her life Nora survives her daughter's death relinquishes her son homesteads in the wilderness and raises a Blackfeet girl She learns to cherish the beauty and healing power of nature surrounding the North Fork of the Flathead River
