Riverdale The First Fifty Years:

Riverdale Matthew V. Clemens, Riverdale Historical Committee, 2000-12-01 **The First Fifty Years** Sue Levi Elwell, Jessica Greenbaum, Hara E. Person, 2023-07-10 The ordination of Rabbi Sally J Priesand in 1972 was a watershed moment in Jewish history In *The First Fifty Years* contributors from across the Jewish and gender spectrums reflect on the meaning of this moment and the ensuing decades both personally and for the Jewish community In short pieces of new prose authors many of them pioneering rabbis share stories insights analysis and celebrations of women in the rabbinate These are intertwined with a wealth of poetry that poignantly captures the spirit of this anniversary The volume is a deep heartfelt tribute to women rabbis and their indelible impact on all of us This collection serves as a mile marker along the journey a momentary stopping place for reflection and commemoration While we experience the evolution of women in the rabbinate as inevitable that doesn't mean it was easy These pages likewise acknowledge challenges and complexities of these fifty years identifying some of the detours and roadblocks that still lie ahead In a mere half century rabbinic leadership effected a dramatic turning point in Jewish history an acknowledgment that the voices that were silent or silenced marginalized unheard and unseen are an essential part of the rich and variegated fabric of the Jewish story and must be included Becoming the most beautifully diverse inclusive and thriving community of our highest aspirations we all need to know what has led us here on the path to a healthy equitable and flourishing future From the introduction by Rabbi Hara E Person chief executive of the Central Conference of American Rabbis **The NYPD's First Fifty Years** BERNARD WHALEN, JON WHALEN, 2015-01-01 The New York Police Department is an iconic symbol of one of the world's most famous cities The blue uniforms of the men and women who serve on the force have long stood for integrity and heroism in the work to serve and protect the city's residents And yet as in any large public organization the NYPD has also suffered its share of corruption political shenanigans and questionable leadership In *The NYPD's First Fifty Years* Bernard Whalen himself a long serving NYPD lieutenant and his father Jon consider the men and women who have contributed to the department's past both positively and less so Starting with the official formation of the NYPD in 1898 they examine the commissioners politicians and patrolmen who during the next fifty years left a lasting mark on history and on one another In the process they also explore the backroom dealings the hidden history and the relationships that set the scene for the modern NYPD that so proudly serves the city today **the First 50 Years of Broadcasting** , 1982 *Children's Nature* Leslie Paris, 2010-05-10 The summer camps have provided many American children's first experience of community beyond their immediate family and neighbourhoods This title chronicles the history of the American summer camp from its invention in the late nineteenth century through its rise in the first four decades of the twentieth century OCLC *Once Upon a Time* Lord Ivan Phillips, 2020-02-20 Every story ever told really happened *The Doctor Hell Bent* 2015 Stories are fundamentally what Doctor Who is all about In *Once Upon a Time* Lord Ivan Phillips explores a wide range of perspectives on these stories and presents

a lively and richly varied analysis of the accumulated tales that constitute this popular modern mythology Concerned equally with classic and new Who Phillips looks at how aspects of the Time Lord s story have been developed on television and beyond tracing lines of connection and divergence across various media He discusses Doctor Who as a mythology that has drawn on its own past in often complex ways at the same time reworking elements from many other sources whether literary cinematic televisual or historical Once Upon A Time Lord offers an original take on this singular hero s journey reading the unsettled enigma of the Doctor in relation to the characters narratives and locations that he has encountered across more than half a century
