

Rivers for the Future

Here at American Rivers, we are driven to make more and more rivers sources of health, prosperity, and joy — for everyone, no matter who you are or where you live. This is what our vision of the future looks like and how we'll get there, together.

Restoring floodplains and wetlands will improve vital wildlife habitat and keep communities safer against flooding.

Protecting 1 million miles of rivers will ensure fish and wildlife can access healthy upstream habitat as their homes grow hotter and drier.

Protecting rivers and nature near where most people live will make our communities more resilient to drought and flooding, and allow people to access the outdoors.

Reversing the damage caused by hydropower dams will dramatically improve aquatic species survival.

Removing 30,000 harmful dams will reverse decline of migratory wildlife and fish, and help keep water sources cleaner.

Cleaning up pollution and ensuring communities have plentiful clean water will improve our cities and the well-being of people who live in them.

Making sure every river has a community of people speaking up for it will make it possible to create a future of abundant, clean water for all of us.

Advocating for laws that keep waters clean for drinking, fishing, and swimming ensures rivers can be a gateway to health and recreation.

Transforming urban rivers into healthy gathering spots for neighborhoods will inspire the next generation of community leaders, artists, and visionaries.

Rivers And People:

Rivers and People Tom Browne,1982-01-01 **The People of the River** Oscar de la Torre,2018-08-17 In this history of the black peasants of Amazonia Oscar de la Torre focuses on the experience of African descended people navigating the transition from slavery to freedom He draws on social and environmental history to connect them intimately to the natural landscape and to Indigenous peoples Relying on this world as a repository for traditions discourses and strategies that they retrieved especially in moments of conflict Afro Brazilians fought for autonomous communities and developed a vibrant ethnic identity that supported their struggles over labor land and citizenship Prior to abolition enslaved and escaped blacks found in the tropical forest a source for tools weapons and trade but it was also a cultural storehouse within which they shaped their stories and records of confrontations with slaveowners and state authorities After abolition the black peasants knowledge of local environments continued to be key to their aspirations allowing them to maintain relationships with powerful patrons and to participate in the protest cycle that led Get lio Vargas to the presidency of Brazil in 1930 In commonly referring to themselves by such names as sons of the river black Amazonians melded their agro ecological traditions with their emergent identity as political stakeholders **Scribner's Monthly, an Illustrated Magazine for the People** ,1874 **Canadian Comprehension Gr. 3-4** , Discovering the Identity of Palestine, Israel, and Jerusalem through Noah's Three Sons Beverly Fontenot,2020-11-15 An attempt has been made to show the biblical and scientific relationship which exists between Palestine Israel and Jerusalem without prejudices Since the New World was built after the Old World by Noah s three sons Shem Ham and Japheth it seems logical that all nations can agree that they all came from one and are not unequal or unrelated in this new world **Transformative Speeches of Governor Nyesom Ezenwo Wike** Ayebaesin Beredugo,2025-11-03 But thank goodness Rivers State has just been relieved of the most decadent administration in history which frittered public resources sold the State s valuable assets to cronies increased the debt burden and crippled the State s economy Governor Nvesom Ezenwo Wike As Justice Learned Hand rightly observed If we are to keep democracy there must be a commandment thou shall not ration justice Today the people of Rivers State are beneficiaries of justice in its proper measure We salute the courage and determination of the Supreme Court of Nigeria to uphold the Constitution of the Federal Republic of Nigeria and the rule of law in our democracy Governor Nyesom Ezenwo Wike We are celebrating political or flag independence But the need to deliver economic freedom to our country remains the most significant challenge before all of us Therefore on this historic day we should pledge to rededicate our lives to build a united inclusive and prosperous nation where justice peace and the rule of law shall reign supreme We are resilient and highly creative We can easily overcome our economic predicaments if we all work together with patriotism towards building trust and finding realistic solutions to the challenges buffeting the nation Governor Nyesom Ezenwo Wike As Rivers people we are proud of our contributions to the unity and progress of the Nigerian nation We remain committed to preserving the unity and

indivisibility of Nigeria All that we ask in return is justice mutual respect and adequate recompenses for our contributions and sacrifice to the economic and social progress of the country Governor Nyesom Ezenwo Wike Isaac Newton once said If I have seen further than others it is by standing upon the shoulders of giants It is therefore essential to acknowledge that whatever heights I have attained and my contributions to my State our nation and humanity it is because people inspired me believed in me gave me opportunities and supported me along this journey in diverse ways Governor Nyesom Ezenwo Wike We cannot continue to live in sin or tolerate the devil s evil ways and expect God s grace to flourish and prosper our lands Therefore we pray that the Church reflect on the social malaise affecting our country re direct its efforts towards transforming our people s lives minds and attitudes unto righteousness and restore our society s moral and religious foundations for good Governor Nyesom Ezenwo Wike The Vermont of Today, with Its Historic Background, Attractions and People Arthur Fairbanks Stone,1929 River and Stream April Pulley Sayre,1996-01-01 Describes aquatic biomes focusing on life in rivers and streams and explains the effect of pollution on these biotic communities and on the lives of people everywhere **Arizona Statewide Wild and Scenic River(s) (WSR) Legislative EIS** ,1994 **A Right to Be Wrong** Celestine Omehia,2011-09-19 This book with the intriguing title A Right to be Wrong by Celestine Omehia a lawyer politician is about the Supreme Court decision in Amaechi v Independent National Electoral Commission INEC 2007 18 NWLR Pt 1065 105 The decision must go down in history as one of the most amazing decisions ever handed down by a court of law in a democratic polity founded on the rule of law The decision is amazing because it makes a mockery of the lofty principles and ideals of democracy constitutionalism and justice which it professes to affirm uphold and apply
