

It's your road, and yours alone.
Others may walk it with you,
but no one can walk it for you.

Road Is Yours:

Walking with God on the Road You Never Wanted to Travel Mark Atteberry, 2005-08-14 The Christian life isn't always a walk in the park Children of Christian parents do die Christian businessmen do lose their jobs And husbands of Christian wives do cheat Being a Christian doesn't protect you from the tough punches life throws Taking fourteen strategies from the biblical account of the Israelite journey Walking with God on the Road You Never Wanted to Travel offers real hope to those on an unexpected difficult journey For forty years the Israelites wandered through a devastating wilderness suffering many losses and yet learning some timeless lessons These lessons presented here as strategies for modern believers are simply stated clearly explained and beautifully illustrated with dramatic and inspiring stories **A Road You Must Travel** Latisha Johnson-Freeman, 2010-05 When reading this story she is not only giving the truth about how she is feeling but she is highlighting on her true life experiences Everyone in some shape form or fashion is looking for the truth Everyone wants to know that they can trust their author and what is being said is real True emotions pour out of the pages and are felt as the readers read each line Each person will be able to put themselves in her shoes and feel the pain or happiness she may have felt at that time This book will change all who read it and will give many another look on true love Road Map to Tomorrow: It's Easier to Get There If You Know Where You're Going John Morgan Mullen, 2022-12-12 Change how a person thinks and you will change how they feel Change how they feel and you will change how they perform Change how they perform and you will change the results Change the results and you will change their lives This quote from R W Ross perfectly exemplifies my vision and dreams for Road Map to Tomorrow Road Map to Tomorrow was inspired by the responsibility of my generation to transfer the knowledge of the past while laying the foundation for the technology of the future The generational shift together with our exploding technology and gentrification of our world and everything in it You will either be prepared or you won't You will either adapt or you will professionally die This book creatively provides a technology road map that takes you into the future with contributions from over 100 scientific experts providing you with insights into the future Their studies and opinions touch on everything from computers to robots medical science to nanotechnology transportation to education employment to politics and entrepreneurial opportunities to love Our new world is exciting It presents an abundance of opportunities the likes of which we have never seen Change can cause both devastation and opportunity and those that prepare learn to react and position themselves professionally I feel like there is a better adverb to use will be light years ahead on their journey to success This book is your personal Road Map to Tomorrow Revised About the Title Change how a person thinks and you will change how they feel Change how they feel and you will change how they perform Change how they perform and you will change the results Change the results and you will change their lives This quote from R W Ross perfectly exemplifies my vision and dreams for Road Map to Tomorrow Road Map to Tomorrow was inspired by the responsibility of my generation to transfer the knowledge of the past while laying the

foundation for the technology of the future The generational shift together with our exploding technology and gentrification of our world and everything in it You will either be prepared or you won't You will either adapt or you will professionally die This book creatively provides a technology road map that takes you into the future with contributions from over 100 scientific experts providing you with insights into the future Their studies and opinions touch on everything from computers to robots medical science to nanotechnology transportation to education employment to politics and entrepreneurial opportunities to love Our new world is exciting It presents an abundance of opportunities the likes of which we have never seen Change can cause both devastation and opportunity and those that prepare learn to react and position themselves professionally will be light years ahead on their journey to success This book is your personal Road Map to Tomorrow **Finding Your Road to**
