Broken Roads Lead Me Here Colin Mackell, 2023-12-08 *Broken Roads Lead Me Here* tells the true life story of a boy born into unimaginable abuse in Glasgow in the sixties By the age of eight Colin had been abandoned by his mother and continued to be sexually physically emotionally and spiritually traumatised by the man she left him with Blunted by severe trauma Colin went through one unimaginable nightmare after another each more traumatising and soul shattering than the last with no one to tell and no way to understand why He wondered as he drifted through life what was to really become of him Or his half sisters All the while deep down sensing that one day it could be his last At fifteen he was thrown out of school and at sixteen he was sent to prison Colin survived rejection abandonment homelessness gang wars addiction mental illness overdoses suicide attempts and abusive adult relationships But it always seemed as if he was living on borrowed time Even as he started writing his memoir Colin had suffered a stroke and near his recovery's conclusion was then diagnosed with what was initially suspected as pancreatic cancer While Colin's diagnosis was eventually re-assessed as not immediately life threatening it did leave him with a series of conditions which would continue to limit the quality of his day to day life His illnesses and his experience of this instead of instilling a sense of profound hopelessness surprisingly led him to a profound sense of inner peace clarity and re-awakened purpose through his renewed faith in the real presence love forgiveness and grace of God His is a miraculous story of faith and redemption Colin Mackell is a husband father and grandfather In his professional life as Psychotherapist he has helped people who struggle to overcome drug and alcohol addiction and helps them find new meaning and explore new life paths He is also the founder of Chrysalis Supported Association Group CEO of Chrysalis Group Services providing homes and support to some of life's most vulnerable and disadvantaged people

The Cry of the Huna Moke Kupihea, 2005-05-10

Explores the breakdown in the chain of cultural transmission that has led to the decimation of Hawaiian spirituality and how it can be restored Shows how reconnection to the ancestral ways can be achieved through letting go and forgiveness of the effects of colonization Reveals how the lessons of the decline of Hawaiian spiritual tradition reflect on other religions Clarifies the complex nature of Hawaiian ancestral worship Hawaiian spirituality teaches that individuals can be truly fulfilled only if they are conscious participants in the long ancestral chain of witnessing and transmission that connects the present to the time of origins The Cry of the Huna invokes the author's personal history as he recounts the decline of his people's spiritual tradition as a result of colonization The breakdown of the Hawaiians ties with their sacred land led them to forget not only the teachings of their ancestors but also the chain of na aumakua they form which connects this people to both the earth and the realm of the gods While the na aumakua can be viewed with reverence it is not seen or worshiped as a God Rather it is seen as a part of the chain of life that arose from one god's vision of creation Aumakua is a compound of makua parents and au the endless ancestral chain that stretches through time Each individual on earth represents a temporary end to that chain As we age and our vision of life slowly looks toward death our descendents come forth to provide the next eyes in the chain of witnessing and transmission The Cry of the Huna shows how the rupture of this chain has led to widespread alienation An endless cycle of resentment and revenge is fueled by the loss of the Hawaiians spiritual birthright The connection to the aumakua however can be reforged but only by untying the circular cords of revenge to allow forgiveness to occur in the present so that healing can take place in the future Behind The Wire Fence Luke
