Road To Egdon Heath The Aesthetics Of The Great In Nature:

Road to Egdon Heath Richard Bevis, 1999-05-22 Bevis examines a wide range of English European and North American texts literary works as well as religious scientific and travel writing He surveys the literature on mountain climbing sea voyages desert travel and polar exploration and its metaphorical uses in poetry and fiction Relying on Addison's term the Great rather than the sublime he shows how works such as Darwin's journals Lyell's studies in geology and de Saussure's books on the Alps helped form an outlook on nature that also found frequent literary expression A wide ranging interdisciplinary work in the history of ideas The Road to Egdon Heath traces the growth of an aesthetic sensibility that is now ubiquitous but which would have been incomprehensible prior to the Renaissance This sensibility underlies not only much of modern literature but also our modern ideas about conservation ecology and environmentalism *Road to Egdon Heath* Richard W. Bevis, 1999 Concentrating on the eighteenth and nineteenth centuries he traces its development up to 1878 and one of its earliest conscious articulations Thomas Hardy's description of Egdon Heath in *The Return of the Native* BOOK JACKET The Cambridge Companion to the Romantic Sublime Cian Duffy, 2023-07-20 This is the only collection of its kind to focus on one of the most important aspects of the cultural history of the Romantic period its sources and its afterlives Multidisciplinary in approach the volume examines the variety of areas of enquiry and genres of cultural productivity in which the sublime played a substantial role during the late eighteenth and early nineteenth centuries With impressive international scope this Companion considers the Romantic sublime in both European and American contexts and features essays by leading scholars from a range of national backgrounds and subject specialisms including state of the art perspectives in digital and environmental humanities An accessible wide ranging and thorough introduction aimed at researchers students and general readers alike and including extensive suggestions for further reading The Cambridge Companion to the Romantic Sublime is the go to book on the subject Mr. Simson's Knotty Case Anne Skoczylas, 2001 In *Mr Simson's Knotty Case* Anne Skoczylas examines the heresy trials of John Simson professor of Divinity at Glasgow University from 1708-40 Accused of teaching unsound doctrine Simson retained his position after mild censure in 1717 but was eventually suspended from teaching and preaching after a second set of charges was brought against him in the ecclesiastical courts in the late 1720s **The Problem of Atheism** Augusto Del Noce, 2022-01-05 In 1964 Augusto Del Noce assembled in a book some of his best works on Marxism atheism and the history of modern philosophy The result was *Il problema dell'ateismo* which he always regarded as foundational to his way of thinking The book remains his best known work and is still in print in Italy almost sixty years later The Problem of Atheism offers the first English translation of this landmark book one of the earliest works to recognize the new secularizing trends in Western culture following World War II Del Noce situates atheism historically reconstructing its philosophical trajectory through European modernity Documenting the author's entire intellectual experience these essays explore the birth of modern philosophy reckon with the great

European crisis of 1917 to 1945 and the Cold War that followed and mine the opposition between Marxism and the rise of the affluent society The result is rich with premonitions of the cultural landscape that would take shape throughout the 1960s and the decades that followed Proving its English translation to be long overdue The Problem of Atheism remains relevant to contemporary debates about secularization political theology and modernity

Jena Romanticism and Its Appropriation of Jakob Böhme Paola Mayer,1999-11-26 These appropriations fall into two main groups those pertaining to the name Böhme or a life assigned to it and those involving concepts or images from the mystic's oeuvre The first group constituted an attempt to co-opt the aura of sanctity attached to portrayals of the poet prophet in order to invest Romantic Poesie with the sacral standing of religion The second group exemplified by Friedrich Schlegel and Friedrich Schelling involved the borrowing and radical redefinition of a few concepts and images from Böhme's work in the hope of bridging the gap between the abstract first principle of idealism and the personal God that became an emotional necessity for both thinkers Jena Romanticism and Its Appropriation of Jakob Böhme treats the Romantic reception of Böhme as a striking example of how the past is appropriated and rewritten in the service of self-affirmation Analysing the need and the techniques for this self-affirmation sheds light on the nature of the self to be affirmed and on the content and underlying motivation of the Romantic program

An Aristotelian Account of Induction Louis F. Groarke,2009-11-01 In An Aristotelian Account of Induction Groarke discusses the intellectual process through which we access the first principles of human thought the most basic concepts the laws of logic the universal claims of science and metaphysics and the deepest moral truths Following Aristotle and others Groarke situates the first stirrings of human understanding in a creative capacity for discernment that precedes knowledge even logic Relying on a new historical study of philosophical theories of inductive reasoning from Aristotle to the twenty-first century Groarke explains how Aristotle offers a viable solution to the so-called problem of induction while offering new contributions to contemporary accounts of reasoning and argument and challenging the conventional wisdom about induction

Subaltern Appeal to Experience Craig Ireland,2004-04-23 Combining historical findings with discourse analyses and diagnostic readings of recent subaltern and aesthetic inquiry Ireland reveals that the term experience has been incorrectly understood Since the 1970s persistent appeals to experience in identity politics and cultural inquiry testify not only to the influence of a particular modern concept but more importantly to the historical status of modern self-identity

Contemplation and Incarnation Christophe F. Potworowski,2001 Marie Dominique Chenu was a key figure in the re-vitalization of theology and renewal of the Church that culminated in the Second Vatican Council He successfully combined a return to the medieval sources of theological reflection with a new sensitivity to
