War and Peace Howard Fast, 2016-09-16 In more than 100 essays written over a three year period for the New York Observer Howard Fast looks with horror at the official violence inflicted on Nicaragua El Salvador Grenada Panama and Iraq and the unofficial violence that is taking place in the cities of the United States In *War and Peace* Fast summons us to face the wars and the social disintegration that degraded the Reagan and Bush years with all the explanations and excuses stripped away He dwells on the monumental folly of the Cold War and shows us repeatedly what we could have done with the billions spent on planes bombs and guns if we had spent them on the education and safety of our children on housing medical care rebuilding the cities and what we can still do in the future As in Swift Yahoos populate the essays of this book the drug dealers the local political hacks the anti Semites the racists the women bashers the arms traffickers the whole unsavory cast As in Menckens bores run loose in the White House and in the halls of Congress From time to time a Candide like character named Demas Yiddish for the truth appears and asks embarrassing

questions about the ways of our civilisation which his interlocutor is hard pressed to answer And yet after Howard Fast recounts the inanity and brutality of these years he offers a humane vision of what America and the rest of the world could be These essays should hold a place in 20th century letters as a statement of unsurpassed passion on the theme war and peace
