Robert E. Lee The Christian:

Robert E. Lee William Jackson Johnstone, 1933 Examines the religious and spiritual character of Robert E. Lee in his conduct and relations with his family associates friends and enemies General Robert E. Lee, the Christian Soldier Judith White McGuire, 1873 **The Religious Life of Robert E. Lee** Cox, R. David, 2017 Robert E. Lee was many things accomplished soldier military engineer college president family man agent of reconciliation polarizing figure He was also a person of deep Christian conviction In this biography of the famous Civil War general R. David Cox shows how Lee's Christian faith shaped his crucial role in some of the most pivotal events in American history Back cover The Christian Testimony of General Robert E. Lee Edward DeVries, 2016-08-10 Military achievement was only a small portion of the life story of General Robert E. Lee General Lee also served as the president of a Christian College a Bible Society President and he was instrumental in the founding and or construction of over 60 churches His character and strong Christian faith documented in this 17 chapter book 161 sources are listed in the endnotes **General Robert E. Lee, the Christian Soldier** Judith W. McGuire, 2015-06-26 Excerpt from General Robert E. Lee the Christian Soldier This little volume has been prepared by a lady of Virginia at the request of a few Christian men who have deeply revered and heartily loved the character of General Robert E. Lee Looking upon him as a very high type of manhood they have desired that his testimony to the truth of Christianity and the example and teaching of his life so single hearted so clear so eloquent in behalf of duty of virtue and of religion should be as widely influential and as effective as possible Until in the course of Providence sectional animosity in this country culminated in fury and great questions of state were referred to the arbitrament of the sword there was no man who stood so fairly in the eyes of the whole American people or who had so sure and unquestioned a title to their esteem and affection as General Lee About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Great Military Leaders** William T. Worthington, 2002 Great Military Leaders A Bibliography with Vignettes **General Robert E. Lee After Appomattox** Franklin Lafayette Riley, 1922 **Handbook for the Christian Faith** James M. Dawsey, 2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion

What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be **Christianity in America** G. Wright Doyle,2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy Robert E. Lee, the Christian William J. Johnstone,2013-10
