Robert Lowell Life Art

Steven Gould Axelrod

Robert Lowell Life Art:

Robert Lowell Steven Gould Axelrod, 2015-03-08 This major interpretation of the life and art of Robert Lowell exposes the full relationship between the poetry and the personal and national experience to which it is so remarkably connected. Steven Axelrod proposes that the key to our understanding of Lowell's poetic achievement lies precisely in this interpenetration of his life and his art. Originally published in 1978, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **Robert**

Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book-length study focusing on Robert Lowell's career-long preoccupation with the liberal mode of translational adaptation known as imitation. Robert Lowell's *Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination, secrecy and security, post-imperial U.S. expansion and Empire. It departs from studies focused solely on *Imitations* (1961), Lowell's book-length collection of translational adaptations, by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* (1944) and *Lord Weary's Castle* (1946) through his celebrated mid-career collections *Life Studies* (1959) and *For the Union Dead* (1964) and to later works such as *Near the Ocean* (1969) and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* (1967). Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career. In so doing, he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform, develop, and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession. As literary sites at which containment's dualities, porosities, leakages, and contaminants are most clearly displayed, Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal, regional, and national frameworks through which Lowell has commonly been understood. **Robert**

Lowell's Language of the Self Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self-examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry. Although he was never psychoanalyzed in a strictly Freudian sense, Lowell spent many years in psychotherapy. Wallingford stresses not the pathological aspects of Lowell's work, however, but rather his lifelong process of self-examination, a process with ethical as well as psychological dimensions. She links this process to the

tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana Allen Tate and his cousin Harriet Winslow Wallingford treats Lowell s use of specific psychoanalytic techniques free association repetition concentration on the relation between the poet and the other to whom he addresses himself and the use of memory to probe the past The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques Lowell believed firmly in the identity of self and language one life one writing and this study brings us closer to an understanding both of the poet and of his dense and moving poetry It enriches our reading of Lowell s poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques techniques that have in our time become integrated into our culture as a whole Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

American Catholic Arts and Fictions Paul Giles,1992-06-26 Examines how secular transformations of religious ideas have helped to shape the style and substance of works by American writers filmmakers and artists from Catholic backgrounds

Reading the Middle Generation Anew Eric Haralson,2006-04 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets biographical historical deconstructionist and more formalist accounts this book re examines their between ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature s nation and U S race relations and ethnic conflicts *Reading the Middle Generation Anew* also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets

The Cambridge Companion to American Poets Mark Richardson,2015-10-15 This Companion brings together essays

on some fifty four American poets from Anne Bradstreet to contemporary performance poetry This book also examines such movements in American poetry as modernism the Harlem or New Negro Renaissance confessional poetry the Black Mountain School the New York School the Beats and L A N G U A G E poetry **The Hand and the Pen** Claire M. Cheek,2021

The Cambridge Companion to Elizabeth Bishop Angus Cleghorn,Jonathan Ellis,2014-02-17 This Companion engages with key debates surrounding the interpretation and reception of Elizabeth Bishop s published and unpublished writing in relation to questions of biography the natural world and politics Chapters from an international team of scholars explore the full range of Bishop s artistic achievements and the extent to which posthumous publications have contributed to her enduring popularity Robert Lowell, Setting the River on Fire Kay Redfield Jamison,2018-02-06 PULITZER PRIZE FINALIST In this magisterial study of the relationship between illness and art the best selling author of *An Unquiet Mind* Kay Redfield Jamison brings an entirely fresh understanding to the work and life of Robert Lowell 1917 1977 whose intense complex and personal verse left a lasting mark on the English language and changed the public discourse about private matters In his poetry Lowell put his manic depressive illness now known as bipolar disorder into the public domain and in the process created a new and arresting language for madness Here Dr Kay Redfield Jamison brings her expertise in mood disorders to bear on Lowell s story illuminating not only the relationships between mania depression and creativity but also how Lowell s illness and treatment influenced his work and often became its subject A bold sympathetic account of a poet who was both despite and because of mental illness a passionate original observer of the human condition *The Architecture of Address* Jake Adam York,2004-05 *The Architecture of Address* traces the evolution of an American species of lyric capable of public pronouncement without polemic Beginning with Whitman Jake Adam York seeks to describe a kind of poem wherein the most ambitious poets including Hart Crane and Robert Lowell occupy and reconstruct important public spaces This study argues that American poets become civic actors when their poems imagine and reconstruct the conceptual architecture of the monument

Enjoying the Song of Phrase: An Emotional Symphony within **Robert Lowell Life Art**

In a global eaten by screens and the ceaseless chatter of fast conversation, the melodic beauty and mental symphony produced by the published term often disappear in to the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. But, located within the pages of **Robert Lowell Life Art** a wonderful literary value overflowing with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that interesting masterpiece conducts viewers on a mental journey, well unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of the touching analysis, we can investigate the book is main harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
