Robert Louis Stevenson A Critical Biography Part One

John A. Steuart

Robert Louis Stevenson A Critical Biography Part One

Robert Louis Stevenson

Robert Louis Stevenson A Critical Biography Part One:

Robert Louis Stevenson Harold Bloom, 2009 Presents a collection of critical essays on the works of Robert Louis Stevenson *The Complete Works of Robert Louis Stevenson* Robert Louis Stevenson, 2024-01-04 The Complete Works of Robert Louis Stevenson is an expansive compilation that encapsulates the varied genius of one of the late Victorian era's most celebrated authors. This anthology encompasses Stevenson's diverse literary output, including his gripping novels, enchanting short stories, and insightful essays, all characterized by his distinctive prose style that marries vivid imagery with profound psychological depth. Comprising works such as *Treasure Island*, *The Strange Case of Dr Jekyll and Mr Hyde*, and poetry, this volume reflects the intricate interplay of adventure, morality, and the duality of human nature, a context deeply influenced by the socio-political transformations of 19th-century Britain, as well as Stevenson's own fascination with existential themes and moral ambiguity. Robert Louis Stevenson was a Scottish author born in 1850 who cultivated a passion for storytelling from a young age. His adventurous spirit and extensive travels inspired his narratives, which often explore the complexities of identity and the human condition. Living with ill health throughout his life, Stevenson infused his works with a sense of urgency and introspection, examining themes that continue to resonate with modern readers. His upbringing in a family of engineers encouraged a love for both creativity and adventure, ultimately shaping his literary pursuits. I highly recommend *The Complete Works of Robert Louis Stevenson* for both scholars and casual readers seeking to immerse themselves in the richness of his narratives. This comprehensive collection not only serves as an essential reference but also as a captivating journey through the intricate worlds Stevenson created. Dive into this anthology to appreciate the timeless themes and innovative storytelling that continue to inspire literature and adventure. In this enriched edition, we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works, unifying features, themes, or stylistic evolutions. The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. A Historical Context section situates the works in their broader era, social currents, cultural trends, and key events that underpin their creation. A concise Synopsis Selection offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different works' strengths. Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes. *Robert Louis Stevenson, Science, and the Fin de Siècle* J. Reid, 2006-06-28 In this fascinating book, Reid examines Robert Louis Stevenson's writings in the context of late Victorian evolutionist thought, arguing that an interest in primitive life is at the heart of his work. She investigates a wide range of Stevenson's writing, including *Dr Jekyll and Mr Hyde* and *Treasure Island*, as well as previously

unpublished material from the Stevenson archive at Yale Reid's interpretation offers a new way of understanding the relationship between his Scottish and South Seas work Her analysis of Stevenson's engagement with anthropological and psychological debate also illuminates the dynamic intersections between literature and science at the fin de siècle

The Bookman's Journal and Print Collector, 1924 Robert Louis Stevenson John Alexander Steuart, 1924 Arthur Ransome's Long-lost Study of Robert Louis Stevenson Arthur Ransome, 2011 The Swallows and Amazons author's lost study of the author of Treasure Island finally available with a substantial introduction detailing its rediscovery and Ransome's extraordinary early career
