Eberhart, 2010-05-10 After years spent editing American Libraries and the many editions of The Whole Library Handbook George Eberhart has collected a raft of arcane librarians and amusing trivia for this endlessly browsable volume the mixture of serious topics tongue in cheek items and outright silliness provides something to please everyone familiar with libraries making a fun read and a wonderful gift Page 4 of cover **Birder's Bible** Keith Sutton, Stoecker Publishing, Theresa C. Sutton, 2005 Stoecker's new 400 page Birder's Bible is a comprehensive guide to the exciting field of birding In the pages of Birder's Bible you'll find fascinating and informative feature articles by respected experts in the field Birder's Bible is the most thorough one stop source of information on birding with up to date specifications and current prices for hundreds of items including bird feeders and feeder accessories bird food products birdhouses birdbaths and ponds and much more You'll find a comprehensive listing of birding optics binoculars spotting scopes and accessories and a guide to birding field guides checklists life lists journals computer software and audio video products as well Whether you take to the fields and forests with spotting scope and life list or simply enjoy watching the feeding station in your back yard you'll find Birder's Bible an indispensable guide specifically created with the dedicated birder in mind Key Selling Points Birding is one of the fastest growing outdoor activities in North America Incisive informative feature articles written by some of the nation's leading authorities on birds and birding Product guide containing information on hundreds of items ranging from spotting scopes to bird song CDs

Birding with Yeats Lynn Thomson, 2014-05-03 A delicately rendered memoir on motherhood family and the beauty of the natural world In fall 2007 Lynn Thomson experiences a huge life shift Her teenage son Yeats is just beginning high school Yeats has always struggled against the system against the pressure to conform He is a poet at heart acutely sensitive highly intelligent and solitary by nature Lynn and Yeats have always been close but after fourteen years as a stay at home mom Lynn is going back to work for her husband Ben who has just opened his own bookstore When Lynn and Yeats take a trip to Vancouver Island they discover a mutual love of bird watching Lynn is the only other person Yeats has

found who loves nature and watching birds Plus she has a car Lynn describes in wondrous detail the many trips she and Yeats take from the Wye Marsh and Pelee Island in Ontario to Vancouver Island in British Columbia to an ill fated trip to the Galapagos Islands The two grow closer with each bird watching expedition At the same time Lynn notices that her son is beginning to pull away and she must learn to let go Birding with Yeats is a delicate sensitive and gentle reflection on the unique bond between a mother and son and the magic that is the natural world **Lake Nipigon** Nancy Scott,2015-01-03 The natural history of Lake Nipigon the primary watershed feeding the Great Lakes is explored as well as the evolving human history of the area from its aboriginal prehistory through first European contact the fur trade era resource development and ultimately to the communities that exist there today **Birds of Ontario** Hughes, Ted,Janice Hughes,2001-04-01 This unique publication produced in association with the Royal Ontario Museum is the guide Ontario birders have been waiting for The ROM Field Guide to Birds of Ontario is researched and written specifically for the Ontario bird watcher It is the most authoritative easy to use and beautifully designed guide to Ontario birds available This landmark publication features Detailed and clearly written descriptions of more than 300 migrant and resident Ontario bird species and accidentals including notes on Appearance Voice Habitat and Behaviour and Status Close to 400 stunning full colour photographs from Canada s top wildlife photographers carefully selected for quick and easy identification in the field Over 300 easy to read colour distribution maps showing summer and winter ranges and breeding grounds Handy page per species format with photo description and range map all in one place Glossary Checklist of Ontario Birds and Index **Erratic North** Mark Frutkin,2008-08-15 In geology an erratic is a boulder or rock formation transported some distance from its original source as by a glacier In award winning novelist Mark Frutkin s case his movement from his native Cleveland Ohio was instigated by his wish to protest and resist the U S military draft during the Vietnam War and his destination was Canada An estimated 50 000 to 100 000 American Vietnam War draft resisters sought sanctuary in Canada Many of these men stayed became Canadian citizens and have made significant contributions to the country including writers such as William Gibson George Fetherling Keith Maillard and Jay Scott musicians Jesse Winchester and Jim Byrnes children s performer Eric Nagler and radio personality Andy Barrie Although this first nonfiction work by Mark Frutkin looks back at the circumstances and culture of the late 1960s and early 1970s that prompted the author to relocate to Canada Erratic North is about many other things It s also a lyrical meditation about returning to nature in the bush country of Quebec and an account of the crucible that forged one writer Tying everything together though is the overarching theme of the book a contemplation of humanity s embrace of war and violence and the countervailing impulse to resist that embrace specifically as seen in the experience of Frutkin himself his grandfather Simon who escaped Tsarist Russia and its military in the 1890s and Louis Drouin the Quebec farmer Frutkin bought his original farm from and who resisted conscription in World War II **Non-native Species and Their Role in the Environment** Radu Cornel Guiaşu,2016-08-01 The young field of invasion biology initially a branch of ecology and

conservation biology has greatly expanded particularly in the last two and a half decades or so As a result the potential negative effects of introduced species have been widely advertised and sometimes perhaps overemphasized This book attempts to restore some balance to the current debate over the role of non native species by offering a broader perspective and taking a longer term evolutionary look at these species and their impact in their new environments The relatively arbitrary nature of terms such as native and non native and the rather inconsistent ways in which such terms are applied to biological species as well as the subjective boundaries of so called native ranges are analyzed The role of non native species in their new environments can be considerably more complex than the anti introduced species information would often suggest Thus the more positive and nuanced perspective on introduced species and their impact offered in this book is much needed and long overdue

Island Girl Lynda Simmons,2010-12-07 There are people who try hard to forget their problems All Ruby wants to do is remember Ruby Donaldson has been diagnosed with early onset Alzheimer s Disease and she ll be damned if she won t straighten out her troubled family before she no longer knows how Ruby spent years fighting to hold on to the home her grandmother built on Ward s Island The only way she can ensure that her younger mentally scarred daughter Grace can live there for the rest of her life is to convince her older daughter Liz to sober up and come home Ruby always thought she d have a lifetime to make things right but suddenly time is running out She has to put her broken family back together quickly while searching for a way to deal with the inevitable and do it with all the grit stubbornness and unstoppable determination that makes Ruby who she is until she s Ruby no longer **Rotunda** ,2001 *Secret Toronto* Scott Mitchell,2002-04 What s been said about Secret Montreal [The Blue Bill](#) ,2000 **Canadian Books in Print.**

Author and Title Index ,1975 [Canadian Book Review Annual](#) ,1975 **Field Guide to the Birds of Ecuador** Robin Restall,Juan Freile,2019-05-18 The definitive field guide to the rich avifauna of Ecuador This up to date and comprehensive guide to the birds of mainland Ecuador is a valuable resource for anyone exploring the mountains forests and wetlands of this incredibly bird rich country With thousands of beautiful and detailed paintings accompanied by concise descriptions and accurate maps this is an indispensable guide to bird identification in Ecuador It covers every species and most subspecies recorded in Ecuador including migrants and vagrants with accurate and up to date distribution maps There are also 291 colour plates included which illustrate more than 1 630 species with text on facing pages for quick and easy reference Concise text provides an overview of the species identification voice habits habitats range distribution and status

Toronto's Ravines and Urban Forests Jason Ramsay-Brown,2020-07-20 No matter where you are in Toronto you are close to a ravine In these often hidden places you can find an astonishing diversity of birds flowers and trees Jason Ramsay Brown has spent twenty years exploring the more than one hundred ravines parks and urban forests within Toronto s boundaries For this book he has selected the thirty natural areas most rewarding to visitors and provided accounts of what you will encounter there and what you can learn of the city s history as well The variety of flora and fauna is astonishing In

one park alone the Leslie Street Spit more than three hundred species of birds have been identified since the turn of the millennium The increasingly scarce butternut tree can be found in Warden Woods and wildlife such as deer beaver foxes and coyotes are often spotted along many ravine trails Jason tells the story of ongoing efforts of ecological restoration and stewardship to protect these habitats and ecosystems such as the wetlands of Taylor Creek Park and the old growth forest within Glendon Forest The ravines also contain many landmarks of local history rumours of buried British gold in Scarborough s Gates Gully large First Nations encampments near L Amoureux Park and early industries like Todmorden Mills With extensive visuals illustrating all thirty ravines and forests from across the city this book offers something for every Torontonians and every visitor

Algonquin Park Jan Rinik, Martin Rinik, 2014-05-05 Most visitors to Algonquin Provincial Park experience its beauty during the summer months This book shows readers the diversity of wildlife and striking landscapes that appear throughout fall winter and spring Images and text together create a compellingly beautiful portrait of Algonquin Park capturing the wildlife forests lakes plants flowers and even mushrooms that illustrate the incredible diversity of the park through all seasons Talented painters illustrators and photographers Jan and Martin Rinik have spent years creating the rich range of visuals contained in this book More than 200 colour illustrations grace these pages along with 125 photographs of the park in all four seasons With training as a biologist Martin Rinik contributes authoritative information on the many species found in the park The result is a stunning and informative portrait one of the most diverse natural habitats in the world

Birds of Nunavut James M. Richards, Anthony J. Gaston, 2018-08-15 Nunavut is a land of islands encompassing some of the most remote places on Earth It is also home to some of the world s most fascinating bird species The windswept tundra rocky shorelines and icy waters of this thinly populated land are integral to the survival of numerous breeding and non breeding birds including the colourful King Eider the stately Snowy Owl the spritely Snow Bunting and the globe spanning Northern Wheatear Birds of Nunavut is the first complete survey of every species known to occur in the territory It is co written by a team of eighteen experts who have conducted a combined total of 300 seasons of fieldwork in Nunavut They document 295 species of birds of which 145 are known to breed in the territory presenting a wealth of information on identification distribution ecology behaviour and conservation Lavishly illustrated with over 800 colour photographs and 155 maps it is a visually stunning reference work on the birds that live in and visit Nunavut
