Roman Legends A Collection Of The Fables And Folk:

Roman Legends: A Collection of the Fables and Folk-lore of Rome R. H. Busk, 2020-09-28 At another time one would have to spend hours in listening to detached incidents altogether lacking a thread to connect them or stories of which the point had been so completely lost that they could only have been made available by means of a reconstruction too integral to be honestly attempted As e g Oh yes I know a story of an enchantress who had a gown which made her invisible and a pair of boots which would carry her a thousand miles without walking but I quite forget what she did with them Or else it might be I knew a story of a king whose wife had been fatata subjected to magic influence and maligned by her mother in law while the king was gone to the wars but that s all I remember except that in the end the queen was rehabilitated and the mother in law punished incidents of stories recurring in every collection but tantalisingly lacking all means of further particular identification with any Sometimes too it would be only a title that could be recalled and nothing more as in the case of a certain Uccello Biverde which I have been several times assured is a most beautiful story but I have never yet succeeded in meeting with any one who could supply the narrative I have further felt called sometimes to exercise a difficult forbearance in withholding some specimens which at first promised to afford singular instances of interchanged episodes but which there afterwards appeared reason to conclude were merely jumbled in the bad memory of the narrator and had therefore no individual interest but were rather calculated to mislead One of my worst disappointments was the case of a very old woman who I am assured knows more of such things than anyone in the world but whom nothing can induce to repeat them now She has grown so toothless and tremulous and inconsecutive that it is not easy to understand her but I think her arguments are not difficult to appreciate in the following way that having had a long run of weary bad fortune she had rather not dwell on stories where things turned out as one could wish to have them She wants to go to heaven she says and so she believes in God and whatever else she mustbelieve but for anything more for special interpositions of Providence and anything one is not obliged to believe she had rather say nothing about all that But don t tell them then as if you believed them tell them only as a pastime just to oblige me I thought I had moved her but the utmost she would yield was to promise to think about it before I came again and when I came again she was as rigid as ever It is vexatious to think that a vast store is going to the grave with her under one s very eyes and that one cannot touch it

Roman Legends Rachel Harriette Busk, 2025-03-29 Delve into the rich tapestry of Roman storytelling with *Roman Legends A collection of the fables and folk lore of Rome* by R H Busk This meticulously prepared print edition brings together a fascinating collection of Italian legends myths and fables offering a window into the heart of ancient Rome Explore the folklore that shaped a civilization revealing its beliefs values and enduring spirit From the founding of the city to the tales whispered through generations this volume preserves the captivating stories that have resonated for centuries Discover the characters and narratives that embody the essence of Rome providing insight into its history and cultural heritage *Roman Legends* is an essential resource for anyone interested in the history of Rome

adaptable part of cultures around the world Drawing on cognitive science evolutionary theory anthropology psychology literary theory and other fields Zipes presents a nuanced argument about how fairy tales originated in ancient oral cultures how they evolved through the rise of literary culture and print and how in our own time they continue to change through their adaptation in an ever growing variety of media In making his case Zipes considers a wide range of fascinating examples including fairy tales told collected and written by women in the nineteenth century Catherine Breillat s film adaptation of Perrault s Bluebeard and contemporary fairy tale drawings paintings sculptures and photographs that critique canonical print versions While we may never be able to fully explain fairy tales *The Irresistible Fairy Tale* provides a powerful theory of how and why they evolved and why we still use them to make meaning of our lives

Alphabetic Catalogue of the English Books in the Circulating Department of the Cleveland Public Library Cleveland Public Library,1889 **Folktales of Newfoundland** J.D.A. Widdowson,Herbert Halpert,2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case

The Queen of the Air: Being a Study of the Greek Myths of Cloud and Storm John Ruskin,2019-12-02 In *The Queen of the Air Being a Study of the Greek Myths of Cloud and Storm* John Ruskin meticulously examines the rich tapestry of Greek mythology centering on the elemental forces of nature clouds and storms as manifestations of divine presence Utilizing a unique blend of lyrical prose and insightful critique Ruskin navigates the intersections of literature art and philosophy drawing connections between ancient narratives and contemporary environmental attitudes His exploration spans the symbolic meanings of weather phenomena illustrating how they reflect human emotion and spirituality in a Victorian context marked by industrial advancement and the growing detachment from nature John Ruskin a prominent Victorian art critic social thinker and reformer was deeply influenced by the Romantic

movement's reverence for nature. His extensive studies in art and architecture coupled with an acute awareness of societal issues propelled him to explore the myths that shaped the cultural understanding of natural phenomena. Ruskin's personal engagement with nature as well as his dismay over its degradation impelled him to write this work emphasizing a need for renewed connection to the natural world. *The Queen of the Air* is not only a significant literary accomplishment but also an essential read for anyone interested in the relationship between mythology and environmental consciousness. Ruskin's illuminating insights challenge readers to reflect upon the narratives we construct around nature, making this book an indispensable contribution to both literary and ecological discourse.
