in New England New York New Jersey and Pennsylvania during the first half of the Revolutionary War British generals
decided to turn south where they believed they could win the war in a region more heavily populated by Loyalists In late
1778 a British expeditionary force sailed south from New York City and captured Savannah which became a British base of
operations and strategic hinge To thwart the British an international force gathered around Savannah including Americans
Poles Germans Irish and significantly a volunteer force of free Blacks from present day Haiti the Chasseurs Volontaires de

men the sons of French fathers mostly sugar plantation owners and slave mothers in France s most prosperous overseas
colony In the fall of 1779 this force joined the attack on the British at Savannah in a series of frontal results The French and
Americans were repulsed at great cost in lives but the free Black Haitians stood their ground and in a moment of high

courage that has never received its due stymied a British counterattack that salvaged the day for the Americans and French A rock at Savannah on behalf of the American Revolution many of the Haitian survivors of the battle went on to serve the cause of liberty in the Haitian Revolution and help found the first Black republic in world history This is their story *The Oxford Encyclopedia of Women in World History* Bonnie G.
