Handbook of Arthurian Romance Leah Tether,Johnny McFadyen,2017-06-26 The renowned and illustrious tales of
King Arthur his knights and the Round Table pervade all European vernaculars as well as the Latin tradition Arthurian
narrative material which had originally been transmitted in oral culture began to be inscribed regularly in the twelfth century
developing from pseudo historical beginnings in the Latin chronicles of historians such as Geoffrey of Monmouth into
masterful literary works like the romances of Chr tien de Troyes Evidently a big hit Arthur found himself being swiftly
translated adapted and integrated into the literary traditions of almost every European vernacular during the thirteenth and
fourteenth centuries This Handbook seeks to showcase the European character of Arthurian romance both past and present
By working across national philological boundaries which in the past have tended to segregate the study of Arthurian
romance according to language as well as by exploring primary texts from different vernaculars and the Latin tradition in
conjunction with recent theoretical concepts and approaches this Handbook brings together a pioneering and more complete
view of the specifically European context of Arthurian romance and promotes the more connected study of Arthurian

literature across the entirety of its European context **Texts Of Desire** Linda K. Christian-Smith University of
Wisconsin-Oshkosh, USA.,2014-01-14 First published in 1993 Routledge is an imprint of Taylor Francis an informa company

The Kincaids - Denver Nancy Morse,2021-06-28 Oldest of the Kincaid boys Denver Kincaid is a hard working loner
haunted by guilt over his part in his younger brother's abduction by the Kiowa years earlier Convinced no woman would want
a man who'd been unable to protect his own kin he has resigned himself to a life without love Nell Hayes flees the lonely life
of a circus performer in New Orleans and arrives in Texas under false pretenses only to find her life in danger when a greedy
railroad tycoon covets her land Denver comes to her aid never expecting to fall hard for the pretty pretender But will Nell's
secret and Denver's inability to come to terms with the past stand in the way of these two lonely hearts long awaited chance
at love *The Editor* ,1919 The Romance of Words Ernest Weekley,1913 Sex and the Office Kim

Elsesser,2015-09-01 Women are not to blame for their lack of advancement at work Failure to lean in and greater
responsibility for childcare don't fully explain why women are not reaching the top levels of many corporations The truth is
many senior male executives are reluctant to have a one on one meeting with a junior woman at work They're afraid that an
offhand remark will be misinterpreted as sexual harassment or that their friendliness will be mistaken for romantic interest
As a result many male executives stick with other men especially when it comes to dinners drinks late night meetings or
business trips When it's time for promotions or pay raises these same executives are more likely to show preference to the
employees with whom they feel most comfortable other men In *Sex and the Office* Kim Elsesser delves into how issues as

varied as workplace romance spousal jealousy organizational sexual harassment policies and communication differences create barriers between the sexes at work Since senior management is still largely dominated by men these barriers which Elseser labels the sex partition often leave female employees without the influential friends and mentors critical for career success Fortunately all hope is not lost Elseser offers practical advice on how to break down the sex partition and reveals the best strategies for networking with the opposite sex Sex and the Office is sure to spark new dialogue on the sources of the gender gap as well as its solutions

Publishing Romance John Markert, 2016-03-15 Romance novels have attracted considerable attention since their mass market debut in 1939 yet seldom has the industry itself been analyzed Founded in 1949 Harlequin quickly gained market domination with their contemporary romances Other publishers countered with historical romances leading to the rise of bodice ripper romances in the 1970s The liberation of the romance novel's content during the 1980s brought a vitality to the market that was dubbed a revolution but the real romance revolution began in the 1990s with developments in the mainstream publishing industry and continues today This book traces the history and evolution of the romance industry covering successful and not so successful trends and describing changes in romance publishing that paved the way for the many popular subgenres flooding the market in the 21st century
