The Corrupted Love Trilogy Box Set K.M. Scott, 2018-06-17 Get all three books in the Corrupted Love Trilogy in one box set and see why readers can't get enough of Ryder and Serena's unforgettable story of passion, crime, and the lengths you go to for love. If I Dream: An epic story of forbidden love by K.M. Scott, New York Times and USA Today bestselling author of the Heart of Stone and Club X Series. One of the richest men in the world, Robert Erickson bought and sold all he wanted. People were no exception, including me, a penniless fighter. He found me living in a single room by day and fighting in the underground bouts by night. I was to be family, the son he never had. So he brought me to his home, but he had one rule: Don't touch his daughters. The first time I met Serena, I knew I'd never be able to obey that rule. Beautiful and good, she was everything I'd ever dreamed of. Our love was forbidden, but that only made her more tempting. Being with her could mean the end of me. I knew that, and still, I couldn't stay away. If You Fight: The second book in the unforgettable Corrupted Love Trilogy, an epic story of forbidden love by K.M. Scott, New York Times and USA Today bestselling author of the Heart of Stone and Club X Series. He wanted us to be his pawns, but I couldn't let her father use Serena like that. I swore to her: I'd always protect her, and if it cost me everything in this world, I'd keep my word. Even if it meant returning to the one place I swore I'd never go back to again. I used to be just a fighter, but I learned a thing or two in my time in Robert's world. He wanted to punish me for loving Serena. He had no idea what a man would do when he's cornered with no way out. If We Fall: I protected Serena from everything I could in her father's world, but with each horrible act he committed, I knew the time would come when protecting her wouldn't be enough. When that day came, and it was either Robert or me who survived, I did what I had to so the woman I loved and my child were safe. May heaven help me. I used to fight to survive. Then I fought for love. In the end, I fought for family. Topics: possessive hero romance, family life romance, contemporary romance, erotic romance. New York Times bestseller, USA Today bestseller.
