**Clifford J. Rogers**

## **Romancero Viejo:**

**Romancero viejo** María De los Hitos Hurtado,1997 En la memoria colectiva de los pueblos siempre encontramos que de una manera o de otra las gentes han reflejado su historia en canciones y poemas transmitidos oralmente a lo largo de los siglos Estos textos los romances como forma más popular nos permiten conocer no sólo a los héroes del pasado a los que protagonizaron los hechos más destacados sino que también nos acercan a los sentimientos y a la vida de la gente común expresados con una frescura que aún hoy sorprende a sus lectores El romance tal como nos ha llegado es una forma literaria en la que se cruzan distintos géneros pico narrativo lírico y dramático En este volumen se recogen variadas y escogidas muestras de nuestro más tradicional romancero viejo los amores y desdichas de don Rodrigo los presagios de doña Alda los trabajos del Cid o las cuitas de un prisionero

**Romancero viejo** Anónimo,2010-08-31 El Romancero viejo está formado por romances anónimos compuestos entre el siglo XIV y el siglo XVI Los primeros romances tienen su origen en el cantar de gesta y cada uno de sus versos estaba dividido en dos partes o hemistiquios por una pausa o cesura con una sola rima asonante Como la fórmula del romance gustaba mucho al público los juglares empezaron a componer otros en los que daban noticias recogían leyendas populares batallas crónicas históricas etc Los romances son poemas de lenguaje sencillo y en ocasiones los juglares dejaban la acción interrumpida para dar mayor misterio a sus narraciones En el Romancero viejo algunos poemas tienen una inspiración morisca como el que narra cómo en el año 1431 el rey Juan II de Castilla llega ante Granada junto al infante moro Aben mar a quien había ofrecido el trono de este reino la ciudad se rinde y el infante es reconocido rey También se relatan historias trágicas como la del Romance del conde Alarcos que resumimos en este fragmento del poema Prometistes a la infanta lo que ella no os pedía de siempre ser su marido y a ella que le placía Si a otras cosas pasastes no entro en esa porfía Otra cosa os digo conde de que más os pesará que matéis a la condesa que así cumple a la honra más a echis fama que es muerta de cierto mal que tenéis y tratarse ha el casamiento como cosa no sabida porque no sea deshonrada hija que tanto queráis La condesa muere estrangulada pero antes de morir lanza un maleficio que acaba con las vidas del rey la infanta desechada y su propio marido El Romance del conde Alarcos es uno de los más celebres del Romancero viejo tiene versiones de numerosos autores Entre otros cabe citar a Guillén de Castro Félix Lope de Vega Antonio Mira de Amescua y Jos Jacinto Milanés

On the Ethos of the "Romancero Viejo" C. C. Smith,1972

**Romancero** Paloma Díaz Más,2006 El romancero constituye la manifestación más importante y longeva de la poesía popular en lengua castellana Nacidos en la Edad Media para ser cantados y compartidos por la colectividad que los conservaba en la memoria y los transmitía oralmente de generación en generación los romances han pervivido prácticamente hasta nuestros días sometidos a lo largo de los siglos a una constante y fértil reelaboración Bajo su característica estructura métrica se aglutinan piezas de una diversidad casi infinita episodios heroicos y caballerescos trances de amor historias de inspiración bíblica y clásica asuntos fantásticos y misteriosos noticias verdicas Toda esa variedad y riqueza todos los ciclos temas y registros del romancero están representados con

generosidad en esta selección minuciosamente comentada y anotada por Paloma Díaz Mas. El núcleo del volumen está formado por los romances documentados hasta mediados del siglo XVI acompañados de los que se conservan únicamente en la tradición moderna pero que presentan indicios seguros de un origen medieval. El romancero viejo y tradicional Manuel Alvar, 1971

**A Comparative History of Literatures in the Iberian Peninsula** Fernando Cabo Aseguinolaza, Anxo Abuín González, César Domínguez, 2010-05-26 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus published by the Coordinating Committee of the International Comparative Literature Association. As its predecessor for East Central Europe, this two-volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter-literary relations. Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested. Written by an international team of researchers who are specialists in the field, this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula. The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda. A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo-cultural account of literary inter-systems which cannot otherwise be explained. *Romancero viejo* Alexander J. McNair, 2006 **Historia, reescritura y pervivencia del romancero** Rafael Beltrán Llavador, 2000 Nacido en la Edad Media, el romancero gótico literario de gran intensidad poética y de constante capacidad de renovación se ha mantenido hasta nuestros días como un inslito fenómeno de transformación creativa y artística. Este volumen reúne algunas de las aportaciones presentadas en las Jornadas sobre Romancero Hispánico Valencia 1998. A partir de los estudios que ahora se publican, se aborda el problema de la construcción del romancero a través de un complejo proceso de relecturas y reescrituras, las vinculaciones entre la transmisión oral y la textual, y finalmente la pervivencia en la actualidad de los romances orales en el País Valenciano. Esta obra nos acerca a un mundo que hoy puede parecer lejano, pero que sin embargo continúa teniendo una presencia cercana y accesible. Folk Literature of the Sephardic Jews, Vol. III Samuel G. Armistead, Joseph H. Silverman, 2023-11-15 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1994. **The Language of Evaluation** Louise Mirrer-Singer, 1986-01-01 This study seeks to demonstrate that throughout centuries of recreation, linguistic devices have been used to support both the production and the reproduction of the romances. On the basis of this demonstration, it is argued that it is time to recognize these devices as evaluators and to include a discussion of evaluative mechanisms in the study of the Romancero tradition. **Women in Hispanic Literature** Beth Kurti Miller, 1983-01-01

**Del romancero hispánico** Mercedes Díaz Roig, 2008 La aportación de Mercedes Díaz Roig al estudio del Romancero es indudable y sus agudas reflexiones sobre la forma de composición oral y los artificios narrativos de la poesía tradicional así como su gran capacidad de análisis quedaron reflejadas en diversos libros y artículos de su autora En este volumen de la serie Trabajos Reunidos dedicada a los maestros del Centro de Estudios Lingüísticos y Literarios se han reunido algunos de sus artículos más importantes sobre el Romancero hispánico en general y en México y América en particular tanto desde una perspectiva temática y estilística como temática

The Poetry of Antonio Machado Xon de Ros, 2015 This book offers a much needed reappraisal of a major twentieth century Spanish poet Antonio Machado 1875-1939 offering compelling arguments why his poetry should have a more vital profile not only within the precincts of Hispanism but also alongside the most significant twentieth century poets of Europe and America seeking to open up new perspectives for the interpretation of his poetry The unifying concepts as the title suggests are landscape and transformation Landscape a topic barely broached in Spanish poetry before Machado is a central thematic concern in his poetry

Romancero, 2021-11-18 Derivado muy probablemente del cantar de gesta el romance surge de la necesidad humana de expresarse ante un hecho intenso de la realidad en la que vive En este sentido el Romancero entendido como agrupación de romances se aleja de quienes lo consideran una muestra literaria esencialmente española para ser una manifestación que forma parte de un ámbito mayor la balada europea La presente edición se centra sobre todo en el llamado Romancero viejo aunque añade unas cuantas muestras de autores del siglo XVI Cervantes Lope de Vega Quevedo y Góngora Dejando aparte la división temática o cronológica de los textos que propone el preparador en todos ellos encontramos lo que el romance es canto sujeto por tanto a unas determinadas leyes métricas y cuento que relata una historia es decir una mezcla de lo lírico y lo narrativo en la que se entrelazan lo culto y lo popular lo hablado y lo escrito lo bello y lo siniestro en suma la vida y la muerte

World Literature in Spanish Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro-Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive

special consideration      **The Oxford Encyclopedia of Medieval Warfare and Military Technology** Clifford J. Rogers, 2010 From the Viking invasions to the Crusades to the Hundred Years War wars were crucial agents of change in medieval Europe They fostered many economic and political changes They also affected the science technology religion and culture of the parties involved Examines all aspects of warfare and military technology in medieval times and provides an exhaustive and accurate view of how and why wars were waged throughout Europe the Byzantine Empire and the Crusader States from circa 500 CE to circa 1500      **Federico García Lorca** Federico Bonaddio, 2010 This volume is one of few surveys in English of the whole of Lorca's poetry and the first to concentrate entirely on self consciousness a subject which it sees as central to our understanding of the work of a poet writing in the most self conscious of literary periods the Modernist era      **The Singer and the Scribe** Philip E. Bennett, Richard Firth Green, 2004 The Singer and the Scribe brings together studies of the European ballad from the Middle Ages to the twentieth century by major authorities in the field and is of interest to students of European literature popular traditions and folksong It offers an original view of the development of the ballad by focusing on the interplay and interdependence of written and oral transmission including studies of modern singers and their repertoires and of the role of the audience in generating a literary product which continues to live in performance While using specific case studies the contributors systematically extend their reflections on the ballad as song and as poetry to draw broader conclusions Covering the Hispanic world including the Sephardic tradition Scandinavia The Netherlands Greece Russia England and Scotland the essays also demonstrate the interconnections of a European tradition beyond national boundaries      [The Cambridge History of Spanish Literature](#) David T. Gies, 2004 Publisher Description      **The Cambridge Introduction to Spanish Poetry** D. Gareth Walters, 2002-11-28 The Cambridge Introduction to Spanish Poetry comprises an extended survey of poetry written in Spanish from the Middle Ages to the present day including both Iberian and Latin American writing This volume offers a non chronological approach to the subject in order to highlight the continuity and persistence of genres and forms epic ballad sonnet and of themes and motifs love religious and moral poetry satirical and pure poetry It also supplies a thorough examination of the various interactions between author text and reader Containing abundant quotation it gives a refreshing introduction to an impressive and varied body of poetry from two continents and is an accessible and wide ranging reference work designed specifically for use on undergraduate and taught graduate courses The most comprehensive work of its kind available it will be an invaluable resource for students and teachers alike
